Magic— Easy Does It

Little Pinky Roberts was so fond of her two baby rabbits. Easy didn't have the heart to tell her they had run away. "Just had to replace those rabbits before Pinky come home from school," Easy said. "Trouble was the only two available were full grown. I figured they'd have to do," he went on, "so I just hoped for the best. Then, when Pinky saw the rabbits she ran into the house, yelling, 'Wait! I see my rabbits! Those gittens made them twice as big!'"

THE LARK BY STUDEBAKER

➤ Come in and drive The Lark—compare it with any other car for value. You'll find The Lark stands alone. ➤ SIZE—three feet shorter than conventional cars, yet room for six in spacious comfort. ➤ SAVINGS—The Lark costs less to buy, far less to operate—lowest of all insurance rates, far lower gas and maintenance bills. ➤ ENGINEERING—skilled Studebaker craftsmanship plus spirited "6" or super-powerful V-8 performance. ➤ STYLING—so fashion-right, it's approved by Harper's Bazaar. Wrap-around view of the road, Sapphire-Enamel finish that needs no waxing, handsome interiors in practical vinyls. ➤ Small wonder Lark sales are way up (fastest rising sales curve in the industry).

The LARK's amazing gas economy was recently proved in the Mobilgas Economy Run when The LARK V-8 equipped with automatic transmission, outscored all other V-8's by delivering 22.98 miles per gallon. The LARK "six" turned in even better mileage. The LARK is available as a 2 and 4-door sedan, station wagon and hardtop. Overdrive also optional on all models.
