State Pheasant Outlook for Fall Reported by Conservation Dept.

The outlook for Michigan's pheasant crop is "very good," according to current information gathered by the Conservation Department's game division.

"Barren bad weather, we can expect a crop at least as good as last year," said Victor S. Janson, in charge of pheasant research for the department.

"Good protection last year resulted in a take of 1,257,000 birds by pheasant hunters -- a 12 percent increase over the 1956 bag since 1954.

"Janson said spring conditions this year have been advantageous for ring-necked production. The lack of rain has been helpful because many nests usually

Cardinals Down Yankees 8-4

The Farmington Lumber Cardinals defeated the Farmington Yankees 8-4 last week on five hits and five Yankee miscues.

The Cubs took an early lead in the bottom of the first inning on a single by Don Davis. Mike Wall was safe at first on an error and Bob Lord scored to score both runners.

The Yankees made it 2-1 in the top of the second inning on a walk to Mike Bars and a single by Rick Hatfield. But the Cardinals made it 3-1 in the bottom of the second inning on two Yankee miscues which allowed Bob Svoboda to score.

In the bottom of the third, the Cards scored five runs off error and pitcher John Bradley. Don led off the inning safe on an error by the third baseman, Mike Wall singled, Bob Lord walked to load the bases and Joe Oddy was safe at first on a fielders choice which scored Don Davis. Tom Wall walked, forcing his brother, Mike Wall, to score. Bob Svoboda singled, scoring Lord and Oddy. Mike Weber was thrown out by the pitcher. Rick Manross was then safe at first on an error by Tom Wall. Wes Hanson then fled out to the right fielder. Bob Svoboda was out on a line drive by the Yankee right fielder, Kelly Burke, trying to advance to third.

MOST POPULAR activity on the Farmington Area Recreation Commission summer recreation program is the tip twice weekly to Ke Lake in Kensington Park for swimming and other outdoor activities near the water. Eagerly awaiting their turn to load on a boat for the lake are the youngsters shown above. Choking on the water are Mrs. Margaret Hart, playground supervisor at the Ten Mile elementary school along with Ted Bielecki. Besides having several qualified supervisors at the lake as well as the regular life-guards, the "lake" system is used to provide even greater assurance of safety. Before leaving for the lake, all youngsters are paired off with one or two others of about the same size and age. They are instructed to stay nearby each other all times while in the water and keep a careful eye on each other.

Indians Edge Tigers, 10-9; Take 1st. in North Farmington League

The previously unbeaten Gor-ton Williamson's Indians and Al Karper's Tigers clashed last Saturday with the Indians edging the Tigers, 10-9.

Rather than an anticipated over scoring pitchers' battle, the Indians won in a thrill packed, close no decision until two were out in the last inning when chief pitcher Pelkey won his own game with a line single to left, scoring the tying and winning runs.

With Cylika pitching for the Indians, the Tigers jumped off to a three run lead in the first on a walk and a double followed by a homer by Armstrong. With Armstrong on the mound for the Tigers, the Indians went down in the first. In the top of the second the Tigers picked up one more run and looked like sure winners.

It was the first time, however, that the Indians bunched on their foes, taking advantage of Armstrong's tallness and two very timely hits to score seven runs on only two hits.

After the bases had been loaded by a hit batsman and two walks, two additional walks scored the first two runs of the inning. At this point Barnett relieved on the mound for the Tigers.

Bob Lorenz greeted him with a single, scoring two more. With two on and two out, Cylika unloaded a homer to right, scoring three more.

Trailing the Tigers picked up two more in the first. The Indians went out in order in the bottom of the third and the Tigers went ahead in the fourth as they scored three runs on four hits. This barrage kayoed Cylika, who was replaced on the mound by Pelkey. Run scoring flows were delivered by Pelkey and Davidson.

The score remained 7-1 in favor of the Tigers until the last inning when Pelkey's clutch hit was the first two runs of the inning. At this point Barnett defied the best of the season of the Indians.

With one run in, two out, and the bases loaded, the stage was set for Pelkey to line a clean hit. At first he lined the tying run, then he lined the winning run. The Tigers outdid the Indians 10-9. Everything points to a thrilling re-match on Thursday, July 7.

Fireworks Set For 4th of July

Two spectacular fireworks displays are being planned for the Fourth of July at the Walled Lake Amusement Park.

An unusual daylight display as well as an evening performance will be featured this year.

The Japanese, expert in the manufacture of brilliant fireworks, perfected the daylight displays which are fired 1,000 feet into the air and explode, expanding into huge paper animals that balloon and drift to the ground. The menagerie of elephants, tigers, lions, giraffes, horses and many other animals will be skyrborne in this display.

Highlight of the evening performance will be the firing of a missile bomb. It will be fired 200 feet into the air, trailing a tail of golden fire and disintegrated in a burst of red-colored stars.

Though normally silent, porcupine can make noises ranging from a snorting bark to a kind of scream.
