Wandering Thru Woodbine

ETHEL BEGIAN GR. 44759

The Woodbine Improvement Association meeting last Tuesday was a lively one with much on the agenda.

Present as guest speaker was Mr. Cantor, a representative of the League of Subdivisions Association. In his talk, Mr. Cantor outlined the basic purposes of the League. A question and answer period followed the speech. In answer to a question as to whether the League would take a stand on issues, the reply was that the League is set up not to take stands on issues, but to supply as much information as possible on issues to the individual member. Subdivision Associations.

THE ENTRANCE markers built last year by an efficient group of volunteers have been a great step forward in the improvement and enhancement of Woodbine. However, ever present has been the frustration of locating these attractive markers after dark while driving along the highway. Thanks to the efforts of the volunteers who put on dances and card parties, our Special Fund has now enough to have the markers installed on the markers.

There, will of course be a monthly operation cost for this lighting. The members present at the meeting voted for the Association to assume the cost of the electrical operation cost dependent on the successful result of a major percentage of the members, which brings us to the next topic of discussion.

As the subdivision has grown, so have the expenses of the Improvement Association. A look at the past year's expenses strongly indicates that the token amount paid for annual dues will no longer cover necessary expenses. This being the case, a vote was taken at the meeting to increase the annual dues. The members voted to double the present cost of annual dues. All present members of the Association know this is indeed a small increase.

All resident non-members are urged to snap up this bargain price for becoming an active member of a going organization. If you have not yet accepted the invitation to become an active paid member, please give our charming membership chairman, Jean Kiley a call at GR. 4-2111.

NEXT ON THE agenda was election of officers. The new officers are: President, Frank Hecker; Vice president, Ed Connors; Treasurer, Leif Laurson; Secretary, Dicie Bonner; Road Commissioners, Dexter Van Wicklin and George Prescott; Restrictions Chairman, Bert Holmstrom; (Mr. Holmstrom asked Oscar Pozar and Gerry Wangelists to serve on his committee. They accepted); Social Chairman, Barbara Cole; Membership Chairman, Jean Kiley; School Chairman, Neil Donovan.

The outgoing officers: Sam Begian, Treasurer, George Evangelista, Restrictions Chairman; Margaret Fody, Social Chairman; Mary Brosch, Membership Chairman; and Evelyn Staron, School Chairman were given a vote of thanks for their service during the past year.

The new officers are off and running with a meeting scheduled for Monday as this column is going to press.

On Sunday, May 1st, the following youngsters made their First Communion at Our Lady of Sorrows: Christy Hoelscher, Suzanne Kayko and Jeffrey Ploskonka.

Last week Wednesday the happy girls helping Karen Kirby celebrate her 9th birthday were Jean and Jane Patrick, Christine Erickson, and Lesley Smith.

GWEN WRIGLEY's mother and day, Mr. and Mrs. Gray Mar Safety Harbor, Florida have been enjoying a stay with Gwen and Dave.

Also up from Florida for a visit are Margot Thieleman's folks, Mr. and Mrs. Jeter of Clearwater, Florida.

Marion Hall was hoping to beat first prize as she arrived at the home of Dottie Dawson for the last meeting of the season of the Puddle Club. She was surprised when the evening turned out to be a Stork Shower in her honor. Sharing in the fun were Betty Blome, Madeline Erickson, and Betty Prescott, Connie Smith, and Gwen Wrigley.

Joyce Marie, new baby daughter of Mr. and Mrs. Chas. Marcell, was baptized last Sunday at Our Lady of Sorrows.

Katherine and Irv Harris have just returned from an enjoyable spring vacation. They flew to New York to visit daughter Kathleen who works for an airline in New York. While there, Kathy took them on tour to see the Rockefeller, St. Patrick's Cathedral, Statue of Liberty, etc. Irv returned home and Katherine and Kathy took

Servant Of The People

Now After MICHIGAN WEEK—with its emphasis on all of the things for which this great state of ours is famous, is a good time to consider the vital importance of the motor truck... Here is a servant of the people which does indeed serve everyone: the farmer, the business man, the retailer, the housewife, the vacationer, the boy or girl at school.

Everything you eat, wear, or use travels all or part of the way to you by truck. Yes, trucks are as much a part of Michigan as its vast productive capacity, its beautiful scenery, its great educational facilities, its fine people.
