

Today, says the American Petroleum Institute a gallon of gasoline moves a ton of automobile 18 miles further than in 1950 and a gallon of gas (excluding taxes) is 18 per cent cheaper for the work it does than it was in 1930.

### Westbrook Fair Set Saturday

The Westbrook School PTA and Mothers' Club have now completed plans for an All School Fair to be held Saturday, October 18.

There will be the usual mid-way attractions including clowns, concessions, a fortune-teller, games, a cake-walk, a pick-a-pocket, country store and refreshments.

The fair will start at 1 p.m. and continue until 8 p.m.

The Westbrook school is located on Osmus Street.

### Westbrooke Manor CAROL PASKI GR. 4-5321

Former residents of Westbrooke Manor, Mr. and Mrs. Bob Miller and daughters, Cindy, Dawn and Roberta from Cleveland, Ohio, stopped by for a short visit at the James Brown home on Nottingham, two weeks ago Saturday.

After bowling last Friday evening, eight members of the Westbrooke Manor Association Bowling League got together at Mr. and Mrs. O. Fyvalko's home for a little snack and enjoyed shuffle board and games in general.

### OLS Wins Over Trojan JVs Overly Eager

Fifteen penalties and 60 minutes of play after the opening of their first game, the Clarenceville J.V.'s have been beaten by South Lyons, 19-6.

Coach Lee Kempf viewed the loss as primarily the fault of his club's extreme eagerness. Most of the fifteen damaging penalties were called against the Trojans for being offside.

Clarenceville's touchdown was scored by Bob Gilmore but the extra point attempt was missed.

The game held even during the first quarter, but in the closing minutes of the second quarter, Tom Wade of Sorrows finished a 40-yard series with an end run to score the first touchdown. John Urban added another in the third quarter with a 40-yard reverse, just in time to keep ahead of the only St. Agatha tally.

The next time in scoring territory, late in the fourth quarter, Mike Sutter, Sorrows' sophomore fullback, drove through the Aggie's line for the third touchdown.

The trophy will "rotate"—that is, will stay with the latest school to win a game in any of the sports the two schools compete in.

### Little League Grid Teams Edged By Jays; Play Improved Ball

The freshman and Varsity Farmington junior football teams football games both lost by narrow margins to the Southfield Jayhawks last Saturday.

The junior Varsity team played aggressive offensive and defensive football and since the preceding game had added an effective short passing game.

The game saw-sawed back and forth and finally ended with Southfield winning 6 to 0.

Freeman, a bruising fullback for the Rockets and Plum, a swift halfback and fearless tackler, were outstanding for the home team.

Next Saturday, October 18, at 1 p.m. the Rockets will take on the Grand Pointe Woods on the gridiron located in the Farmington City Park.

This is the last of the regular season home games through a post-season game is contemplated later.

The grass next door may be greener, but it's just as hard to get. That is one reason why many homeowners with yards where grass grows poorly, are converting these unsightly spots into wooddecked patios.

Though the hustling Jayhawk team didn't make the conversion, they didn't need it as they were able to hold the Rockets scoreless.

### Hint Van Dyke May Drop Out

Unofficial announcement has been made that Van Dyke, a member of the Inter-Lakes Conference, is making plans to drop from the six team league.

Official resignation is expected at the annual league meeting which will be held November 17.

Population growth at a slower pace than other conference school areas and transportation problems were given as the reason for Van Dyke's expected resignation action.

A new member school will not be considered until an official resignation has been filed by Van Dyke.

### State X-Country Meet Set Here

Farmington will again this year play host for one of the four State Regional Cross-Country Track Meets for Class A and B schools to be held Saturday, October 25.

The meet will be held at the Farmington Country Club with 14 Class A and 18 class B schools taking part.

The Class B meet will start at 10:30 a.m. and be followed immediately afterward by the Class A runnings. John K. Cotton, chairman for the regional meet here, stated.

### 200,000 Seek Special Deer Season Permits

About 200,000 applications for special season deer permits were received by the Conservation Department.

Hunters are applying for 55,601 available permits.

All but four of the 24 lower peninsula areas were filled by October 7, and four of the 13 upper peninsula areas were filled by that date, Conservation officials said.

### Back Savers

One outstanding chiroprapist says women have less back trouble when they live in homes with wood framed floors. Wood has a much more resilience than concrete slab floors, and has a certain "give" which takes the shock of the spinal column and leg muscles.
