School Millage Proposal Aired Before PTA

Sitting in class, waiting for the school bell to be brought back from memories to approximately 200 parents last Monday evening, October 15, when they attended the Farmington P.T.A. annual Open House.

Prior to classroom sessions there was a short business meeting conducted by President Julia Darrin. At this time Mr. G. V. Harrison, Superintendent of the Farmington Public Schools, and Mr. Richard Peters, member of the Board of Education, presented the facts and figures behind the special school election coming up December 10.

The group discussion covered such topics as the proposition which will be on the ballot; the need for operational millage; the distinction of operating funds; and how Farmington compares with other school districts.

All of the Ten Mile School teachers were introduced by Principal, Mrs. Jean Ralph, and then parents were dismissed to their homes and classrooms.

The children had eagerly prepared for the evening when their parents would occupy their classroom chairs. Elaborate displays of their accomplishments were there to witness the children's efforts to make the P.T.A. Open House an interesting event for all.

Hate to mention it but we must face facts and realize that the school year will be here soon and here's something of interest for making progress. Mrs. H. Steiger of Quail Hollow will teach a class on copper enameling. The group will meet on Wednesday mornings from 9 to 11 a.m. for six weeks. Contact GR 4-4949 and classes did get started yesterday. The Steiger's entertained friends last week at their home and it was a lobster bake.

Jaycees Plan Safety Clinic

The Farmington Junior Chamber of Commerce announced plans to sponsor a Seat Belt Clinic in November to further and promote the safety measures represented in use of the automobile innovation now available for passenger cars. Details of the proposed clinic will be outlined in next week's Enterprise.

The Jaycees are also in the midst of their Annual Fall Round-Up Campaign for new members and have set Monday evening, October 22, as the date for all interested young men between the ages of 21 and 35 to join the regular meeting of the civic organization at the Bel-Aire Lanes Bowling Alley, Ten Mile Road and Orchard Lake Road, 8:15 p.m.

PTA to Present Cartoons for Kids

"The Little Kidnappers," the story of two small boys who find an abandoned infant, will be shown this Saturday, October 20, at the Shawanese School.

A color cartoon, "Jack Wabbit and the Beinstalk," will accompany the feature. Show time is 2 p.m. to 4 p.m. and all children of the area are invited to attend.

The new sleeper-coach service on the NY Central's New York-Chicago run is a sellout.

Senior Rockets Crushed, 38-0 By East Detroit Gridders

The East Detroit Mid-Juniors going in from the 3 yard line. DOAK EARLIER peeled off a 68 yard run in this drive to tie the score. From this point on the game settled down into an exchange of punts with neither team able to sustain a march.

Although a sad day indeed for the boys, I am certain the coaches were pleased with the outstanding play of Phil Courtville, who recovered one fumble and led both teams in solo touchdowns with 5. A fine effort was also turned in by Jack Brennan on defense.
