With proposals to incorporate two cities from with in the township loadly beaten at Tuesday's election, if appears Farmington township is in no immediate danger of being spilntered into many communities. Even the proposed Village of Woodcroft, the area which at the primary defeated annexation to the City of Farmington, may not materialize. Should this fail the township would be left intact.

VOTING DID NOT reach totals earlier hoped for The traditionally Republican township gave Bagw 3,612 vote compared with 2,768 for Williams. The was heavily Republican, with 1,411 for Bagwell
