Form Women's Auxiliary to Aid In Management

Due to the rapid growth of Baseball for Boys in Farmington, the women have formed a "Baseball for Boys Auxiliary" this year to assist the management in performing many of the organizational jobs, record keeping and financial duties associated with this organization of more than 700 boys.

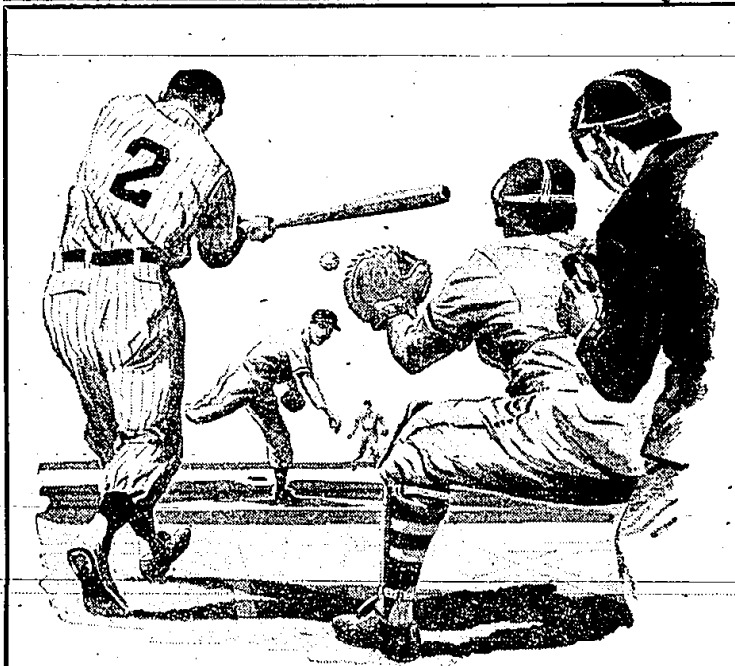

At a meeting in March, the Auxiliary was formed under the

National Organization Charter. A constitution was drafted and the following ladies were elected officers:

Mrs. Hub Barth, president; Mrs. Clayton Bartsch, vice president; Mrs. Doug Sutherland, secretary; Mrs. Hazen Nelson, treasurer; Mrs. Frank Marzolf, membership chairman; Mrs. Eleanor Tabb, publicity; Mrs. William Burke, team mother

chairman; Mrs. Carl Hunt, registration chairman; Mrs. Francis Davis, concession stand chairman, Babe Ruth; Mrs. Vic Cunilio, chairman membership, Babe Ruth; Mrs. Carl Johnston, concession stand chairman, Little League.

Team Mothers have been recruited to directly assist each team manager in keeping records. (Continued from Page 5C)
