

CORRESPONDENCE

Northville.

The entire Workingmen's ticket was elected last Monday. Following is the list of the new village officers:

President—Nelson Schrader
Clerk—Thomas E. Murdock
Treasurer—Wm. Judd Lanning
Assessor—Chas. A. Sessions
Trustees—Lester D. Stage, T. F. Griswold, Stewart Montgomery.

Mrs. A. W. Olde of Detroit visited Mrs. D. F. Griswold last week. The latter is in very poor health.

The relocation of the Presbyterian church is being held this week with services and entertainments each evening, and which have been well attended.

Nearly all of our school teachers attended the teachers' institute in Detroit last Saturday.

Unique invitations have been issued for the annual K. of P. barn dance to be held in Princess rink next Monday evening. Everyone is assured a jolly time at this party.

Wellington Kator and Mr. and Mrs. C. W. Gillis attended the Jefferson club banquet at Pontiac.

Mrs. Mary Waid of Detroit was a visitor in town Monday. She says her father, Norman Collins, who is well known here, is in very poor health.

Northville people will be interested to learn that Mrs. W. S. Jerome of Detroit, formerly of this place, who is delivering anti-suffrage lectures throughout the state, has challenged Mrs. D. H. Glass of Pontiac, a prominent woman's suffrage worker, to a debate. The date and place for the debate to be held have not been decided.

Mrs. J. B. Tinnham attended the funeral of a cousin in Detroit Tuesday.

Miss Helen Bullis will entertain the First 500 club in the Library next Tuesday evening.

M. R. Seeley has returned home from his visit in Jackson.

Charles Yerkes, an aged and respected citizen, passed away Sunday evening after a few weeks illness from heart trouble. The funeral was held from the home Wednesday and interment was made in Yerkes cemetery. He is survived by his widow, two sons, Will G. and Carl Yerkes and a daughter, Mrs. Grace Dusenbury.

White Lake

A. P. Goodell went to Detroit on Saturday.

Lester Royce and Clifton Goodell were week-end visitors at Harry Doty's.

Leroy Jackson is in Detroit taking treatment. He has suffered from ulcerated teeth and the jaw bone became affected.

Mrs. J. P. Fisher was remembered on her 89th birthday with about 40 post cards and letters.

Mr. Crafts, the new blacksmith, is moving into R. G. Matthews' house.

Redford

Thos. Larkins is improving after an illness that has kept him indoors for some time.

A large number of Redford business men went over and spent the day at Charley Hantz's Tuesday in bowling and visiting with Charley, who has been laid up for months with a badly broken leg.

Regular meeting of Victoria chapter, No. 790, Thursday evening, March 24, at 7:30.

There are enough young men about Redford with talent and wind enough to organize a band. We ought to have a band.

A large number of hungry villagers drove over to Geo. Burt's Wednesday night to partake of a good Baptist dinner served by the ladies of the First Baptist church.

The second ticket that was promised for village election must have died at its birth, at least it did not materialize and we shall have to

wobble along another year with Burgess for president, Venus for clerk, Jenks for treasurer, Houghton for assessor, and Bosworth, Vrooman, Lahar, Denio, Lamphere and Northrop for trustees. While they are not exactly the unanimous choice of the voters they seem to be big enough to stand alone and no one is anxious to go up against them in a contest.

It is the usual thing to say complimentary things about public officials on such occasions, but we refrain for fear they will get the big head.

However, if they will reform and see to it that the mud is kept off our new pavement they will have it coming.

Mr. and Mrs. Clyde Bentley were guests at the home of the latter's parents, Mr. and Mrs. A. M. Bosworth, last week.

The pinocle club was entertained by Mr. and Mrs. R. H. Burgess Tuesday night.

The Cheapest Live Stock Remedy on the Market

The average cost of live stock remedies for years has been from 12 to 200 a pound, a figure which has kept many farmers from using them, on the belief that they could not afford to feed them. Of course this question of cost depends upon the benefit derived. If a live stock remedy produces excellent results, saves your stock losses, prevents contagious diseases, etc., one could not expect to consume more than 200 a pound. It is the results you get from preparations of this character which determine whether they are expensive or not.

But it is no longer necessary to pay 12 to 200 a pound for stock remedies. There is one on the market now which costs 50 a pound in 100-pound lots and less in larger quantities. And the makers provide its merits or refund your money. Therefore, you are not only assured a saving of 100 to 400 per cent of cost, making it one of the cheapest preparations on the market, but it is sold on a guarantee that it must prove satisfactory to you or no pay.

We refer to "Sal-Vet," a preparation which in about three years' time has become the most popular and best known remedy on the market and has a larger sale than all others combined. It is not only the cheapest in price, but it is sold on a 60-day trial plan that makes every purchaser safe.

Sidney R. Feil, president of the S. R. Feil Co., Mfg. Chemists, Cleveland, O., makes a very unusual offer through his dealer, whose name appears at the bottom of the large Sal-Vet advertisement in this issue. Any stock owner in this vicinity can try Sal-Vet with the understanding that if after keeping it before his stock for 60 days he is not pleased with the results, no charge will be made for any of it. It will pay you to read the Sal-Vet advertisement and the letters of endorsement from prominent Michigan farmers carefully.

Told in a Few Words
Chas. Castledon, Cumberland, Wyo., says he had the worse cough a man ever had and cured it in a few days with Dr. Warner's Little White Wine of Tar.

For Sale—A six-acre farm right on the car line, especially adapted for fruit, chickens and gardening. A neat, frame cottage and cement chicken house large enough for several hundred fowls and considerable fruit. A fine stream crosses the land. Enquire of C. E. Ramsay, Redford.

Pneumonia Follows a Cold
But never follows the use of Foley's Honey and Tar Compound. It stops the cough, heals the sore and inflamed air passages, and strengthens the lungs. The genuine in yellow package with bee-bive on carton. Refuse substitutes. Sold by T. H. McGee.

COMING!

A RARE OPPORTUNITY

is here offered to the Sick and Suffering of this community

Read this Carefully VISITING SPECIALISTS

from the CLEVELAND INSTITUTE OF MEDICINE AND SURGERY of Cleveland, Ohio

will pay their first visit to FARMINGTON, MICH.

and will be at the OWEN HOUSE

MONDAY, MARCH 17th

Tell your Sick Friends

ONE DAY ONLY

8 A. M. to 6:00 P. M.

FREE

This Institute, composed of a group of regularly graduated physicians and surgeons, licensed, legally associated under the laws of the State of Ohio, sends at its own expense these eminent medical specialists in order to introduce the newest methods and discoveries in medicine and surgery. Such as the system of treatment under X-ray, Violet ray, Finson ray, Hydrotherapy, etc., to give to those who call on the above date, consultation, examination, advice and all medicines required to complete a cure, absolutely free. These specialists will diagnose your case and give you the benefit of their skill and medical knowledge free.

There is in this case no experimenting or guess work at your expense. You will not be told whether you can be cured or not. If your case is curable they will put you under treatment immediately; if incurable they will give you such advice as may prolong your life. Their treatment always gives quick relief and ultimately positively cures. Being prepared to cope with each individual case the human system is thoroughly cleansed of the disease in a natural and direct manner, and improvement is noticed at once; even the worst cases are treated without any inconvenience to the patient or the pursuing of his or her daily vocation.

If you are improving under your family physician, do not come and take up their valuable time, as they absolutely refuse to treat anyone who is under the care of the local physicians. They wish besides to give each patient plenty of time and their undivided attention, but cannot listen to long stories not pertaining to your trouble. They have discarded the old methods and remedies tried for years by the medical world, and which it would be folly to depend upon any longer, for they are not known to cure, as thousands die, depending upon them for relief. The following list of diseases only are taken under treatment, to-wit: Diseases of the Nervous System, Heart, Stomach, Lungs, Kidneys, Catarrh, (urinary or dry), Consumption, Epilepsy, Deafness, Diseases of Women, Tumors, Pseudo Cancer, Piles, of a Chronic Nature only. Their treatment is an entirely new method, and hearing in many cases is restored at once. Catarrh in all its varied forms, like other diseases if once taken under treatment, is cured permanently to remain so and to never return. It matters not whom you have seen, or with whom treated, do not fail to call as a visit will cost you nothing and may restore you to health, or even save or prolong your life, as thousands will testify by unassailable testimonials in all parts of the country. If you suspect kidney trouble bring a two-ounce bottle of your urine for chemical and microscopic analysis.

REMEMBER—The free offer is during this visit only and will not be repeated. Persons commencing treatment upon their future visits will be required to pay, but not one cent will be asked from those commencing treatment during this visit for any medicine necessary to effect a cure, irrespective of your position in life or the number who come on the above date. Whenever, or by whom wanted, a positive guarantee to cure will be given under their system of treatment. Those having long standing and complicated disease, who have failed to get well and become discouraged, are particularly invited to call.

NOTICE—Married ladies without their HUSBANDS, and minors without their FATHERS, will positively not be admitted to consultation unless accompanied by one of the local physicians. Office hours: 9 A. M. to 7:30 P. M. **DON'T FORGET THE DATE Monday, March 17** Call for Dr. Sickles.

Foley Kidney Pills will reach your individual case if you have any form of kidney or bladder trouble, any backache, rheumatism, uric poisoning or irregular or painful kidney action. They are strengthening, tonic and contain no habit forming drugs. Sold by T. H. McGee.

Legal Notices
STATE OF MICHIGAN,
COUNTY OF OAKLAND, SS.
Notice is hereby given, that by an order of the Probate Court for the county of Oakland, made on the 27th day of February A. D. 1913, four months from that date were allowed creditors to present their claims against the estate of Charles Fendt,

late of said county, deceased, and that all creditors of said deceased are required to present their claims to said Probate Court, at the Probate Office in the City of Pontiac, for examination and allowance on or before the 28th day of June next, and that such claims will be heard before said Court, on Saturday the 28th day of June next, at nine o'clock in the forenoon, of that day.

Dated February 27th A. D. 1913.

Land Value Almost Doubled

WHEN a Lee county, Illinois, farmer bought a run down 400-acre farm, his neighbors thought he had made a bad bargain. After three years' soil treatment by scientific methods, he raised more than eighty bushels of corn to the acre on land that produced less than thirty bushels the first year he farmed it. It is no longer unusual for us to get reports from farmers who have been using manure spreaders consistently for periods ranging from three to five years, to the effect that their land is regularly raising so much more produce that the value of the land is almost doubled.

I H C Manure Spreaders

are made in various styles and sizes to meet all conditions. The low machines are not too low to be hauled, loaded, through deep mud or snow. I H C spreaders are made with trussed steel frames in wide, medium and narrow styles; all of guaranteed capacity. There are both return and endless aprons. In short, there is an I H C spreader built to meet your conditions and made to spread manure, straw, lime, or ashes as required. I H C spreaders will spread manure evenly on the level, going up hill, or down. The wheel rims are wide and equipped with Z-shaped lugs, which provide ample tractive power. The rear axle is located well under the body and carries most of the load. The apron moves on large rollers. The beater drive is positive, but the chain wears only one side. The I H C dealer will show you the most effective machine for your work. You can get catalogues from him, or, if you prefer, write International Harvester Company of America (Incorporated) Detroit Mich.
