

Farmington Acres News

MARIE J. MILLER
GR. 4-2099

A happy (belated) birthday to Cathy Blatz of Meadowlark. Cathy celebrated her seventh birthday April 24. Those of hand who helped her eat the cake and ice cream were: Lisa, the sister Cindy, Susan, Poirier, Sharon, Brenda, Dawn Dix, Susan Sparrow, Karen Johnson, Dawn Taber, and Julie (whose last name was not available). Sorry we slipped up on this one. Cathy, next year we will be a little more on the ball!

April 20th, Marie Keefe of Meadowlark hosted a jewelry demonstration for neighbors. The gals, those who were present, Polly Lawrie, Sandra Schurr, Marilyn Truitt, Kay Hansen, Marten Plourde, Pat Thibault, Darryl Truitt, Senora Poirier, Joan McGavie.

and Pooch Haas. Dessert was served after the demonstration. Marie is "in training" to be a jewelry store. Lots of fun. Mr. and Mrs. Richard Eansor of Meadowlark were recently visited by friends from Canada. Mr. Don Reed from Toronto and Terry Ellis from Hamilton.

"THE HASTY HEART" was presented by the Farmington Players at the "Players Barn", 12 Mile at Powers Rd. (Friday) and Saturday, May 6th and 7th, and will be staged 7th day of Saturday, May 14th and 15th. Anyone who might be interested in attending may call Betty Young of Meadowlark, GR. 4-2241. Notes as this play is near sell-out. Betty has just a few tickets left. Also, if anyone is interested in joining the Farmington Players Group, they can call Betty.

We would like to remind all residents of the Acres to line up their baby-sitters for May 20th. That is the evening that the partially organized Suburban Association will hold their mass meeting. Everyone will receive a notice as to where and what time the meeting will be held. Hope to see you there!

Attention to all those who are in a hurry: Speed limit signs of 25 miles per hour will be posted throughout the subdivision before long. Also to be posted (at a later date because they were not readily available) will be "Slow" signs. Here signs - just to remind you that your own little toy might be out in the street among many others. So watch that speed foot on the accelerator!

I have had news - the other day on my bike is flat and I lost the key to my skates. Besides this, I have a huge hole in the sole of my shoe. What do I do now? Who can I call? I have two new neighbors that have not been contacted one on Law.

PTA Group Attends "Gasarama" Program

Michigan Consolidated Gas Company's award winning contribution to the education field, "Gasarama", was a presentation to members of Farmington Junior High PTA on May 10, at 3:00 p.m. The dramatic science show designed to encourage students to take a deeper interest in scientific subjects, won the top prize at the American Gas Association's annual convention. The production was headed by a cast of three talented employees who narrate the show: Miss Pat Yank, credit department clerk; David Fyffe, an instructor in the Company's training school; and Jack Secord, a technical assistant in the meter shop department. Behind the scenes, Roy Bishop, an engineering technician, manipulates "Gasarama's" unusual lighting, stage and sound effects.

Bill and Pat Morgan both celebrated wedding anniversaries last week. It was six years for the Latimers and eleven for the Morgans. To mark the observance the two couples spent a long weekend at Niagara Falls. The members of the Pinchot Club are reminded that the May meeting has been postponed one week and so will be held on May 19.
