Braves Win Three Games Now Share Lead In South

In South Farmington Little League action, Barthelme's Braves went on the warpath to win three straight games and share the league lead.

Behind the line pitching of Mike Wilson who limited the Cardinals to four hits while his mates unleashed a hitting attack against the Cardinals last Tuesday to rack up a 10-2 victory, Carl Misch led the Braves attack with a home run and a single. Wilson contributed two timely hits.

The Braves continued in their winning ways by clobbering the Tigers 14-5. Dick Jones, the Braves starting pitcher, and Chip Terry who relieved him received plenty of support all at the plate and in the field. Carl Misch was the big gun as he slammed out three hits including his fourth home run. Chip Terry cleared the bases in the third with a homer and another round trip in the fifth.

TIM BECKWITH, Dennis Mullen and Gary Vackey each contributed two safeties to the winning cause.

On the brilliant third hit pitching of Pat Kearney the Braves coasted to a 7-2 victory over the Orioles. Kearney fanned 14 opponents.

Classy Cubs Stay Unbeaten In North Ruth

The North Farmington Babe Ruth League had a busy schedule this past week with six games being played. Along with the regular four game schedule, two of the three games rained out the previous week.

On Monday the Cubs had their hitting caps on as they blasted out a big 16-5 win over the Pirates. The Cubs reeled up another victory Thursday as they showed great hitting strength once again by posting a 9-4 win over the Giants.

The Cubs continued their winning ways as they won two more games over the weekend, both by slim margins. On Saturday they beat the Pirates 4-3 and then came back Sunday to edge the Cardinals 3-0 to 1 to wind up the week's activity with four wins and no losses.

IN BOTH weekend games, it looked as though the Cubs' perfect record would be wiped out as they had to come from behind in both games to win. In Saturday's game they were six runs behind at one time and on Sunday they faced a 6-1 disadvantage in the score.

In other games the Pirates and Cardinals played an 11-7 ball game last Wednesday and the Pirates on the right end of the score.

Saturday's game between the Cardinals and Giants resulted in what looks more like a football score as the Giants outslugged their opponents and racked up a 23-22 victory.

Unlike Detroit Namesakes, North F'ton L. L. Tigers Are Roaring

Unlike their adult namesakes of today, the Tigers of the North Farmington Little League were the talk of their league this week. In three contests they dumped all opposition—the Indians 5-3, the Yankees 9-4 and the White Sox 7-6.

Doug Mills went all the way in the victory over the Indians, limiting them to six hits and helping his own cause with a double and a home-run in four tries. Bruce Hutchinson helped out with a single and a double in three at bats. Don Roble did fine stint for the Indians in holding the Tigers to only five hits but poor fielding and Miller's three-run blast were just too much.

IN THE OTHER win, Ricky Benninger and Ray Roberts shared mound duties, dishing out eight hits to each the Yanks and the Red Sox. In the Red Sox game the Tigers were again held to five hits, this time by Fritz Simons, but poor fielding helped their run total and they tied it again.

The Orioles played only one game this week but continued their winning ways and strengthened their hold on first place as the Indians dropped two of three games. They dropped the Yankees 6-4 behind Ron Martini who pitched a steady eight-inning. Jon Bond and pitcher Martini each contributed two singles in three attempts.

Kraig Carpenter pitched a seven-inning and stroked a single and double in three tries to lead the losers. The Indians dipped 3 little further from first place in losing to the Red Sox 2-1 and the Tigers as already described.

THEY FINISHED the week with a 7-3 win over the last place White Sox. Fritz Simons, 5,000 today.

Process 8,000 Boat Applications in Week

As record numbers of boat registration applications were launched into Lansing in mid-June, the Michigan Department of State last week processed more than 8,000 applications.

According to Secretary of State James M. Jare this is twice the weekly number handled a month ago and more than four times the weekly number handled in April.

The backlog on watercraft applications has been cut from the more than 18,000 which with a 7-3 win over the last place White Sox. Fritz Simons, 5,000 today.
