Tri-City Teen Dance Planned In Farmington

The Tri-City Teen Dance, for high school students from Farmington, Redford and Livonia schools, will be held in the Groves-Walker Post 246 American Legion Hall, 3175 Grand River in Farmington, on Saturday, November 3, from 8 p.m. to midnight.

Music for the dance will be provided by the Silvertones with Bob Wallace as the Master of Ceremonies. Wallace was formerly a Detroit Bandstand dancer. Surprise guest artists will also highlight the evening and dance contests will be staged with prizes for the winners. In addition, all the girls in attendance will be given free gifts.

The dance, which is also open to students of junior high school age, is semi-formal and no persons dressed in shorts or jeans will be admitted. Call Bob Wallace, KE 5-8225, between 3 and 5 p.m., for ticket information.

Local U-N Day Plans Are Set

During the week of October 24, the City of Farmington and the service organizations of this community will observe United Nations Day. On Friday, October 26, the United Nations Day Ball for adults will be held at the American Legion Hall on Grand River. There will be dancing and refreshments from 9 p.m. until 1 a.m. Tickets may be obtained from most of the Farmington Merchants.

Saturday, October 27, a parade will march to the Farmington City Park where ceremonies will be held. There will be a tree planted to be symbolic of the relationship enjoyed between this country and the country that the tree will represent. It is fitting that this tree will also be indigenous of the home land of one of the exchange students visiting this country and making a temporary home in Farmington.

The City of Farmington, the American Legion and other service organizations invite all to take part in this Civic observance.

To Stage 3 Plays

The University of Michigan Professional Theatre Program will present three productions at the Detroit Institute of Arts Auditorium on Nov. 6, 9 and 10. "The Tavern" will be played at 8:30 p.m. on Thursday, Nov. 8; "School for Scandal" at 4 p.m. and 8:30 p.m. on Friday, Nov. 9; and "We, the Comrades" at 8:30 p.m. on Saturday, Nov. 10.

The weakest spot with mankind is where they fancy themselves most wise. —C. Simmons

THE DOWNTOWN FARMINGTON CENTER Ladies' Softball team came off with the runner-up honors in the State Class C 1962 Softball Championship Tournament held at Coldwater last month. Pictured above (standing, l. to r.) are Joan Barber, Clara Simpson, Jean Blough, Patty Beutle, Jackie Cousins, Jayanne Bittner, Sandy Walters and June King. In the front row (l. to r.) are Joan Barber, Carol Jones, Cora Billing, Charmayne Bishop, Jennifer Ratliff, Sharon Woods and Gayle Humm. The girls were shut-out in the finals by a Bay City team, 4-0, after staging a whirlwind campaign from an opening tournament defeat to reach the finals.

News from Kimberley

JUDY BURNS
GR. 4-3112

The Kimberley Association held its second meeting of the busy new season on October 10 at the school, and it was, as usual, well attended by the subdivision's male pupils in particular. (There seems to be an unspoken resolution among the residents that mom baby-sit for Association meetings and hold for PTAs.)

The business portion of the meeting was kept to a minimum for the benefit of the guest speakers, and was devoted to two main considerations. Don Howard reported that the swim club committee has resolved a major problem by obtaining permission to drain the proposed pool into the Kimberley system, rather than out to Middlebelt, thereby saving a considerable amount of elusive dollars.

DON ALSO ANNOUNCED that the State Highway Department has recognized our request to bid on the proposed sewage, and has in turn formalized its position at the present time. The committee foresees no obstacles, and should know within 60 days if, how, and when the land will be put up for public auction. The proposed swim club site, just in case you haven't heard, is seven acres directly behind the school property and running to the new highway. The next step is \$35, and Santa Claus at your house is reminded that a "yes" or "her" membership in the club might be appropriate this year (it's the latest thing - pay now, go later).

Byron Walter reported in the absence of Frank Hornbeck on the current state of affairs in ditches and drainage, and two possible solutions were proposed: one, running a culvert the full length of the ditch, wherein permission of the road commission is needed; and two, lining the ditch with special block designed specifically for the road commission for such a purpose. A representative of the sales company for the paving block was on hand to explain his product, which is simple to install and not too expensive. Mr. Hornbeck should be contacted, however, before either solution is attempted.

It was also announced that the severe drainage problem at Greythorne and Spers Lane will be resolved by installing a catch basin and running the

overflow underground to the

THE GUEST SPEAKERS for the evening were the candidates for state senator, Mr. Farrell Roberts (R), and Mr. Leland Smith (D), and candidates for state representative, Mr. Ray Baker (R), and Mr. Albert Kramer (D). A lively presentation of their qualifications and programs followed, rebutted in turn by the opponent. This was an exciting, intense program, even if somewhat hard to follow by the politically uninitiated - hope you didn't miss it.

The evening was concluded with cider and donuts served by co-hostesses Betty Mageau, Ginger Remmel, Nargie Swaford, Barb Shaw, and Pat Alber. You are again reminded that many Kimberleyites are not yet members of the Association, a matter rectified simply by stopping by membership chairman Jo Olson's home on Pipers Lane, preferably in the evening. She's a busy gal, much on the go and hard to catch before the sun sets!

BY THE WAY - sorry about the omission of a column last week, due to a long overdue and much welcomed visit by my mother, Mrs. Carl Madlenger of St. Louis. It was a short, hectic stay, complicated by a year old Robin's sudden loss of chicken pox. Mother has now returned home for a quiet nervous breakdown, the pox abating, and I'm back on schedule.

The United Foundation's annual door-to-door campaign began on October 17, as you all must be aware by this time. In case the canvasser missed you on her first call, she will return with perseverance until she finds you at home. Solicitors in Kimberley, all residents of the subdivision, are Mrs. Paul Mulla, Mrs. Harrison Magee, Mrs. Curtis Snider, Mrs. Richard Green, Mrs. Edna Sutton, Mrs. Doug Shaw, Mrs. Richard Leonard, Mrs. Bob Hawthorne, Mrs. John Hussey, Mrs. Lynn Chalmers, Mrs. Iggy Borden, Mrs. Paul Rankin, Mrs. Abraham Zahler, Mrs. Charles Alber, Mrs. William Vankoughnet, Mrs. Walter Pesonen, Mrs. John Touraine, Mrs. Robert Butler, Mrs. Donald Anderson, Mrs. James Hosler, Mrs. Charles Evans, Mrs. Byron Walter, Mrs. Robert Heinzen, Mrs. Aldo Vagnozzi, Mrs. John Newman, Mrs. San-

ford Bloomberg, Mrs. Dean Nelson, and Mrs. James Burns. The district chairman for Kimberley are Joan Bosworth and Pat Colley, and the area chairman is Jackie Matnot.

THESE WOMEN have donated their time in addition to their dollars because of their sincere belief in the United Foundation, and it is hoped that you welcomed them courteously and gave as your own science dictated.

Hard at work are Ginger Remmel, chairman, Nancy O'Malley, co-chairman, Marjorie Touraine, table prizes, Katy Brakora, refreshments, Pat Tango, door prizes, Stasia Churchill, posters, and Marge Delaney and Irene Schooley tickets. Let's support our neighbors by attending - call Marge, 174-3390, or Irene, 474-3288, for tickets.

The much aired welcome mat is extended this week for Jim and Betty Kaler and their son Jamie, 6, formerly of Fraser, Michigan, new neighbors in the Barrington model on Westmeath by Eleven Mile.

Jim, a chest specialist, is Assistant Director at Herman Keifer Hospital in the chest division. Little Jamie is ill this week with a strep throat - here's wishing him speedy recovery!

Welcome, too, to Pat and Catherine Dygert, in another Barrington model on Westmeath just several doors from

the Kalers. The Dygert family, formerly of Redford, includes Patrick, 8, Stephen, 5, Mary, 3, and George, 1. Pat, by the way, is an electrician with Hall Engineering. Welcome to Kimberley!

The Katmi National Monument in Alaska is twice the size of the state of Delaware.

GR. 4-2021
LOIS CORT

Since there is a new deadline for the column to be turned in (3:30 on Mondays), all news will have to be given to me no later than Sunday evenings - and I thank you in advance for your calls!

Congratulations are in order for Jim Jenkins, son of Bill and Audrey Jenkins, who was recently married to Judy Scerif, of Novi. A miscellaneous shower for the bride was given by Jim's sister, Betty Jo. Friends and relatives attended from Wyandotte, Novi, Farmdale, Detroit, Livonia, and Farmington.

RICK LABARRE, son of Wally and Gladys LaBarre, entered Michigan Tech at Houghton, Michigan this fall. His course is mostly engineering - is stiff but interesting, and Rick reports that the country "way up there" is beautiful.

There are busy times at the Lapham household these days. Joe and Helen are absolutely delighted with their newest arrival, Eileen Marie, who was born on September 17. Sharing the joy with Mom and Dad are Billy, 6, Bobby, 4, Jean, 3, and Jeff, 14 months.

"THAT BIG DOG WE GOT RECENTLY SURE IS A WILD ONE"

A man with problems like this gentleman has we can't help. But anyone with normal car problems we can and do help every day. Our long list of satisfied local customers is proof of the quality of service we render.
