KENBROOK STUDENTS are learning French again this year through the sponsorship of the elementary school's PTA organization. Mrs. David Wilson, of the

PTA, attended the session last week at Madame and Monsieur Jean Pierre Autchaud (L) prepared to call the class to order.

**Kenbrook Students Learn To Speak French Eagerly**

Comment allez-vous Madame? Tres-bien, merci. Et vous? This is an example of what first year French students at Kenbrook will learn. This experience is being shared by 83 children each Friday, in their French classes. Madame Autchaud is eager to make known that at this age (3rd through 6th grades), they enjoy to learn the French, because it is fun. The instructors, Madame and

## Slate Big Band For Hospital Benefit Ball

**TOMMY BALDWIN**

A gala affair is being planned by the St. Mary Hospital Guild on Oct. 20 at the Detroit Race Course.

Music will be furnished by the Tommy Baldwin Orchestra. This orchestra is styled after the late Glenn Miller. It, also, plays second in a National Best Dance Band Contest.

"In addition to very stimulating dance music, Janice Deane will be the featured vocalist."

The band presents a twenty minute show concerning the history of the name "Slate Band Boogie". This is done in black using ultra violet lights. It is narrated from start to finish and is a very fine overall presentation. This promises to be an evening of delightful entertainment for all. Danceable music for the couples who love dancing and romantic reminiscences for those who are devotees of the old Glen Miller moods.

**REGISTRATION FEES**

Last year the Michigan Department of State collected \$74,011,791.35 in various motor vehicle and driver license transactions. One and a quarter million drivers were issued initial or "renewal" driver's licenses.

At 25, Gary Bell is dean of the Cleveland Indians' pitching staff.

## Eagle School Fall Roundup Well Attended

Western style decorations with caricatures of "Quick Draw McGraw" and his many friends adorned the walls of the dance area while a picturesque "Covered Wagon" welcomed the dancers as they entered the lobby of Eagle School for the Double Dixie Square Dance Club's "Fall Roundup" on Friday, September 14.

MARD WORKING CLUB presidents, Harold and Vera Renner, treasurer, Bill and Bernice Kelly, and Club Caller, Norm and Angie Seay, pooled their talents in making up the decorations while the same three ladies combined their culinary talent to provide excellent refreshments after the dance. Tony and Betty Laikar provided the "Covered Wagon" which received much favorable comment.

A capacity crowd of dancers met at Club Caller Norm Seay calling the regular intermediate to Advance level of dancing these dancers are accustomed to the "Roundup" opened the regular fall schedule of Western Style Square Dancing. The "Double Dixie" will meet on Wednesday and Thursday of each month at the Eagle School from 8:30 till 11:30 p.m.

The "Double Dixie" will be sponsoring a Beginner Square Dance Class on Wednesday beginning October 10, also an Advance Workshop on second and fourth Tuesday which started September 25. For information call Angie Seay at MA 6-6405.

## Coloring Books Show Car Facts

Visitors to Lincoln-Mercury dealerships will find the answers to interesting questions in Lincoln-Mercury's "Coloring Book."

According to the preface, the book is "dedicated to artists and car buyers who want to learn some colorful facts about the new Mercurys for '63 but are too busy to read boring statistics."

**CALLING "SMILEMANSHIP"** by Lincoln-Mercury Division, the new method of dispensing product information is presented in the form of a coloring book. Mercury features are outlined in black and white and the reader is invited to color each item appropriately.

For example: "This is a dip stick. Isn't that a funny name? It tells you when to add oil. So when the old oil must be replaced with new, clean oil. You don't have to do this as often with a Mercury. You can squirt 1,000 miles or 6 months of oil in one go. Do not color this page. Scrive oil on it."

Coloring books will be given away to dealerships during introduction of the Lincoln-Mercury car lines through October 4.

## NOVI NEWS

By MRS. GEORGE WAITE  
PL 9-2899

Mr. and Mrs. Al Schroder of Fenton were Sunday dinner guests of the George Waite. Mr. and Mrs. William Strauss of East Detroit visited the Waite on Friday.

Mr. and Mrs. George Atkinson, accompanied by Mr. and Mrs. Harry Watson, left Friday, September 28, to spend the weekend at the former's cottage in Lewiston.

THE REBEKAH Lodge met Thursday, September 27. A wonderful turnout helped in the draping of a charter for Sister Stover. Plans were made for a roast beef dinner on Sunday, October 28. Also plans were set for initiation evening for the lodge candidates on Thursday along with those from Ferndale and Hamburg.

Mrs. George Kahl is still in New Grace Hospital.

## JC Auxiliary Plans Projects

Plans for many new community projects for 1962-63 were under discussion when the Farmington Junior Chamber of Commerce Auxiliary met at the home of President Mrs. Dave Filpatrick last Thursday evening, September 27.

In the past the Jaycee Auxiliary has contributed greatly to many organizations including the Plymouth State Home and Training School, C-1 in Oakland, and the Farmington Public Library. With much enthusiasm, the Auxiliary will continue these worldwide efforts while at the same time assisting the Jaycees in many of their community projects.

A LIVELY RUMPAGE sale opened the meeting on Thursday with members buying, selling, bartering or trading. Following the sale a short business meeting was held at which time the year's projects were discussed.

The first event of the new season is the Auxiliary Hat Show to be held tonight, Thursday, October 4, in the Downtown Farmington Center in the store next to Pat's Sport Shop. There will be 350 lovely hats and refreshments, which guarantee a fun-filled evening for everyone. This is a wonderful way to help the Auxiliary and help yourself. (With so many high-fashion hats, you'll no doubt find two or three for your new fall wardrobe.) All proceeds from Auxiliary projects are returned to our community through contributions to local organizations.
