Awrey Bakeries Store Opened At Farmington Hills Market

A new Awrey Bakeries outlet has been opened at the new Farmington Hills Market at 2123 Orchard Lake Road, just north of Ten Mile Road. A complete line of Awrey baked goods will be offered, the same as the high quality products offered at the other 150 stores in the Awrey chain, a spokesman for the company said. Featuring 125 varieties of baked goods will be offered each day.

During the opening celebration, gifts of half-dozen fried cake doughnuts will be given with each purchase of 20 cents or more. "This is another addition to the many fine quality products offered at Brenner's market," proprietor Harry Brenner said. Awrey was founded in 1910 on a principle of quality and it is this simple premise which has been largely responsible for Awrey's present stature in the baking industry, the company spokesman said.
