# Boat Hits Reef.

Boat Hits Reef.

It was 1:30 g/clock Studdy morning when the Lugano suddenly struck the eef. Captain | Penwill Immediately ealized that the position of the vessel was serious. Distress reckets and wireless, eals remined unanswered for hours.

for hours.

Finally the message was picked up by the United States wireless station here. At the shore time, it was interected by the trug Rescue, bound for this port. The latter vessel immediately set out for the Lucian and had succeeded in taking of her passengers before additional tugs, sent from here, arrived at the scene.
