Some of the Moms in Briar Hill had a special night out this week. On Monday, mothers of Brown's Troop 1059 were entertained at a Mother-Daughter banquet at the home of Lou Hatch, the assistant leader. In true Mother's Day spirit, the girls had prepared the entire dinner, decorations and favors—with a few adult quidding hands of course.

The dinner was a huge success and I never saw so many beaming faces as the girls gave their mothers their special bouquets they had made. After dinner we were entertained with a round of songs and completed the affair watching the girls receive their year pins. Congratulations go to Marion Palmer, troop leader, her daughters and of course, the Brownies, for a memorable evening.

Carla Andridge was guest of honor at her home on April 22 when she invited friends to celebrate her 5th birthday. On hand to welcome the beginning of a new year were, Colleen and Tina Patterson, Diane and Gail Denaro, Susan McCloud, Robin Rowe, Jeri Neumann, Gerry Lapla, D'Arcy General, and Debbie Newton. Carla's mother, Lucy, was in Lansing recently for the Founder's Day banquet of Beta Sigma Phi held at the Civic Center there. She is a former member of the Sigma chapter in Lansing.

DICK and MURIEL McNEIL greeted their neighbors after a 2 week visit in Florida. They did quite a bit of traveling to see friends in Jacksonville, Miami Beach and Hollywood.

Easter time found the Hug family enjoying the lovely spring weather and ocean waters of Virginia Beach. This was the first time Monica had been able to have a real visit at the home of her sister in 15 years. Washington, C. D. and the production of the famous "blossoms" were enjoyed by the Hugs' 4 children, Cynthia, Donna, Barbara Jean, and Jimmy. And as a climax to the vacation, on the homeward bound trip, they were awed and fascinated by the sight of seeing the top of a mountain lost in fire near the Bedford, Pa. turnpike.
