

New Florist Shop Sets Grand Opening, Oct. 20

Sweetest Day October 20 marks the Grand Opening of Florist Specialties, offering the Farmington - Redford area a complete, fast, and efficient floral service. Weddings, funerals, hospital expressions, and interior garden settings are but a few of the services offered. Two Detroit and suburban Detroit florists will be made, daily insuring complete metropolitan coverage.

Owned and operated by Tom Harris and Richard Leinen whose combined experience of over 20 years background in floral culture and floral display.

TOM HAS MADE his home in Farmington Township for the past 8 years and has been active in scouting and church activities of the Clarenceville

Methodist Church. A former display man with Federal Dept. Stores he made the transition to the floral display field, and assisted in the floral production of last summer's display of Anne Ford. His work was seen in the 1960 National Auto Show in Detroit, and shows in New York and Chicago. He has designed floral settings for many conventions and banquets at Cobo Hall and is currently there installing several hundred new plants and the theme center of the 1962 National Auto Show.

Tom, enjoying designing temporary architecture, plants and hanging spent several months in Japan and Korea during the Korean conflict he developed a flair for oriental style garden settings and floral arrangements.

DICK IS A RESIDENT of Garden City and his background in the floral industry extends to all phases of shop management and floral design. His interest in seeing weddings are properly serviced has gained him increased following in wedding requests.

Dick, too, has many auto shows to his credit including the popular stage setting of the "Wheels of Freedom" review in the 1960 National Auto Show. Florist Specialties will offer distinctive holiday gifts and plants and in addition will carry a complete selection of Christmas trees, roping and decorations. Next spring they will feature a large garden supply center.

Energy may be turned to food uses; but more good may always be made of an energetic nature than of an indolent and impassive one.

YOUR PHARMACIST SPEAKS

Strangely, color blind people generally have similar facial characteristics. They have a Y-shaped face and their eyes are close-set.

In general they are very intelligent and their ranks include many from special-ized fields such as medicine and law.

Another mark of the color blind person is an even disposition, seldom given to anger or deep fits of gloom.

Incidentally, color blind or not, you will never have occasion to feel anger or gloom when you trade at JOHN S. PHARMACY. Quality and friendly service are our trademarks. In the matter of prescriptions, all work is exacting and careful at JOHN S. PHARMACY, 31511 13 MILE RD. Phone GR. 4-4700.

Club's Program Is Promising In Franklin K.
A note to the Franklin Knolls Womens Club members.
If you attended the opening Meeting you know what a panic it was and what a good program we have to look forward to this season.

We were all agog when the show was over as to who was who. The skit written and directed by Marian Collins and Chris Larson had Rex Kavoff, Jean Stewart, Audrey Jakes, Jean Mooney, Virginia Hess, Lucia Cuff, Barbara Debiecki, Marina Zapico and Rhoda Domrowsky. Mix and match and try and come up with the right answer.

The next meeting November 12 noon will be held at our new headquarters, St. Coleman's Church, Social Hall, Middlebelt between 14 and Northwestern. The program "Children with a Problem" will be discussed with one of the staff of the Pontiac State Hospital.
