Fellowship Day Service May 6

United Church Women of Farmington will take part in the Worldwide observance of May Fellowship Day on May 6th with Mrs. G. Mennen Williams as principal speaker.

The first Friday in May is traditionally observed by United Church Women as May Fellowship Day. It is a time when Christian Women unite locally in Farmington for Fellowship and action to become a working part of the ecumenical movement in the Community.

It is right here in Farmington that Church Women must start to take responsibility for the kind of world in which they live says "Mrs. G. Mennen Williams" president of the United Church Women, and chairman of the May Fellowship Day program.

EVERY Christian Women is called if not required, to be an active participant in the affairs of government. It is particularly significant that the theme for May Fellowship Day in an election year place emphasis on free and responsible citizenship Mrs. G. Mennen Williams said.

The program will begin at 1 p.m. at North Baptist Church, 13 Mile Road and will be followed with a Tea. Hostesses will be Nothe Baptist Church and Orchard Methodist Church.

A large attendance is anticipated to take part in the observance. All are Welcome.

TRAVELING to Washington, D.C., recently to testify in support of Senate 2755 (Credit Labeling Bill) were credit union representatives from three different states. One of these was Donald J. MacKinnon of Farmington, official of the Our Lady of Sorrows Parish Federal Credit Union and the First Dearborn Federal Credit Union. He and other credit union representatives are shown here presenting information to Senator Paul Douglas of Illinois (seated), chairman of the Production and Stabilization Subcommittee of the Committee on Banking and Currency.

Grouped behind him (left to right) are Julius Stone, president of the Credit Union National Association in East Boston, Mass.; Mr. Donald MacKinnon; R. C. Morgan, treasurer-manager of the Government Employees Credit Union in El Paso, Texas; and Donald J. MacKinnon.

The bill would require lenders to disclose their finance charges in writing in terms of an all-inclusive true finance rate.

Mission Group Sees Slides

Eighteen people were in attendance at the regular April meeting of the Missionary Federation of the St. John's Lutheran Church.

Mexican missions sponsored by the life memberships and memorials committee of the organization were discussed. Letters from the national chairman and from Pastor Hazen of the Edinburg, Texas mission were read.

Of special interest to the group were the colored slides of a trip to Mexico shown by Miss Shirley Pearson of Detroit. Miss Pearson also provided much more information on life in Mexico.

The women welcomed Mrs. Grace Tesh, Mrs. Irene Staub and Mrs. Service McPhail.

Plans for the annual Mother's Daughter Banquet to be held May 6 were discussed. The Reverend L. H. Perner then closed the meeting with a prayer.

Browsing Through Farmington Hills

MRS. DAVID KRINGS GR. 6-0441

There has been a change in housing in the Farmington Hills, by way of Census taking. It was a most pleasant and interesting experience. I found people to be most courteous and pleasant, all awaiting my visit. This includes, too, the hundreds of small well-behaved children I encountered on my route. I was offered and accepted many a cup of coffee or tea, and was amused when I came to that rare household which did not have a dog or cat, or two or both! By having my own subdivision included in my area, I was able to meet many of my neighbors, whom I knew only by telephone before.

THUR MY enumerating I found that Kurt and Eugenie Hilson, have moved into the new house on Doherty Drive and their new next door neighbors in the Burgess home is the family of James Penrod which includes his wife Delphine and two year old daughter Sharon. Now living in the Lane home of Shadyridge are Louise and Anna Baird together with Mr. Robert Bowman, record-keeping artist, will speak on the Far East at both 8:30 a.m. and 11:15 a.m. Sunday, April 24th. Rev. Royal Peck of Italy will show pictures at 8 p.m. and speak at 7 p.m. Week-night meetings will be at 7:30 with the Rev. Wolfe Hansen of Cuba giving a report of recent developments in Cuba on Monday. Rev. and Mrs. Norman Hoyt of Africa will speak on Tuesday, Mr. Thomas Watson of Korea will speak on Wednesday, Carol Terry of India will speak on Thursday and Mr. Robert Griffin of Ecuador on Friday.

THERE WILL be colored movies or slides each night as well as recent reports of these lands by these missionaries who have just returned from them. On Tuesday, Wednesday, and Thursday nights there will also be a question and answer period.

Curios from various lands will be on display and greeters at the doors will be dressed in native costumes from various parts of the world. The sessions will close at 8:45 allowing people to get home early. On the final Sunday, May 1st, Rev. Ralph Odman of Latin America will speak in the morning and Dr. Robert Finley will speak in the evening. Dr. Finley has been working with students on the international scene for several years and will bring the Conference to a close.

World Vision Is Meeting Theme

The Southfield Community Church, 21222 Indian (between Beech and Inkster north of Eight Mile) will hold its twelfth annual World Vision Conference, April 24th to May 1st, according to the Pastor, Raymond Bayne.

Mr. Robert Bowman, record-keeping artist, will speak on the Far East at both 8:30 a.m. and 11:15 a.m. Sunday, April 24th. Rev. Royal Peck of Italy will show pictures at 8 p.m. and speak at 7 p.m. Week-night meetings will be at 7:30 with the Rev. Wolfe Hansen of Cuba giving a report of recent developments in Cuba on Monday. Plans for Short Sr. Trip Outlined

Plans for this year's senior class at Farmington High School take a weekend trip to Camp Tamarack near Orionville, Michigan rather than a longer trip as has been done by graduating classes in past years was outlined to the Board of Education recently.

Two few students wishing to go to the expense of a longer trip prompted this year's senior class to decide on a shorter trip, it was indicated.

Board members were in agreement that this was a matter to be decided on by them but expressed their approval of such a trip.
