Prepares for 2nd Tests in Bid For 4-Year Merit Scholarship

F.H.S. student William Wright is among 10,000 of the highest scorers in the nation on the National Merit Scholarship Qualifying Test. This test was given in over 14,000 high schools last April 29. The 10,000 semifinalists who scored 479,000 or more, and thus moved a step closer to an estimated \$5 million in merit scholarships to be awarded in the 1958-59 program. Wright is now facing another rigorous three-hour examination, the Scholastic Aptitude test of the College Entrance Examination Board, which will further substantiate his scores on the N.M.S.Q.T. This second test will be given in testing centers throughout the U.S. December 6, 1958. If Wright repeats his high scores on this second test, he will become a finalist in the competition. About May 1, at least 735 fortunate young people will be named the Merit Scholars of 1959. They will receive a Merit Scholarship which is a four year award covering the four undergraduate college years, and each award carries a stipend tailored to the need of the individual winner. Minimum awards for students who have no financial need, are \$100 a year. Maximum awards, for student who have been determined to have maximum need, are \$1500 a year. The Merit Scholarship Program is now in its fourth year. It was founded in 1955 with grants of \$20 million from the Ford Foundation and \$200,000 from the Carnegie Corporation of New York. Over 2,300 of the nation's most able students are now holding Merit Scholarships in about 32 colleges. Nearly one million high school students have been tested in massive talent hunts. The competition is open to students in any public, private or parochial high school in the U.S. and possessions.

Seniors Select "Lost Horizon" For Staging

"Lost Horizon" has been chosen as this year's Senior Play. The play was chosen Thursday, October 2 by the reading committee. On the committee were, Carol Paski, Barbara Garrard, Wanda Barner, and Barbara Sileschko. The play is based on the famed James Hilton novel of the same name. "Lost Horizon" centers around a small group of people who are stranded and taken by plane to a desolate spot somewhere in the Himalaya Mountains. This spot turned out to be paradise beyond description, Shangri-la. Each sought to discover the mysteries of this new-found paradise. Some discovered that of their discontent, while others found happiness. One of the secrets of the place was long-life. On this, hinges the merit of the play. Its romantic setting, its unusual characters, the unusual events make "Lost Horizon" a classic. Exits for the play will be held tonight and tomorrow night, October 9, 10, at 7:00 p.m. in one of the music rooms. There are parts for seven girls and seven boys.

Six Attend "Cheer" Camp

Six Farmington Senior High cheerleaders attended Cheerleaders Camp at Brighton this summer. Those who attended were: Marjorie Lam, Martha Berling, Pat Cobb, Evelyn Harris, Regena Garner, Judy Filmore. At camp the day started at 7:30 a.m. with breakfast from all over the United States, and a night new cheers out-doors. The cheers were led by counselors who were college cheerleaders from all over the United States. After lunch, activities included stunts taught by the only male college cheerleader attending camp. The activities were highlighted by a stunt party given one night for which the parents were invited. There were three dorms which were for the girls during their stay at the camp. Although the camp was located on a lake the weather was too cold for any water activities. The only misfortune was when Judy Filchowski came down with the measles on the day they were to return home.
