A garage is one important thing we really can't postpone!

but how'll we get the money?

with an **INSTALOAN**

It's the easy, low-cost home improvement loan that lets you repair, remodel or rebuild and take up to five full years to repay. There's no need to put off a necessary new room, new kitchen, bath or garage. And it's never wise to put off home improvements, like painting, that might become more expensive the longer they're postponed. You can borrow up to \$3,500 at National Bank of Detroit to protect—or improve—your property. Ask your dealer-contractor about an Instaloan, or simply stop in any of NBD's 61 friendly offices. Either way insist on an Instaloan, exclusive with NBD.
