Walters Has Best ROTC Company

Cadet Captain Gary B. Walters, commander of Company E, received the Guidon Award for the Best Company at the Eighth Annual Formal Review of the Reserve Officers' Training Corps unit at Western Michigan University, Kalamazoo.

Walters, a senior business administration student, is the son of Mr. and Mrs. Harley B. Walters, 34023 Oakland, Farmington. He is president of the Student Council and a member of the Delta Chi fraternity.

Walters was graduated from the Farmington high school.

TRUCKS HELP MAKE IT SO

Whether it's Michigan's wonderful water resources or her great education facilities—two themes of this year's Michigan Week—the benefits to the people are more far-reaching because of motor transport. For trucks are indeed Michigan's supply lines, transporting everything we eat, wear, or use to every corner of the State—enabling her people to live, shop, do business wherever they please, opening new horizons to new generations. . . . Next time you see a truck on the road, remember—it's working for you, serving you, too, so you can say, "It's great to live in Michigan!"

Dad-Daughter Dinner Held

Y-Teen members invited their fathers to a Dad-Daughter Dinner held in the F.H.S. cafeteria at 6:30 p.m. Friday, May 16.

The dinner program consisted of a vocal solo by Mary Ellen McCain, accompanied by Marjorie Lam, and a talk by Seymour Brown, Redford High School, entitled "I Have a Daughter."

Carolyn Balman opened the program with a toast to the fathers and Leon Robinson responded to Carolyn's toast.

Florida Noble was toastmistress for the evening. A total of 48 fathers and daughters attended the snuggly dinner.

The chairman of next year's committee were chosen by the Y-Teen executive board and the chairman of this year's committee Monday, May 17. The new chairmen are: Florida Noble, program chairman; Nancy Irwin, finance chairman; Barbara Smith, membership chairman; Sharon Payne, social chairman; Sandra Leiss, service chairman; Karen Robinson, publicity chairman.

Summer Band Program Slated

Summer band classes will be held in the Senior High, Farmington Junior High and O. E. Dunckel Junior High from July 14-August 22.

Concerts are planned for July 23, August 7, and August 21. The evening concerts will be held on the lawn in front of the Senior High.

Mr. Zimmerman also plans to join summer bands from other schools in a combined concert effort.

There will be several weekly trips in the evening to hear the Detroit Symphony Orchestra at the Belle Isle grounds and the band at Belle Isle. Sometime in August the band will also take an afternoon boat trip to Bob-Lo Island.

All students, both beginners and more advanced students, are encouraged to take part in the program. Many school-owned instruments are available for students to start on. There is no charge for the program.

A definite schedule of classes has not yet been set up.

MR. DONALD HOWELL, biology teacher at F.H.S., recently published an article on "Advanced Biology in Farmington" in "Action" magazine. The article explained Farmington's biology II course and told of various high school students' experiments.

"NATURE'S LOVING PROXY, THE 'WATCHFUL MOTHER'"
(Author's Name Below)

Babies are little tots who need much loving care. Fortunately, God gives us Mothers to watch over them.

Mother's problems are difficult, but we can solve some of them. We supply special foods, sterilizing utensils to prevent germ invasions, helpful baby-aids that insure more comfort and vitamin concentrates for extra energy.

Most important of all, Mothers can now have the formula for showing any attacking virus threaten baby's health. In our pharmacy are the wonderful anti-biotics physicians prescribe that often overnight bring back baby's health.

YOUR PHYSICIAN CAN PHONE GR. 4-2011 WHEN YOU NEED A MEDICINE

Pick up your prescription if shopping near us. A great many people entrust us with the responsibility of filling their prescriptions. May we compound yours?

Students to Have Program on Atom

Farmington Senior High students will have the opportunity next Monday of getting acquainted with the wonders of the atom through a special assembly program. Featured on the program will be "This Atomic World," a traveling atomic-energy exhibit of the U.S. Atomic Energy Commission.

The exhibit is being sent to Farmington from the Museum Division of the Oak Ridge Institute of Nuclear Studies, which manages the exhibit, as well as the American Museum of Atomic Energy in Oak Ridge, Tennessee, for the Commission.

"This Atomic World" is one of several traveling exhibits which the Commission has made available to towns and cities all over the United States. It is designed to meet the needs of principals, science teachers, and civic leaders in stimulating a deeper interest in accelerating uses of atomic energy.

In Monday's program, a staff member of the Museum Division will take the audience on an excursion into the atom. Utilizing exhibits and demonstration equipment, the demonstrator will explain in simple language the fundamentals of atomic energy and how it compares with other types of energy; how atomic energy is released through radiation and fission; and how atomic energy is used in agriculture, medicine, industry, and other fields.

George Vagher will present the program locally. He is a graduate of the College of the Ozarks, with a bachelor's degree in education, and he holds a master's degree in the same subject from the University of Tennessee. Mr. Vagher has also received training in nuclear science at Oak Ridge, Tennessee. Prior to his joining the staff of the Museum Division, he served two years in the armed forces.

One of the outstanding attractions of "This Atomic World" will be a demonstration model of the Van de Graaff electrostatic generator. This device, which generates 400,000 volts of static electricity, will be used to explain how large models are used in physics laboratories to study atomic structure.

86 Make Honor Roll at Dunckel

SEVENTH GRADE
Kathy Aze, Cheryl August, June Badgley, Cameron Beas, Linda Bliss, Mary Brown, Ruth Ellen Chodoroff, Suzanne Edwards, Christine Facknitz, Douglas Griffin, Dennis Hummel, Diane Hollis, Janice Huff, John Johnson, Colleen Kelly, Richard Lusk, Janet Maeder, Mary Margineau, Judith Miller, Larry Miller.

EIGHTH GRADE
John Allen, Sherry Barker, James Bartels, Lynne Bielby, Allen Clark, JoEllen Coury, Karen Coykendall, Julie Dingman, Susan Ellingham, Linda Esser, Charlene Evert, Margaret Geiger, George Giffin, Thomas Gillies, John Hackstedde, Mary Hammill, Philip Haseltine.

NINTH GRADE
Patricia Allen, Joann Archer, Marjorie Balbough, Brian Beas, Brian Beck, Sharon Bowman, James Bush, David Bush, Joan Cogswill, Allen Dobzyniak, Patricia Kirk, David Kuli, Richard Lam, Evelyn Moore, Dale Preuss, Carolyn Schaefer, Donald Wright.

These students received B or better in every subject for the past six weeks of school work.

Alumni News
James Brewbaker, Class of '54, has taken a teaching assistantship in chemistry at the University of Illinois.

Nancy Beal has been appointed director of the Association of Women Students at Albion to take charge of the exchange dinners next year between Deen Hall and the farmingtons.

Dick Goulet will work as an assistant in the zoology department of the University of Michigan this summer. He is also working in one of the divisions of the University Hospital.

Goulet graduated from Farmington High in 1954.

MR. JACK HAYES, phys. ed. instructor, attended the Michigan High School Athletic Association's Annual Spring Clinic at Michigan State University.

Library Gets Play Scripts

The library has recently acquired twelve hard-bound play scripts of some of the current Broadway hits.

F.H.S. drama enthusiasts will most likely enjoy reading the insidious probing of a twelve year old girl in "Diary of Anne Frank" or they might enjoy the humor and satire of the "Teahouse of the August Moon."

The fantasy and realism of people and places are to be found in such plays as: "The Green Pastures," "Long Day's Journey Into Night," "Time Out for Ginger," "Knickerbocker Holiday," "Time and the Cuckoo," "Deep Are the Roots."

There are also books containing selections from Rogers and Hammerstein's "Eleven Plays by Anderson," "Six Plays by Kaufman," and "Nine Plays by O'Neill." J.B.

Wright to Head Student Council

Next year's Student Council President, Bill Wright, was selected at school elections last Thursday, May 15. His runnerup, Jack Lawing, will serve as Council Vice-President.

Out of a possible voting turnout of about 750, approximately 691 students actually voted.

Senior Class Representatives elected include: Roy Jordan, Sharon Hodges, Ralph Garry, Gary Sheridan, Martha Berling, George Carter, Dale Willoughby, John McCarty, and Jim Ralston.

Junior Class Representatives elected include: Harvey Chapman, John Anderson, Jack Swift, Bruce Boltz, Gary Lam, Carol Schramm, Carol Dustin, Pat Cobb, Marlene Dowling, and Ann Ridings.

BILL WRIGHT received honorable mention for his entry in the Detroit Science Fair. He spent 17 hours in the laboratory and a television set into a scintoscope.

There have been three accidents in the construction of the new addition: 1) the tractor caught on fire; 2) the crane fell and was injured; 3) the workmen fell and were injured.

Shiawassee School Music Program Slated Friday

The boys and girls in grades four, five and six of the Shiawassee elementary school will present a vocal concert for their parents on Friday, May 23.

The performance will take place in the school's new multi-purpose room at 8:00 p.m.

At the April meeting of the P.T.A. parents had an opportunity to hear Mrs. Corey, music consultant, speak on some of the goals in teaching music and on some of the music used by classroom teachers to reach these goals.

Parents will have an opportunity to hear some of the results of the music teaching that has been going on during the year.

Selections will be sung by each grade separately and also combined in a mass chorus. Among the songs will be such old favorites as "The Battle Hymn of the Republic," "America the Beautiful," and "Zipplidy-doo-dah."

2 Honored at Albion College

Scholastic recognition was received by Glenn D. Kelly, son of Mr. and Mrs. Albert D. Kelly of 21440 Collingham, and Miss S. Jane Gringer, daughter of Mr. and Mrs. Robert M. Gringer of 28810 Halsted, at the Honors Day convocation at Albion College, held in the college chapel Monday morning, May 19.

On this occasion Professor Vernon L. Bobbitt, chairman of the department of art at Albion, addressed the Albion student body during the ceremony.

The names of 145 Albion students appeared on the day's program.

Kelly, a sophomore at Albion, was cited because of his membership in Kappa Mu Epsilon, national honorary mathematics fraternity for outstanding students of mathematics. Miss Gringer, a junior, was named as the winner of the Marie Guy Kimball memorial prize for the best literary production written by an undergraduate.

The U.S. Army uses about 188,000 yards of diapers a year.

Variety of Selections Planned For Spring Concert at Dunckel

Next Saturday, May 23, two music directors, Eddy Ellegood and Harold Kari, will give a concert at the new school.

Opening the concert will be the seventh grade band playing a "March Medley." Other numbers will include "Hans Christian Andersen" and "Railroad Time." The singing of the ever popular spiritual "Go Down Moses" by the Mixed Choir will begin the second part of the Spring concert. Other numbers in this group will include "God Is Ever Beside Me," "Twenty-Third Psalm," "I Believe," and "Bless This House."

The melodic tones of the string orchestra will be heard performing "Russian Airs," "Brown Jug Polka," and "Artists' Life." Also included in this section of the concert will be a violin duo performed by Barbara Ankam and Mary Margineau.

Selections performed by the girls choir will include "Swing Low," "Finlandia," "Halls of Ivy," "Love Walked In," and "April Love." Concluding the girls choir group will be an enlightening number by Harry Robert Wilson entitled "Melodic Caravan."

The advanced band's selections will be "March of the Grenadiers," "Down Bones," "Three Classic Miniatures," and ending with the robust number "Hoosier Schoolmaster."

Public Letter Box

Letters submitted to The Editor for publication must be signed. Names will be withheld upon request. Letters are those of the writer and not necessarily those of the paper. Letters should be 150 words or less.

Wants All Concrete

We sincerely hope that all future paving in our up and coming City of Farmington will be done with concrete.

Blacktop may be less expensive at first, but anybody who does any driving at all knows the results of using that material. It is smooth for awhile, then gets wavy. Before long it gets rough, then breaks up, and you stand heavy traffic, and becomes slippery when wet.

Good old concrete is solid and lasts a long time. If it costs more, it saves money in the long run. It is less slippery in wet weather than blacktop, and does not get lumpy on hills. Expressways and other main roads are concrete. For comparison here let us just examine the roads in Warner Farms and Bel Aire Sub, then take a gander at Shiawassee or Ten Mile Road near the school. Let's get rid of patchy roads.

For Real Improvements
Dear Readers:
You will never know when you or a member of your family may need blood or a blood derivative. When you do, you can get these life giving products without charge by simply making one telephone call if you belong to a group blood bank established with the American Red Cross Regional Blood Bank. Do you? Inquire at your church, club, place of employment, union, fraternal organization, veterans organization, etc. If you do not, call your Red Cross today for details on how you can join your group's blood bank or how you can help establish one for your group. There is no obligation for this information.

The blood program is a service provided by your American Red Cross without cost to the group or individual. It is to your advantage to avail yourself of this service.

A Farmington Blood Bank is planned for Tuesday, May 27th, and will be conducted at the American Legion Hall from 2 to 8 p.m. Registrations of donors is now being conducted. Do so today.

The blood bank program of American Red Cross has proven invaluable to many in the community in time of need. Only through this program have many persons' lives been saved.

I urge all persons who can to register now and give blood when the blood bank is here. Call GR. 4-5332 or GR. 4-5333.

Mary Lenz, Director and Chairman for Farmington Blood Bank.
