## Saturday Art Classes for Grade School Pupils to Start April 18

The Extension Service of the Detroit Institute of Art, in co-operation with the Farmington Public Schools, will sponsor two Saturday classes for children in the Farmington area beginning Saturday, April 18.

Both classes will meet at Farmington Senior High School on Shawwassee. The first will be for 5th and 6th grade students and will meet at 9 a.m. for two hours. The second will meet from noon 12:00 until 1:30 p.m. and will enroll only 3rd and 4th grade students.

Both classes will be under the supervision of William McGonagle, coordinator of the Extension Services of the Detroit Institute of Art. The facilities of the Institute will be available to the class. Art items will be brought from the Institute to motivate and interest the participants in art appreciation and workmanship. The child to enroll need not be a talented student. Robert Benjamin, Farmington Elementary Art Coordinator, stressed this point. They are all to be welcome.

Cost to the student for the five meetings will be \$5.00 to cover the cost of supplies and an instructor. Registration forms for the course are being sent home with children in grades three through six of the Farmington schools this week. They are also available from the Farmington Board of Education office or the Extension Service of the Detroit Institute of Art. Advance enrollment is necessary, and no transportation will be furnished, Benjamin said.

"It is hoped that participation in these classes will warrant a complete range of classes for children in grades kindergarten through twelve being offered during the summer months," Benjamin concluded.

DISCUSSING the progress of their committees in plans for the seventh annual Marygrove Family Fiesta are two Farmington girls, Judy Jagrowski (left) and Mary Satory.

## Taking Active Parts in Planning Marygrove "Jazz International"

It will be "Jazz International" on the Marygrove College campus Saturday, April 18, as the Marygrove students present their seventh annual Family Fiesta.

Among the hundreds of Marygrove students helping with the Fiesta are three local girls, each of whom is on a working committee.

The three are Sharon McHugh, 3281 Eleven Mile Road; Judy Jagrowski, 2870 West 10 Mile Road, chairman of the ad-soliciting committee; and Mary Satory, 2408 Earl Court, head of the program committee. Sharon is a senior, the other two girls are juniors.

The entire family is taken in to consideration as the girls plan the day of entertainment. Youngsters 12 years old and under are invited to an afternoon program entitled "Musical, Mother Goose." This Junior Fiesta, as it is more formally named, will feature booths, games, contests and refreshments especially designed for the younger set.

During the evening hours, 7:00 p.m. to 12:30 a.m., the activities are planned for adults. The theme of Jazz will be followed throughout the campus, where a variety of entertainment has been scheduled.

Novelty booths will highlight Jazz of the various countries in their titles and decorations. "Al-ice in Jazz Land," a musical story of the progression of international Jazz, is the title of the floor show to be given in the college auditorium.

Refreshments will be available about the "Jazzgrove Fiesta," for the campus cafeteria will be transformed into an old-time musical excursion booth. For those who would like to take time out to dance, there will be ballroom dancing in Alumnae Hall, beginning at 9 p.m.

In addition to providing a day of family entertainment the annual Marygrove Fiesta also gives the college students an opportunity to help their fellow classmates and perhaps even themselves. Proceeds from the benefit affair are used in several ways.

This year more than 50 girls are attending college aided by one of the many partial scholarship grants covered by Fiesta proceeds.

Student Council and convention delegates expenses are also provided from this source. This year the girls to take a more active part in college government on a student level, not only at Marygrove but with national student organizations. Various campus improvements also benefit from the Fiesta.

The incoming officers are: Exalted Ruler Pat Buttermore with the assistance of Past Exalted Ruler Al Tillin and visiting officers from Plymouth, Royal Oak, and Detroit Northwest Lodges.

Retiring Exalted Ruler Ken Johnson was presented with a Past Exalted Ruler's pin from the members of the Farmington Lodge.

The incoming officers are: Exalted Ruler, Exalted Ruler; Bob Holbeck, Leading Knight; Lou Abbott, Loyal Knight; Billy Hicks, Lecturing Knight; Fred Curcio and Dave Dewar, Trustees; Joe Brodie, Secretary; Paul Groff, Treasurer; Bill Crichton, Tyler; Bill Hauck, Esquire; Tom Needham, Chaplain; and Eddie Michaels, Inner Guard. These officers, plus Vic Vickers, Bill Everhart, and Al Tillin who continue as Trustees, will remain in office through March 1960.

The chairman of the Lodge Committees will be appointed by Exalted Ruler Madigan at the next regular meeting.

## Lindsey Foster Funeral Today

Lindsey H. Foster, a resident of Farmington for the past five years, passed away on Monday, April 6, in the Pines Convalescent Home following an extended illness.

Foster was born July 15, 1872, in Crockett, Texas, the son of William J. and Jane Fraser Foster. He was united in marriage on April 7, 1896, to Mary Elizabeth Davis who preceded him in death in 1948. Foster was a retired insurance salesman.

Funeral services will take place on Thursday at 2:00 p.m. from the Thayer Funeral Home with Rev. Richard T. Markham of Farmington First Methodist Church officiating. Interment will be in the North Farmington Cemetery.

Surviving are three daughters, Mrs. Sadie Miller and Mrs. Helen Walkley of Farmington and Mrs. Helen Hewitt of Ridgewood, New Jersey. He also leaves a brother, James Foster, of Thermal, California, ten grandchildren and three great-grandchildren.

The McGinnises got back from Wisconsin Sunday where they had been for the funeral of Ma-cie's father. He could not recover from the frozen limbs gotten that cold night he wandered out. We all extend our sympathy.

Aileen Dornan, with Mike and Bonnie, flew down to Gulf Stream, Florida, March 24th. It was Mike's spring vacation period and they had some really wonderful weather down there. The children swam and rode horseback and Aileen swam and enjoyed the beach. There were also a number of friends of previous years for Aileen to enjoy. Easter Sunday a group of ten children went to the Boca Raton Hotel and all enjoyed the dancing very much. Aileen went to a cocktail party and buffet supper given by the Russell Firestones 2nd in celebration of their fine new home in Boca Beach. She also went to the Royal Poinciana Play House at Palm Beach to see a very fine original ballet called "The Princesses." They went deep sea fishing with Dr. and Mrs. Combs of New Jersey and their two boys. Mike got several fish on his line but a shark was staying close by the boat to eat any fish caught before they could be landed so the only thing they had to show for five hours fishing was a 32 lb. barracuda. They returned to Wood Creek Saturday.

THE THURESONS also got back Saturday from another five weeks at the Sea Chest Apartments, Treasure Island, St. Petersburg. They flew down March 2 taking their three granddaughters with them. Linda celebrated her 10th birthday while there; Katie will be nine May 1 and little Peg is 8½. To speed up the sunshine except for the five days of steady rain they had just after the middle of March, she also enjoyed some Frank-lin friends who were down there. Art had to return to Detroit for five days in the middle of their vacation but he had the first and last two weeks there. His new twin engine Cessna was delivered to him while there and he was given some time flying it but, unfortunately, there wasn't enough time to finish the training period so he could fly it back to Detroit.

Tin cans are not really made of tin. Contrary to general belief, tinplate is composed of less than 1 per cent of tin—the rest is steel.

### Doc Didn't Pull His Punch

The other day Doc Williams got to talking about one of his patients.

"This fellow had a bad tooth," he explained, "but I told him I could save it with a few prompt treatments. Then, after that one visit it was six months before he came back."

"This time," Doc said, "his cheek was all swollen up. It's that same tooth," he said. "Think we can save it? Sure, I said, after I take it out you can put it in your pocket and take it home with you."
