SAT. DEC. 5, 5:00-9:00  
SUN. DEC. 6, 9:00-6:00  
OUR LADY OF SORROWS  
BAPTIST ASSOCIATION

A POSTER contest was held recently at Our Lady of Sorrows school to obtain posters with which to advertise the Christmas Fair. The winners of the church's Altar Society are giving December 5 and 6. Proudly displaying their winning posters in the front row, left to right, are the grade school winners Sandra Schneider, 2nd prize; Mary Lou Abbey, 1st prize; Carol Ann Paul, 3rd prize. High school winners in the back row, left to right, are: Agatha Koscielnak, 3rd prize; Jeanne Lavery, 2nd prize; Harry Abbey, 1st prize. The Christmas Fair will be held in the assembly hall at Our Lady of Sorrows High.

**St. Mary Hospital Open Houses Slated**

St. Mary Hospital on Five Mile and Levan Roads in Livonia, a modern structure, comprised of five floors and a basement, will open for service to the public early in December.

The administration of the hospital is under the Felician Sisters, who at the present time number about 400 in the United States. The ideal of these Sisters, "Love for all mankind," has come through in the drive behind the success of the building of the new hospital. Founding and administering hospitals is not new to these dedicated women, for St. Mary Hospital is the twelfth to open under their direction.

Work on the \$3,500,000 structure was started in April, 1958. THE CROSIER shaped hospital, with a capacity of 180 beds and 42 basins, will comprise spacious offices, medical library and record room. The nursing departments will be divided into medical and surgical units; the latter including operating and recovery rooms. The obstetrical section with labor and delivery rooms, in addition to the regular nursery, will host premature and suspect nurseries as well as a formula suite. The pediatric department will be a separate unit for the care of sick children.

Service divisions cover dietary, housekeeping, mechanical and employee facilities as well as storage and laundry. Other services will be covered by pathology, radiology, physical therapy, pharmacy and an emergency department.

For the convenience of all, the hospital will provide a chapel, daily mail distribution, telephone radio and television service, as well as a large parking lot.

Every phase of medicine and surgery will be covered by a staff of 110 doctors.

THE LAY Administrative Advisory Board, headed by Mr. W. E. Edgar, has given a large measure of assistance in various ways since its inception in 1958. Other active volunteers in connection with the hospital are members of the St. Mary Hospital Guild, women who come from every walk of life. The Guild was organized by the late Mrs. Mary Roach. Mrs. Dorothy Arnold succeeded Mrs. Roach as President of the Guild. An important aim of the Guild members is to finance the gift and coffee shop in hospital lobby. On September 26 and 27, a highly successful bazaar at the Detroit Race Track, at Schoolcraft and Middlebelt, netted the Guild bank account to the tune of over \$14,000. The first newcomers born in St. Mary Hospital will have not only the advantage of sparkling new equipment, but will be in line for prizes donated by Livonia business folks. John's Livonia Hardware has a shiny new baby scale for the first baby born. The Bank of Livonia will present to the first newborn a \$100 Series E Bond, and to each of the next five infants a \$25.00 Bond.

A CORDIAL welcome is extended to the people of the five community to attend the Open House on November 22 and November 27 from 1 to 9 p.m.

Looking into the future, the administrator and the Board of Trustees see a 350-bed hospital, a psychiatric department and other extended services, geared to meet the needs of the growing community. Families may look with confidence to St. Mary Hospital. Staff to carry on the tradition of "love for all mankind."

**Antioch Luth. ULCW Active**

The United Lutheran Church Women of Antioch Evangelical Lutheran Church are now meeting twice each month.

There is an evening meeting Wednesday of each month and an afternoon meeting on the same day. All meetings are held in the homes of members in the Kendallwood area.

The group coordinates all the work performed by women in the congregation. This includes: work of the altar guild, nursery work, visiting, driving, secretarial assistance and serving at all the church's social functions.

In addition, the organization sponsors an educational program for its own members and make Christian literature available to the whole congregation at a minimum cost.

Making "sunshine bags" to be distributed in hospital charity wards at Christmas time, providing Christmas gifts for three children placed in foster homes by Lutheran Social Service of Michigan and having showers for infants in the care of Lutheran Social Service is but some of the charitable projects undertaken by the organization.

The Antioch ULCW group are a welcome to all. For further information call President Rita Jones, GR. 4-8238.

**New Church Is Dedicated**

Prince of Peace Lutheran church, Missouri Synod, formally dedicated its new house of worship last Sunday afternoon. The church is located on Market road, east of Farmington road near 12 Mile.

The congregation and guests remained on the church porch while the ceremony of acceptance took place. The builder delivered the church key to the president, William Hagen, who then unlocked the door. A church service followed.

The choir of Faith Livonia joined the choir of Prince of Peace church for the dedication service.

Rev. Robert Grunow, Rev. Oscar Gerkin and Rev. Richard Jesse were Lecturers during the dedication service. Speaker was Rev. Louis H. Kuehler, vice president of the Michigan District of the Lutheran church.

Divorce worship sessions at Prince of Peace are held at 10:30 a.m. and Sunday School begins at 9:15 a.m.

**Clergy Plans Traffic Safety**

Traffic Safety Sabbath, a time for rededication to moral responsibilities by each individual driver, has been called for by a state committee of clergymen representing the Catholic, Jewish and Protestant faiths.

By official proclamation, Gov. Williams has designated the weekend of Nov. 15 for the state-wide observance, the sixth such annual event.

The special clergyman's committee is concerned with the serious increase in the number of injuries and deaths stemming from traffic misdeeds. It is not the purpose of the program to cut down accidents in only one weekend. Instead, the hope is to enlist the clergy of all faiths in a year-round program of teaching and preaching safe driving.

The Golden Rule, basic to all religions, is a "must" for all automobile drivers and it will be this theme that Traffic Safety Sabbath will attempt to convey. The clergymen are planning to maintain their efforts throughout the year.

**YOUR SILENT SERVANT**

**"Lung" Checkups Keep Gas Meters Accurate**

Your gas meter is similar to a healthy lung. It actually goes through the motions of breathing-inhaling and exhaling gas by means of little diaphragms of leather or plastic. At each intake of "breath," the meter registers how much gas is consumed.

The "lung" and other vital parts of your gas meter are regularly inspected to insure accurate measurement of gas consumption. More than 300 gas meters a day go through the scientific test and repair cycle at Consumers' General Meter Building in Jackson.

Here, gas meters are tested, adjusted and repaired. Even new meters, fresh from the manufacturer, must undergo rigid tests before going into service. Only a meter of demonstrated accuracy is permitted to measure the gas that serves you.

Only GAS does so much, so well... the modern fuel for automatic cooking... refrigeration... water-heating... house-heating... air conditioning... clothes-drying... incineration.
