## Another Buxom Belle Honored

Another member of the Farmington Thursday Night Trimmers chapter of the Buxom Belles, was honored recently after teaching her class with a total weight loss of 40 pounds. Mrs. Harold (Elda) Compton of 17230 Fairfield, Livonia was honored for her accomplishments with a party at the home of Mrs. David Krings, 32880 Do-hany Drive.

Mrs. Compton joined the group weighing 173 pounds and lost 40 pounds in 135. She reached her goal of 148 pounds last February, but was so pleased with herself and accomplishments, that she went on to lose another 15 pounds.

In February she was awarded an engraved trophy, and at the party she reigned as "Queen for the Evening".

Mrs. Joseph Gregory, the last Belle to be so honored, placed a rhinestone tiara on her head and presented her with a bouquet of Mums. The tiara is a gift from headquarters of the organization.

Other members of the chapter who have attained Bantam status, which is what Mrs. Compton is now, presented her with a wallet. The local chapter awarded her with the flower, a set of earrings and \$25, and a gift from the girls themselves was a brown leather purse and gloves.

The proud Grand Parents are Mr. and Mrs. Thomas Bulmer and Mr. and Mrs. Horace Wilson. The John Wilsons have two other children, Peggy and Mrs. Margaret Armstrong, three years old and Thomas Horace, a year old. Congratulations. They all reside at 23108 Violen.

**MR. LUNDSTEN**, of 23234 Violet, hopes that his wife, Amy, will be home from the Women's Hospital in a very few days. He says that she is doing fine now. The whole family will be happy when she can end her stay there.

Mrs. Margaret Armstrong and her two children are new residents of Floral Park. They moved from Park Forest, Illinois to 23183 Floral this month. Billy is seven years old and Guy is six. They both attend Chippewa School. They also have a brand new Beagle puppy just six weeks old which so far has no name. Mrs. Armstrong's parents, Mr. and Mrs. Dan M. Gay, have been residents of Farmington, for the past 11 years.

An additional new resident to Floral Park is the Hardesty-Thorn family. In addition to Mr. and Mrs. Thornton, there are Dennis, 10, Sharon, 17, and Dale, three years old.

Dennis is in Kalamazoo College on a Scholarship, that he received at Farmington High School. He was offered five Scholarships Well done!

MR. THORNTON was at the Boy's Republic for 18 years. They lived on the grounds while he was there. He is now with the Michigan State Conservation Department, and is at the Grand Lake district. His work consists of developing nature trails in the southern part of Michigan. He has been interested in scouting for many years and was the originator of Troops 100 and 102.

Mr. Thornton has, and has had for thirty years, a very interesting Hobby. He has a collection of Reptiles which are used in his work with the Conservation Department. There are a seven foot Box Constrictor, two Crobo, one of them green and a half foot long. A blue Racer, two Michigan Rattlers, a Garden snake, a king and Hog Noddy.

He is busy giving lectures on his subject to different schools every week. The snakes are fed only once every two weeks, and their diet consists of mice and worms. They are all kept in glass cages, with the back open, but screened. In another glass cage, he has a Tarantula, with a five inch spread. Mr. Thornton took the time and trouble to show me this very interesting collection while he was in town. It was quite fascinating. The Thorntons reside at 23155 Violet.
