Yes, wonderful gas broiling—delicious flame-kissed broiling—is also automatic broiling. A flick of your wrist brings the exact broiling heat you desire instantly and maintains that heat.

And today's new Gas Ranges are automatic all the way. Top burners are automatically temperature controlled; ovens are clock-controlled to turn on and off automatically. And gas matches this automation with flexible and fast response. See today's Gas Ranges. They're really modern, easier to use . . . automatic all the way.

## On Yorktown In Pacific Waters

Carl B. Stingle, radioman seaman, U.S.N., son of Mr. and Mrs. Carl F. Stingle of 27434 W. Eight Mile Rd., Farmington, took part in the First Fleet visit to the San Francisco Bay Area, July 7-8, aboard the support carrier U.S.S. Yorktown.

The visit commemorates the 50th anniversary of the visit of the Great White Fleet to San Francisco during its cruise around the world. A full-scale Naval review will be staged as the Fleet enters the Bay.

Following a long weekend of recreation, including many civic sponsored events, the Fleet put to sea on July 7 for a five day striking force exercise, code named "Blue Bolt".

The operation involves 36 ships, 25 squadrons of naval aircraft and over 22,000 personnel. Ships and planes at sea formed fast-moving "Blue" attack carrier teams which struck out against simulated mainland targets. "Orange" defensive forces consisting of shore based Naval aircraft and submarines will try to outwit the invaders.

Striking force exercises are designed to give advanced training to personnel preparing to deploy to the U.S. Seventh Fleet in the Western Pacific.

## Westbrooke Manor

CAROL PASKI GR. 4-5321

From the way pop, potato chips, hotdogs and root beer are served at our picnic held the weekend of June 28 and 29 we are sure many of the girls and boys counted the event a memorable one.

Mrs. Bill Keegan, Mrs. Harry Mason, and Mrs. Fred Paski, particularly appreciated the cooperation of teen-agers Kathy Linden, Tina Facknitz, Pat Esch, Martha Keegan, Theresa McKaig and Carol Paski.

Chaperones for the teen-agers were Mr. and Mrs. George Stingle, Mr. and Mrs. Bob Stingle, Miss Kay Guide and Miss Esch.

The refreshments for the picnic were purchased at a discount thanks to Brown's Super Market, the Bud Stingle's, the Mitch Budzinski's, and thanks also to Walter Garcke for handling the pop delivery from Canada Dry.

We hope to have at least two more planned activities this summer.

Summertime has brought many visitors to Westbrooke Manor and residents vacationing away.

The L. H. Vorcees had as their guests for a week Mrs. Harold Vorcee of Monaca, N.Y. She is the sister of Mr. Vorcee.

Visiting relatives in Muskogee and Tulsa, Oklahoma for the last two weeks of June were Mr. and Mrs. Robie and daughter Jane. Jane will remain in Oklahoma for the rest of the summer.

The Homer Fergusons and children returned home last week after spending some time in Illinois. They visited Mr. and Mrs. Otto Ferguson of Mound City and Mr. and Mrs. E. C. Hogen-dobler of Olmsted.

The Jerome Ballards and children, Ron, Denise, and Jerry along with friends from Redford, the Ken Hall's enjoyed last weekend at North Lake near Chelsea.

Returning home from a two week vacation in Cumberland, Maryland where they visited relatives are Mrs. Don Blaul and daughters Mary Pat and Debra of Nottingham. Also returning with them is a teen-age visitor, Deanna Llewellyn who will stay for two Sunday evenings.

Games are scheduled for children of all ages with prizes for the first and second place winners. There will also be swimming, baseball and a picnic feast.

As an extra treat the C.A.P. is furnishing watermelon for the children.

For further information on the picnic call Mayfair 5-3822.

## Four Area Residents Lose Right to Drive

Four Farmington residents, pending appeals, have lost their right to drive, the Michigan Secretary of State's Office disclosed recently.

Ordered to furnish financial responsibility for drunk driving was Sidney Pettifer. Having their licenses taken for habitual negligence were Gary S. McDonald, William G. Reddick and Hayward B. Salow.

## Big Water Follies Set for Pontiac

The Pontiac Area Chamber of Commerce Water Follies will be presented on Friday, Saturday and Sunday evening, July 11, 12 and 13 at 8:30 p.m. at the Vesper Memorial Stadium in Pontiac. A special kiddies matinee will be given at 2:30 p.m. Saturday.

The group performing will be the Sam Snyder's Water Follies, direct from the World's Fair in Brussels, Belgium, where it was the featured grandstand show during the first two months of this year.

This is not a water show alone but a combined musical revue in water and on stage, official spokesmen commented. It is presented in the world's largest portable pool and on stage. Tickets are available now at the Pontiac Chamber of Commerce office at the Waldron Hotel Building.

Milk is the nearly perfect food, say Michigan State University home economists. It gives you calcium for building and rebuilding bones and teeth. You also get riboflavin, a B-vitamin for building good skin and nerves. And it has the perfect balance for building body tissues, too.

## From where I sit... by Joe Marsh

**Slim's "Pickins"**

Slim Thomas who owns a sleek-car lot on the highway proved more than once he can think fast. Last week, for example, a young roofer came in to pay he couldn't keep up the payments on a car he'd bought.

Someone else would have begun to talk about refinancing or repossession of the car. But Slim looked the fellow up and down and asked him how'd he'd like a part-time job.

Now Slim's got a new sales man. The new fellow's holding

down both jobs and keeps his car too. Everybody's happy.

From where I sit, our town is lucky in having a fellow like Slim around. It's not only a good judge of used or car, but of character, too. Maybe it's because he understands others—and respects their viewpoints. Slim's one fellow who'd never try to "sell" you out of choosing a glass of beer with your meal, just because he prefers coffee!
