## Police Checking 2 B & E Cases

Two breaking and entering cases that occurred during the past week are being investigated by City Police.

Money was taken from the cigarette machine at Lynch's Service Station on 8 Mile and Farmington Roads Sunday and an attempt to break into the candy machine was also made.

The intruders gained entrance to the station by throwing a large piece of lumber through the window.

Early Tuesday morning "thieves" broke into Farmington Radio and TV and made off with five 17" portable TV sets and an Italian make portable electric organ. They gained entrance by breaking the large plate glass window in the front of the store, located at 30780 Grand River.
