

# Falcons Score 2nd Impressive Win, Down Rochester 38-13

Falcons met Falcons last Friday afternoon on the local gridiron and the Farmington Falcons showed their real strength by trouncing the Rochester Falcons, 38-13.

Before one of the largest home crowds ever assembled, the Farmington team again showed its championship form both offensively and defensively.

In the early moments of the game, however, it didn't look like the defensive team looked extremely well without the services of utility man, Jack Lawing, who was out with an injury and the Rochester offense rolled down to the Farmington's two yard line. Farmington received a break as a five yard penalty was called on Rochester, giving the Farmington squad a little breathing room. The pressure was completely

deflected by Farmington's strong defense, forced them to punt. Harvey Chapman, repeating his performance of a week ago, looked the part in the third quarter and was Farmington's fifth touch-down. John Anderson's point after attempt was good. The Farmington now led 32-0 with six minutes and 40 seconds left in the third quarter.

FEELING confident at this point in the game, the coaching staff began to substitute very freely.

Rochester began to move late in the third quarter and finally able to score with one minute and six seconds left in the period. The point after TD was good.

Rochester then kicked off to Farmington. A play later, Roy Jordan ran 65 yards to pay dirt

but was called back because of a penalty. The penalty did not stop the Falcons, however. For a few plays later Chapman ran 38 yards for his second and Farmington's final touchdown. The extra point attempt was blocked, making the score 38-6, Farmington.

Rochester managed to get one more touchdown across and matched it with the extra point

well for the Falcons in their first two contests. Chapman chalked up two touchdowns Friday, both on spectacular long runs.

BEING LUGGED to the ground after romping off a substantial gain for the Falcons is Harvey Chapman (22). Running well for the Falcons in their first two contests, Chapman chalked up two touchdowns Friday, both on spectacular long runs.

QUARTERBACK Al LeSage (21) finds Rochester foes in his path but picks up plenty of yardage after rounding his end before being tackled. At the left is Gary Tinkler (64), up too late to make a block, on the Rochester tackler.

removed on the next play as Farmington recovered a Rochester fumble.

AFTER TAKING possession, it took Farmington only three plays to rack up the first score of the game. A five yard run by Mike Agee, was followed by another 25 yard sprint by Agee. Alan LeSage then threw out on a 80 yard dash to pay dirt.

The second score of the game, again for the F.H.S. Falcons, came early in the second quarter on a good run by LeSage, Agee and Neil Stevenson. The scoring play was an 11 yard dash by Agee with only 5 seconds gone in the second quarter. The extra-point was attempted by Harvey Chapman but a gain failed.

Rochester took the kickoff and started the drive but it was broken up by a pass interception by Chapman.

Farmington took over on its own 32 yard line and began the Falcons third scoring drive of the game. The drive was spiced by two stellar plays: a 16 yard pass from LeSage to Tom Grubshaw and a 20 yard run by Chapman which put the ball on Rochester's 12 yard line. Chapman ran for three yards and LeSage, who played a brilliant game, ran the last nine yards for his second touchdown. Chapman then kicked the point after TD through the uprights and Farmington now led 14-0 with the first half fading away.

ROCHESTER once again started a drive and again it was broken up by an interception of a defensive end, Frank Clappison.

Head football coach John Hayes, was jubilant over the first half proceedings. Asked to account on the team's ability to score so easily, he had this to say, "They're giving the game to us with the defense they're using."

Rochester evidently did not change their defense, for Farmington took the opening second half kickoff and went on for another score.

The highlight of this drive was a 60 yard pass play from LeSage to Stevenson which put the ball on the Rochester nine yard line. Stevenson ran for three more yards and Agee ran the final six for his second touchdown of the game. The extra point attempt was no good.

Rochester again took the

## Big Falcon Test Friday

The Falcons will be put to the big test this Friday when they meet the Southfield Bluejays in their first Inter-Lakes Conference game of the season.

The game will be played on the Farmington gridiron starting at 3:30 p.m.

Rating among the top teams in the league in pre-season predictions, the Bluejays have shown strong in their first two contests. They played a powerful Royal Oak Kimball team to a 27-7 tie in their opening contest which would have been a costly penalty which nullified the winning extra-point. Last week the Jays were equally impressive in scoring a 22-7 win over Ferndale.

The Falcons will be put out for revenge against the Jays Friday. Last year Southfield upset the Falcons bid for the league championship in the final game of the season when they scored a 21-0 victory after the Falcons had scored 27 points in their scoreless for the first three periods.

In other Inter-Lakes Conference openers, Berkley will meet highly rated Walled Lake and Van Dyke will be in action against Waterford.

## Falcon JVs Lose Opener

The Farmington J.V. football team suffered its first defeat in its opening game of the season at the hands of the Rochester reserves.

At the end of the first half the score was 0-0. The final score was 19-0 in favor of Rochester. It was a fairly even game, regardless of the final score, said Coach Burch.

The Farmington squad had no offensive highlights, a few however throughout most of the game. "We've had several new fellows and we weren't quite ready," said Mr. Burch.

## CHS Runners Post 3rd Win

The Clarenceville Cross Country team overcame Detroit Lutheran West, Sept. 25, on their 38th anniversary.

First place for the victory, they added the third consecutive link to the Trojan chain of victories.

Also went to sophomore Jerry Dowdy. Merion Roberts and Bob Leeds took third and fourth places, respectively. Other Trojans placing were Ken Sitar, ninth, and Phil Chovanec, tenth.

## Falcon Runners Lose to Berkley

Despite the second straight loss in performance by Nick Staudt, Farmington's cross country team was beaten by Berkley 35-21.

Meyer of Berkley out-sprinted Staudt in the last 300 yards to capture first place for the Bears. The winning time was 31 minutes, 28 seconds. Staudt finished in 41 minutes, 41 seconds.

Berkley runners finished first, third, fourth, sixth, and seventh. Bob Mazur of Farmington finished third for Farmington and fifth in the meet. Tom Chapman finished third for Farmington and eighth in the meet.

Warren Cawley who was tied with Staudt for the lead at a mile and a half failed to finish because of a recurrence of an ankle injury.

"Most men have a way with women, but it's seldom their own," Ruth E. Renkel.

## CHS Humbled 33-14; Show Lack of Depth

Lacking depth at nearly every position and showing several weak spots both offensively and defensively, the Clarenceville Trojans fell in defeat 33-14 against a strong West Bloomfield team last Friday night under the arch at Clarenceville.

Clarenceville's performance was excellent, making the score 33-14, Farmington.

The one bright spot in Clarenceville's offensive attack was the quarterbacking of Jon Nelson, a veteran from the great I squad. He scored both of the Trojans touchdowns.

The only thing that Trojan fans could really be delighted about was a colorful halftime show put on by the Clarenceville marching band.

Feature of the program was a posthumous presentation of a very informal hill-billy wedding.

Rita Wade played the part of the bride, Margaret Williams that of the maid-of-honor, Don Tuttle that of the groom and John Stredion the part of the best man. Bob Goudie was cast in the role of a tipsy preacher.

## Junior League Gridders Show Fight in Defeats

Meeting obviously superior teams in the Wist Egan Eagles Junior, and senior varsity clubs last Saturday afternoon, the Farmington Rocket teams both lost by decisive margins.

The Rockets of both teams, however, never gave up despite the fact that they were outclassed in size, man-power and experience. They fought all the way to keep the score down.

The Junior Little Leagueers were tramped 20 to 0 after allowing two lightning like touchdowns early in the first quarter; they settled down to a pretty good offense and defense, and held a fast well trained Eagles team to two touchdowns in the last three periods. They might have avoided a shutout but for

### FALCON CHATTER

There's a record brewing all ready this season for the Farmington Hawks. It seems to remember how long it's been since Farmington has had a game without being forced to punt. This is quite a tribute to Coach Jack Hayes offensive unit which has scored 10 touchdowns already in the young season.

The touchdowns are quite evenly distributed between LeSage, Agee and Stevenson with 2 apiece, Chapman with 3 and Goodfellow with 1.

Despite a somewhat leaky defense against Rochester's passing attack, the Falcon defense unit has done exceptionally well this season. The Falcons held Bentley scoreless and gave up two touchdowns to Rochester only after Coates had pulled most of the second half.

Rex Cawley, the Falcon State representative of the Michigan Department during the first week of mailing indicates a record total may be set this year. By September 24, a week after applications were first available at license dealers, some 10,000 persons submitted requests for special season permits.

Last year a permit approximately 112,000 hunters applied for "any deer" permits.

Deadline for applications this year is October 10. Interested hunters must purchase a deer license, fill out a special season application and mail the application card to the Department's issuing offices by that date.

Frank Clappison continued his outstanding play at end for the Falcons with crisp blocking and hard tackling. He also chipped in with a timely interception of a Rochester pass late in the first half.

## Several Seeking 'Any Deer' Tags

Drawings to determine distribution of special season deer hunting permits have been scheduled for October in Marquette and Lansing.

The drawing will be necessary for permits in excess of "any deer" permit quotas.

Drawings for areas 26-37 in status are all in the upper peninsula — will be held about October 17 at Marquette if these areas are over-subscribed. A total of 11,033 permits will be issued in the U.P. to harvest about two deer per square mile of over some 3582 square miles of forest and crop damage areas north of the Straits. This type of deer offer is expected to be in addition to the regular buck kill.

Meanwhile, drawings for permits for areas 1-25 in the lower peninsula will be held about October 20 at Lansing. Some 37,568 permits will be issued for these areas.

The flood of applications received by the Conservation Department during the first week of mailing indicates a record total may be set this year. By September 24, a week after applications were first available at license dealers, some 10,000 persons submitted requests for special season permits.

Last year a permit approximately 112,000 hunters applied for "any deer" permits.

Deadline for applications this year is October 10. Interested hunters must purchase a deer license, fill out a special season application and mail the application card to the Department's issuing offices by that date.
