Last week Lloyd and Virginia Callahan of Springbrook Drive entertained Mr. and Mrs. Edward L. Asch from Houston, Texas. Saturday they gave a dinner party for them. The Aschs are ex-Detroiters and they enjoyed renewing old friendships while here.

June 16th, Mrs. James B. Edgar, Jr., the former Jo Anne Chambers of Westmoreland Drive, flew in from New York to spend a few weeks with her parents. Many plans were made for Jo Anne's enjoyment, including an evening at Northland Playhouse on opening night to "The Remarkable Mr. Pennypacker." Mrs. Vernon Strassburg of Pontiac also gave a baby shower for Jo Anne.

Donna and Dick Tupper and son, Brian, of Springbrook Drive have just returned from a three-week vacation visiting Donna's parents, Mr. and Mrs. Albert Rosen, in Duluth, Minnesota. While there, they attended two weddings, a graduation and visited old friends and relatives.

Harry Fitzpatrick, president of the Springbrook Civic Association, requests that you watch the bulletin for further notice of the next Civic Association meeting.

"A BAD BEGINNING MAKES A BAD ENDING"

(Author's Name Below)

The beginning of any illness is the best time it may be more quickly cured. Serious sickness has not yet taken full hold.

Some people begin badly by either neglecting to take care of themselves or attempting self treatment. Unless they are lucky, sickness time is prolonged and sometimes life, itself, is endangered.

A quicker, happier ending to any sickness is almost assured if you consult a physician quickly and take the specific medicines he may prescribe for your particular trouble.

FARMINGTON HILLS

MRS. DAVID KRINGS GR. 4-9614

Happy news: this week concerns the return from the hospital of two very young subdivision residents. Two-year old Jackie Lane of Shadyridge not only is home but has the cast removed from his leg. It will be some time, however, before he can get around in the usual big gear of a two year old. Little Jimmy Yull has also been sent outdoors hoping the sunshine will remove the pain of two weeks stay in the hospital. His parents brought him home Saturday.

We welcome into our subdivision new neighbors, Mr. and Mrs. Robert Rucker, and daughters, Linda and Cheryl. They have moved into their new tri-level home on Dohany Drive.

Grandparents of Karen Macek came over Monday evening, June 23rd, for a slice of birthday cake, Karen's fourteenth.

To help Bobby Conkin celebrate his eleventh birthday, he had Mike Blouin as his house guest for several days at their cottage at Runyan Lake. Both boys live at the east end of Dohany Drive.

Maureen Blouin spent last week visiting with her grandparents, Mr. and Mrs. Fallon, in Flint.

Mrs. Joseph Koehler of Raphael Drive deserves a great deal of thanks for her chairmanship of the reception for the newly ordained Rev. Fr. Donald Walker at Our Lady of Sorrows, last Sunday, along with her helpers in the kitchen: the Hector Lablancs, and the Sylvester Phenocys. Those officers of the Altar Society who poured at the reception were John Merzbach, Mrs. Cyril Johnson, Mrs. Peter Kenny, Mrs. Jack Martin, and Mrs. Frank Nichols.

More friends because we help more people

It's the easy, low-cost home improvement loan that lets you repair, remodel or rebuild and take up to five full years to repay. There's no need to put off a necessary new room, new kitchen, bath or garage. And it's never wise to put off home improvements, like painting, that might become more expensive the longer they're postponed. You can borrow up to \$3,500 at National Bank of Detroit to protect—or improve—your property. Ask your dealer-contractor about an Installoan, or simply stop in any of NBD's 61 friendly offices. Either way insist on an Installoan, exclusive with NBD.

MICHIGAN BELL

telephone lines

A YOUNGSTER WALKED into a drugstore and asked for a job.

"What's your name?" asked the druggist.

"Alexander Graham Bell," replied the boy.

"I guess that's a pretty well-known name, son."

"It ought to be," said the boy. "I've been delivering groceries in this neighborhood for two years now."

EVEN ALEXANDER GRAHAM BELL himself (the inventor, not the delivery boy) couldn't have guessed how important his invention would become to us. The phone plays a part in just about everything you do. Take your vacation, for example. When it comes you'll want to be able to relax and enjoy yourself. So take care of all the worries beforehand, phone ahead to make all your reservations or let friends know when you'll arrive. It'll be such a weight off your mind and for such a small cost!

A GROCER FRIEND tells us the story of a lady who called him about an order. "Please bring some of your snap beans to the phone," said the lady. The grocer, who takes everything in his stride, complied. "Now break one," she commanded. He did, and a sharp "pop" went over the wires. "Fine," said the lady, "send me three pounds."

THE REASON We mention this incident is to show that there isn't any end to the telephone's usefulness. Every day someone hits on a new way of saving time and money with the phone.
