

Left: You enter the blue and lilac sitting room at ground level, look out through the opposite window into the tops of the trees below.

The original house—like the venerable maple overhead, it has gone far since the wilderness was cleared in 1784, but all the additions have been carefully planned and keyed to its dignity and simple charm.

One of the new wings—note the treatment of the picture window, to make it suit the style of the house.

Above, the front facade. "Topline Farm" had six small rooms when Mrs. Wheelan bought it—now there are twenty, filled with air and light and flowers, and beautiful views into her gardens and over the distant hills.

1. Germicidal protection! Norforms are safer and surer than ever! A highly perfected new formula releases anti-septic and germicidal ingredients right in the vaginal tract. The exclusive new base melts at body temperature, forming a powerful protective film that permits long-lasting action. Will not harm delicate tissues.

2. Deodorant protection! Norforms were tested in a hospital clinic and found to be more effective than anything it had ever used. Norforms are
