

More than 225,000 tons of steel wire were used by mattress and other sleeping furniture makers during 1961. This year's production will be on a scale that would make a single wire strand more than 22-million miles long in the frequently used number 11 steel wire gage.

**PERFECT SAFETY RECORD**  
EDGEWOOD CLARENCEVILLE 1961-1962

The Detroit News

EDGEWOOD ELEMENTARY School was the first to receive the Green Pennant Award from the State Police for maintaining a perfect safety record throughout last year. Safety Patrol Captain Larry Howe, a sixth grader at Edgewood, accepted the banner along with principal William E. Jackson from Trooper Don Kaiser of the Redford Post at a special assembly program last Wednesday, October 31. Seven other Township schools are in line to receive the honor.

The past week saw Forest Park children caught up in the excitement of Halloween. Of course, parents were almost as excited as the children as they joined in the spirit of "mock-believe" and used their imaginations, plus plenty of ingenuity to come up with some original ideas for costumes. Wednesday night was damp and chilly, but promptly at 5:30 over 100 eager youngsters gathered at the pool area for the Association's Costume Party.

All of the children received candy and then assembled in age groups to compete for the 20 best costumes.

This was a real job for the judges Dennis O'Neill, Larry Shapiro, Doris Freeman, and Helen Moorehouse.

**THE WINNERS** were: 6 to 9 years old, Jimmy Deitman, Laura McGinnis, Cindy Berardi, and Cheryl Brown; 4 to 5 years old, Johnny Phillips, Mike Sauer, Laurie Stark, Calvin David, McGinnis, and Jill Allen; 7 to 9 years old, Beth White, Donna Morrison, Carol Calligan, and Ronda Pretz; 10 to 12 years old, Cynthia Ambrosy and Patrick Ambrosy, Robert Sylvester, Judy Sheldon, Paul Allen, Jennifer Holappa, Diana Jourdan. All of these children received silver dollars.

There were other parties throughout the Halloween week. Cheryl Horrigan gave a costume party for twenty-eight boys and girls from 9 to 12 years old. Paul and Diana Jourdan held two parties in their home for different age groups.

Mrs. W. Clarke from Elk Rapids, Michigan has been enjoying a visit with her daughter, Juanita Sauer, and her family for the past week.

On October 1, Bill and Pat Anderson left Farmington for a wonderful three and half weeks vacation. They spent one night in Chicago visiting with Bill's brother, Jerome, and family and then on their way to California.

**YOUR PHARMACIST SPEAKS**

By: JOHN D. SCHMALZ, R.Ph.

Although the layman generally thinks of microbes with fear and revulsion and would greet their total destruction with glee, the simple truth is that mankind could not live without microbes, at least not for long.

Certain microbes are scavenging purifiers that break down noxious and noisome wastes and return them beneficially to earth. Then, too, microbial colonies at permanent stations in our body wage an unceasing war against fantastic numbers of germs which attack our systems almost constantly.

We must also remember that it was the microbes which gave us a welcome arsenal of miracle drugs to aid in mankind's battle for life and, just as importantly, reintroduced us to the most efficient drug-maker of all—nature.

Isn't it time, by the way, that you were introduced to your ideal source of the newest and best in medical supplies — at JOHN S. PHARMACY? Prescriptions can be filled at JOHN S. PHARMACY, 31511-13 Mile Rd. Phone GR. 4-4700.

**THIS WEEK'S HOUSEHOLD HINT:** For something new in preparing potatoes, try trying them in a mixture of half-cup of honey and two tablespoons of butter.

They stopped at the Grand Canyon, viewed the Hoover Dam, and spent one night in Las Vegas. (Pat had visions of becoming rich playing the slot machines, but her capital investment was too small. She started with 20 cents, won 50 cents, decided to chance it all, and wound up losing her stake.) They then went on to Targana, California to visit with their daughter, Patricia, and son-in-law, Dr. Lee Logan, and their three grandsons, Lyle Fritz, 6, Dean, 5, and brand new Scott Logan, 3 months old.

ON THE WAY back home, they stopped in Chicago and spent the weekend with Bill's mother, Mrs. Carl G. Anderson, and one day with Bill's brother, George Anderson, and his family in South Bend, Indiana. Pat, a beginning movie camera enthusiast, took 650 feet of film. She said, "I took every frame — regardless of light, time, or motion."

A recent "coffee" was held for Fredwell's new neighbor, Irene Cook, at the home of Rae Williams. Rae invited many mothers living close by and had them bring their children, also, for a gathering in the recreation room so Irene's children could meet some new friends, too.

In the next issue of the Log there will be a survey sheet attached. It will consist of mostly yes and no questions involving various committees and their work. This canvass is set up to examine, in detail, the opinions and desires of all of the people in the Association; hence it is your chance to voice what you do or don't like about the past year's work, and also an opportunity to add any written comment you might have.

**THE FOREST PARK Patrol** is in operation nightly. There are over 40 men working under the direction of Steve White, and they are using radio controlled cars.

Don't miss the "Harvest Moon" dance this Friday, November 9, at the K of C Hall on Middlebelt. There will be dancing to the band of Datus Moore, door prizes, and plenty of room for dancing. Bring your friends. Call Dennis O'Neill, GR 6-3829, for tickets.

The next meeting of the Garden Club will be held at Sandy Weiss's home at 27011 Boreen, on Tuesday, November 20, at 8 p.m. Several demonstrations on how to make your own candles and Christmas wreaths for the holidays will be given. This should be a very constructive and worthwhile evening, and fun.

A total of \$2.5 billion was spent by steel companies for capital equipment during 1960 and 1961.

**FHS Parents To Study Again At Open House**

FHS parents will be given an opportunity to attend the classes of their sons and daughters at the annual open house which will be held this year on November 12 at 8:00.

Each parent will be given an IBM schedule identical to those received by the students at the start of the school year. Ten minutes will be allowed for each class.

During their son's or daughter's study hall period the parents will go to the cafeteria for refreshments! This period will give them an opportunity to meet the librarian, counselors, and administrative personnel.

The last item on the open house agenda is a program in the Gym at 9:30.

The President of the School Board, Mr. Leland Clifford, and the Superintendent of Schools, Mr. Gerald Harrison, will speak to the parents concerning the renewal of the present tax rate to be voted on Monday, December 10.

The choir and the Falconettes will sing several selections.

The members of the Future Teachers' Club, in addition to their display in the lobby, will guide and host the parents.

Dr. and Mrs. Frank Korbelak of 1965 South Riverside Drive, Marine City, announce the engagement of their daughter, Kathleen Anne, to William C. Smith, son of Mr. and Mrs. Carl T. Smith of 22889 Mayfield Avenue, Farmington. Kathleen is a member of Sigma Sigma Sigma Sorority at Eastern Michigan University. William attends Michigan State University and is affiliated with Kappa Phi Alpha Fraternity. A January 26 wedding is being planned.

**Business Women Plan Fashion Show Lunch**

Farmington Business and Professional Women's Club is having a Fashion Show and Luncheon at Redford Inn, "Holidays Fascination" by Alice Rebecca Sloan, Saturday, November 17, at 1 p.m.

Anyone who wishes to bring their own coats and play after the Show. Everyone is welcome. We feel that this would be a wonderful opportunity to get acquainted with the business women in your community as well as to see the new fashions.

For tickets call Nadine Cardwell, GR 6-0232 or Ada Hower, GR 4-6700.

**Trick or Treat For Hosp. Children**

Cub Scout Pack 116 donated the Halloween candy to the children at the Plymouth State Home and Training School. Lucy Knowles of Den 6 suggested the idea and the Cub Scouts of the entire Pack agreed to go trick or treating for the confined children at the school.
