WOOD-DECKED PATIOS GET THE nod over concrete patio decks recently was read by William Sheehan. A good attendance was reported. Concrete absorbs and reflects heat of the sun, making such decks too hot during the warmer days. Wood decks are much cooler and do not retain the heat of the sun.

### Tennis Club Back in Action

Tennis Club activities started Tuesday, September 30. This is a club for junior and senior girls. Practice sessions will be held in the gym until cold weather sets in or it rains. Then Tennis Club will be discontinued until next spring.

If possible, trips will be made on Saturday mornings to parks, so the members can learn to play on tennis courts. Miss Rita Pieron, sponsor of Tennis Club, said, "I'll be glad when we get our own tennis courts."

The members of Tennis Club are Mary Burley, Shirley Bolus, Janet Bolere, Irene Decosta, Carol Dustin, Bonnie Gale, Judy Hahcht, Sharon Hansen, Margaret Hanson, Sharon Holstrom, Nancy Irwin, Connie Johnson, Ray Hessler, Sherry Liess, Karol Lell, Barb Lord, Virginia Maatla, Kathy Pyroia, Sue Radebaugh, Ann Ridings, Kathy Snyder, Sally Soules, Sharon Watson, Susan Weaver and Judy Westfall. New members will be welcomed. M.H.C.

RIVALRY was keen last week on the Farmington High gridiron as the Farmington Junior High and Dunckel Junior High football teams met in what is becoming a traditional community battle for the "Little Brown Jug." Taking a firm grip on the jug prior to game-time showed their determination to walk off with it were the co-

captains of the two teams. At left are Dunckel co-captains Terry Kemp and Bob Drummond. At right are the co-captains of the Farmington Junior High team, Jim Anderson and George Becker. For the second year in a row, the Dunckel team came out on top. They won 9-6.

### CHS Thinclads Chalk Up 5th Straight Win

With West Bloomfield as the latest victim, the Clarenceville High cross country team has a string together five straight victories for a perfect season to date. They won 29-30. Coached by Mr. Jim Leggy, the C.H.S. distance men have a veteran Bentley, Milford, Detroit Lutheran W., Garden City and now the Lakers. In that order, sophomore star Jerry Dowdy led the Trojans home in their latest win, although he had to be content with a second place to W. Bloomfield's Steve Rogers who joured the two-mile-plus course in 11:44 minutes.

Merton Roberts of C.H.S. finished strong behind Dowdy, the third Jerry Bob Leads further helped the winning cause with a fourth place. Rounding out the C.H.S. victory score were Chevinne 8th, Rutlia, 8th, and Tuthill, 10th. The Trojans fourth victory against Garden City was ran in a driving rain and they won it 28-20.

Facing the Trojans was Senior Bob Leads who came in second. He was followed by Mert Roberts, junior, third, and Jerry Dowdy, sophomore, who came in fourth. Other Trojans placing were Ken Sitars, 7th; Phil Chovanec, 10th; Dave Rutlia, 11th, and Don Tuthill, 14th.

The Junior Varsity team also ran but they lost by a score of 30-22. In cross country, the low scorer is always the winner. The runners placed in order were: Jerry Lawson, second; Walter Kent, fourth; Bob Crosskey, eighth; John Miles, tenth; and John Stredien, twelfth.

### Will Sell Rockets Booster Buttons

Beginning Friday evening, October 10, orange and black football jerseyed boys will be seen circulating throughout the city and township of Farmington on a door-to-door sale of Farmington Rockets Booster buttons.

The League officials advise parents' youth and entertain them through the week end, in an effort to raise operating funds for the Farmington Junior Football Association.

The initial year's cost, as in any organization, is quite high as there is no last year's equipment to use this season. Start-up from scratch, several thousand dollars will be expended before the season is over, according to the officers.

Certain expenses will always exist, but this year will be the toughest, and therefore the league is asking the help of the local citizenry in destroying their time and skills to help. The practice sessions and games provide wonderful recreation and training for Farm-boys to get the league started. This non-profit corporation is for both young and old, receives no direct financial aid. You are urged to meet these from either tax monies or charitable contributions to get the league started. United Foundation or Community Chest, then turn up at the City Park City Chest.

It is understood that certain wonderful work your small contribution is doing for your community. There is only one through the youth of your community," an official spokesman of Farmington, and only one such Boys from all over the town-solicitation.
