Bell Makes Big Primary School Tax Payments
Michigan Bell Telephone Company announced its payment to the state primary school fund for 1959 was the largest in the company's history.
Amounting to a record \$13,919,389, an increase of nearly \$2 million over 1958, the company again paid Michigan Bell as the top contributor to the fund.
Hughes B. Brongh, manager for the company, reported that \$59,717 of the total tax payment was allocated to the public school system of Farmington.
Schools throughout Oakland County received from Michigan Bell's payment a total of \$1,088,350, or 2.68 percent of the county school census of 196,491, and the local school census of 8,834.
The tax payment amounted to a total of the 2,682,029 youngsters in the state between the ages of 5 and 19 who were on the census rolls for the 1959 school year.
The state primary school fund receives payments not only from the railroads, highway tax, Pullman tax, telephone and other telephone companies.

70 Couples Enjoy Prom
The class of 1960 at Clarenceville High School presented their Senior Prom Saturday, May 7.
"Bob Tide" the chosen theme, exemplified an under water setting. Nets were filled with shells, glittering fish were wall decorations and mermaid balloons hung from the ceiling.
Approximately 70 couples swayed to the music of Fred Netting and his orchestra. Punch and cookies were served and everyone had a marvelous time.
Chaperones for the evening were: Mrs. Pat Gould, Mrs. Kvoame Gale, Mrs. Pat Vernier, Mr. and Mrs. Lee Kempf and Mr. and Mrs. Al Jacobs.
