College Quartet To Sing Mon.

The Reverend Donald Byers of South Bend, Indiana will bring a quartet team with him Sunday night at the Forest Hills United Methodist Church on Twelve Mile Road near Orchard Lake. Byers and the quartet will sing at the 10:00 a.m. service. The quartet consists of Bethel College of Mishawaka, Indiana. Bethel College is a United Methodist church school specializing in training public school teachers. Although the school is highly accredited and the campus is one of the most attractive in the Tri-State area, tuition and living costs amount to about half the usual costs. Besides taking charge of two evening services on January 25, the team plans an informative gathering in homes to answer questions of parents and the youth interested in the college. For information, about any of these three services or considering the school, call GR. 4-3524.

Antioch Luth. Install 3 New Councillmen

During the morning worship services last Sunday at Antioch Lutheran Church, Robert Miller, Steve Sanabath, and a Duffay Strombeck were installed by Pastor Henneberger for a three year term as deacons on the Council of Antioch Evangelical Lutheran Church, the United Lutheran congregation in Farmington. They were elected during the congregation's first annual meeting the preceding Sunday. Retiring councillors who served for a one year term were John Helgert, Brandt Nelson, and John Starkey.

Another matter of extreme importance voted upon and approved at the congregational meeting was to accept a proposed plan of financing by the Board of American Missions whereby the congregation could begin construction of a first unit on their building site at Farmington Road and Thirteen Mile next fall.

Evening Church Hours Changed

The time of evening services at the Forest Hills United Methodist Church has been revised. On Sunday evenings the Youth Fellowship and Junior Fellowship meets at 6:00. A church choir is in training at this time also. The Sunday evening gospel hour now begins at 7:00. On Wednesday the Prayer and Bible Study meets at 7:00 p.m. simultaneously with the Junior Cadets. The Cadets are learning Bible, civics, handicraft and archery. They are also earning their tuition at Summer Bible Camp. Many local youth will attend camp this summer free of charge.

Salem Church To Dedicate New Addition

On Sunday, January 25th, at 7:30 p.m. the people of Salem United Church of Christ (formerly Evangelical & Reformed Church) invite friends of the community to share in the joy of dedicating a new addition to the Church.

The new unit provides Sunday School classrooms, nursery, choir, pastor's study, kitchen, fellowship hall and choir room.

The unit was designed by the Charles Hansen Architects constructed by the Kruse General Contractors, Packard and Propp electrical contractors, MacDonald Mechanical Contractors.

In addition to the new unit much of the existing building has been renovated. Most of the work of renovating was done by the men of the Church. The old parsonage was removed to provide space for parking.

The Salem congregation is one of the oldest in Farmington having been organized in 1876. The Church building was erected in 1902. In 1925 a Church Hall was added to the building.

Lloyd and Edith Hagglestein of Crystal Spring Court entertained Mr. and Mrs. Bernard Held and Mr. and Mrs. Joe Keith from Birmingham and Renald, respectively Saturday night. After dinner, they relaxed and played cards.

MRS. BERTHA ANDERSON was the welcome guest of her daughter and son-in-law, Madge and Lorin Schultz, for three weeks around the Christmas holidays. She flew up from Indianapolis December 13 and flew back last week.

Diane Rutherford of Westmoreland Drive entertained eight girls at a skating party Friday night. Her guests were Susan Fisher, Susan Grace, Sue Kirby, Susan Cosmescu, Diane Szalma, Judy Biri, Donna Lihart and Sharon Bowman. After an hour of ice skating, the girls returned to the house for cake, pizza, hot chocolate and chips. The rest of the evening was spent gossiping and playing cards.

BILL FREEMAN of Crystal Spring Court is presently competing in speed skating tournaments. Bill, a member of the Detroit Speed Association, started the year with a meet at Fairview Field, January 4. He took 2nd in the 220, 1st in the 440 and 2nd in the 880. This wasn't too good enough, however, so he lost the meet to Roger Cady from Bay City, by 1 point. January 10 at Midland; Bill and Roger tied for the meet trophy. He got 2nd in the 220, 1st in the 440 and 2nd in the 880. Sunday the 11th, he lost the Bay City Meet to Roger, 1-15. He won 1st in the 220, 2nd in the 440 and 2nd in the 880.

Last Saturday, January 17, Bill did real well at Maric City. He won 2nd in the 220, 1st in the 440 and 1st in the 880, thus taking first place in the meet and receiving a trophy. Sunday he had a little bad luck as he fell twice and was only able to take 3rd in the 220, 4th and 880, at the Wyandotte Gold Cup Opens. January 24th and 25th Bill will be skating at Peconic.

Michigan's Factories, Farms and Stores Depend on Trucks

Manufacturing, farming, the retail businesses—all have one thing in common: each needs transportation facilities.

And, since the motor truck provides fast, flexible, direct service unequalled by any other form of transportation, more tonnage is shipped by truck in Michigan each year. (Nationally trucks haul more than 3 times as much tonnage as all other systems combined.)

Every truck you see on the road is working—working to help keep Michigan's economy humming, to help keep employment and sales high. There isn't a corner of the State that isn't served daily by trucks. And factories and shopping centers can be located anywhere and be assured of efficient truck service so long as they're on a road.

You see how vital trucks are to Michigan.

Cub Den Visits The Enterprise

In conjunction with studies on printing now being done by the various Cub Scout units, members of Mrs. Foster's den visited The Farmington Enterprise printing plant last Friday.

They were taken on a complete tour of the building and shown the various and numerous steps that are necessary in getting material published in a newspaper.

Boys visiting the plant, under Mrs. Foster's supervision, were Mark Wood, Robbie Brown, Greg Dix, Paul Andre, Mark Foster, Balton Foster and Mike Garwood. Unable to attend were Greg Derav and Don Hooster, Jr., other members of the unit.

A great business success was probably never attained by chasing the dollar, but is due to pride in one's work—the pride that makes business an art.
