George VanFursem, Chairman

Well, GEORGE ROMNEY,

what are you going to do about our STATE FINANCES?

The real question here is not alone one of money—but, mostly, one of serving people. Can a state government which is bankrupt, deeply in debt and poorly managed provide the right kind of services for the people of Michigan? Or can a state with a sound financial structure and which is well-managed provide better services? Under which kind of government will the people of Michigan benefit most?

Better schools. Better mental health facilities. Better employment services. Better social services. All of these services, to be better, must be supported by a sound, well-managed state financial program.

Will you give me a chance to PROVE what a new team in Lansing can do?

Sound financial management for Michigan starts with spending reform. Spending reform does NOT mean the cutting of vital services. It does mean improving the quality of these services by eliminating waste and duplication. Then we need tax reform to make sense out of our present crazy-quilt tax program. A new tax program must reflect the wishes and the ability to pay of all the citizens.

LEADERSHIP in Lansing is necessary to bring all sides together to work for a sound, equitable financial program that will benefit all the people of Michigan. I'd like to put my experience in leading groups of people with diverse ideas to work for you.

George Romney

News from Kimberley

JUDY BURNS
GR. 43112

I hope you read last week's Enterprise with care — news of special interest to Kimberleyites was diversified throughout the paper, as it will be increasingly in the future to keep the length of this column within reason. For instance, the wedding of Herb Bagnall, son of Peggy and Herb Bagnall of Fiddlers Green, was reported on another page of the paper last week, as was the promotion of Jim Hosler of Dundak to vice president of the Industrial Division of American Standard.

An interesting note in "Looking Back in the Files," ten years ago, read "Hilltop Galaxies, the large castle-like home on Middlebelt at 11 Mile road, was raided early Saturday morning by State Police, smashing one of the largest gambling resorts to be uncovered in Michigan in many years." Hilltop House, a familiar landmark to Kimberleyites, is now the gracious home of Dr. and Mrs. Broadman and their children, whom many of you know. Their home has quite a history.

THE POINT is, always be sure to read your Enterprise cover to cover.

Welcome to new residents Verna and Howard McGlory of Greythorne, who occupy the home formerly owned by Doris and Henry Thomas. The McGlories, who moved here from their native Northboro, Massachusetts, boast five sons — Dennis, 11; Scott, 9; Brian, 7; Bruce, 6, and Robert, 4. A German shepherd named "Silver" completes the household. Howard, by the way, is a diamond application engineer for the Carbony division of General Electric.

Welcome, too, to Alice and Orin Daniel, new neighbors in a Harvard model on Barwell. The O'Daniel family includes Judy, 16, a junior at North Farmington; Bob, 13, a student at

Dundak; Scott, 6, a Beechview first grader, and "Princess," a Heinz 57 canine.

THE O'DANIELS are natives of the south, but have been in Detroit for some 10 years, most of them in the employ of a mechanical engineer for Ford. Welcome to Kimberley.

Speaking of new residents, congratulations to Bill and Joan Sankovich of Greythorne, proud parents of their first child, a daughter, born on October 10 at St. Carmel Hospital. The baby has named Linda Karen. Congratulations.

Birthday tests this week to Alan Armstrong, 12, on October 20, to Bud Olson on October 21, to Don Reynolds on October 22, to Robert Sherwood on October 23, to Bob O'Daniel, 13 on October 25, and to Bob Heinzen on October 13.

The Heinzen hosted an "over the hill" birthday party on October 13, attended by Marilyn and Byron Walter, Jackie and Neil Burnside, Ellen and Mel Danfield, Kathy and Don Howard and Jackie and Jack Mathew.

The guests, all attired as little children, celebrated Bob's birthday by proving to him that "Life begins at 40." (Betty, however, would like it understood that she married a much older man.)

CONGRATULATIONS to Edna and Fletcher Armstrong of Edna, who celebrated their 25th wedding anniversary on October 13. The Armstrongs had a full week of special surprises, beginning Sunday, October 14.

On that date Edna and Fletcher were godparents for one of their grandsons, Scott Alan, son of Sharon and Robert Whitty, baptized at Our Lady of Grace.

Upon returning from the services at the church, the Armstrongs discovered that some 75 friends and relatives had gathered at their home on Kiltartan for an anniversary celebration.

The surprise party was engineered by daughters, Sharon Whitty and her husband, Carol Zwilski and her husband, Sally Armstrong. The girls had instructed guests to park their cars in the empty lots at 11 Mile and Middlebelt, so that no cars lined Kiltartan when Edna and Fletcher arrived, insuring a real surprise. The three girls, by the way, did all the cooking and baking for the party themselves!

THE GIRLS PRESENTED their parents with a huge family album designed by Sharon, which snapshots of all the members of the family had been pasted. In addition to Sharon, Carol and Sally, the other Armstrong children are Fletcher, Jr., home to stay from Traverse City; Gordon, 14; Linda, 13; Alan, 12, and Nancy, 10.

On Tuesday, October 16, their anniversary, the Armstrongs attended a Thanksgiving mass at St. Fabians and afterwards Edna and Fletcher took their children, son-in-laws and grandchildren.

Forest Park Fashion Show Is Big Success

The Forest Park Homeowners Association Annual Fashion Show and Card Party, Wednesday, October 17, at the Farmington Senior High School, was a huge success.

The colorful look of new fall fashions with attractive accessories highlighted the show. THE NOVEL SET was charmingly presented in an assortment of party dresses, school clothes and heavy outdoor wear. All of these modish children's clothes came from Pixie Land located in the Farmington Plaza. The children who did the modeling were Kelly O'Neill, Laura and Mike Sauer, Karen Nolan, Carol Callagris and Debbie Buckley.

Harvi's also located in Farmington Plaza, furnished an array of light fabrics and luscious wool suits, after-five dresses, and sports wear for the women to model. Forest Park models with the latest coffees provided by Irene's Beauty Salon, looked chic and professional as they stepped lightly across the stage modeling these clothes.

DENISE O'NEILL and Grace Holappa smoothly narrated the program with colorful descriptions of various fashion details. The modeling of hard work and generosity made this one-year event, a great success. Dennis O'Neill and his committee of women helpers put the show together. Forty-one merchants, thirty-six from Farmington and five from Detroit, contributed. The Forest Park Association is very appreciative and grateful to these various businesses for their generous donations.

Frosh President

Edgar Lee (Skip) Mossamer, Jr., son of Mr. and Mrs. Edgar Lee Mossamer, Sr., 34032 Moore Drive, has been elected vice president of his freshman class at Alma College.

O'Green Ford Calls Area Boys For Punt, Pass & Kick Contest

Farmington area grade school boys from seven through 11 can put their football skills against thousands of other boys through out the nation in the second annual Punt, Pass & Kick competition which will culminate with a White House reception and an appearance at the National Football League Championship game for the top ten winners.

Sponsored nationally by the Ford Division of Ford Motor Company and the National Football League, the Punt, Pass & Kick Program — or PP & K — will be staged in Farmington by O'Green Ford, Inc., 30711 Grand River.

FARMINGTON YOUTHS will be tested for their ability to punt, pass and kick (using kicking tee) footballs on the same day as thousands of other boys all over the country, with yard-up jackets, football helmets and autographed footballs to be given as first, second and third prizes for each age group or five top Farmington winners in all. Scores throughout the state then will be compared to determine the five top Michigan winners, and these scores compared to determine the most skillful seven, eight, nine, ten and eleven year old fledgling football stars in each of the areas covered by the telecasts of the 14 National Football League Teams.

Area winners and their fathers will receive all-expense paid trips to a National Football League game in their area, and will compete during half-time of the game.
