ALICE CLARK is progressing very nicely. True, she is impatient to regain her strength even faster. Sunday she went to the hospital, and it a friend in the hospital, and to dinner at Stouffer's. Quite an active day.

A week ago Saturday, Nov. 24, Grace and Vernon Fisher went to the Battle Creek Hunt Club hall, which was held at the Hart Hotel in Battle Creek. Sue Morgan has had a very wonderful family gathering. Her mother and father, Mr. and Mrs. A. H. Gray, drove on from Bethel, Mo. Sue's brother, Airman 2nd class Jimmy Graves, drove on with them.

and had a few days here before flying to Chicago where he got his plane for Rome, Italy where he is to be stationed for 18 months. Sue's other brother, Almon, 3rd class Jerry Graves, is stationed at Ft. Kehele, near the Sault, and came down for a couple of days to complete the family group.

THE DOORMANS MAY no longer live in Wood Creek but they are still Wood Creekers at heart. They had a good many of us to their lovely home for a buffet supper last Saturday night. Alton had a clever game for us to solve before we could eat, with three prizes for those who had the most correct answers. Everyone had a delightful time.

The general meeting of the WSCS of the Franklin Community Church will meet on Dec. 11 at 8 p.m. in the Church Social Hall. The Ruth Circle will hold a luncheon meeting to be followed by "Around the World" topic given by Dr. Margaret Stern.

The Rebecca and Ruth Circles will meet at this time. The Esther, Rachel, and Sarah Circles will meet with Mrs. Norman Currin, 26550 Captains Lane, at 8 p.m. Dec. 12. The groups will bring their gifts for the Pontiac State Hospital.

Sunday Sermon Topic Chosen

"God the Only Cause and Creator" will be the subject of the Lesson-Sermon at Christian Science church services Sunday.

Scriptural readings will include these verses from Romans: "O the depth of the riches both of the wisdom and knowledge of God how unsearchable are his judgments, and his ways past finding out. For of him, and through him, and to him, are all things: to whom be glory for ever." This correlative citation will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 275): "All substance, intelligence, wisdom, being, immortality, cause, and effect belong to God. These are His attributes, the eternal manifestations of the infinite divine Principle, Love."

I recently had the opportunity to observe insurance in its proper perspective.

While talking to an insured person who had suffered a near total loss on his home and contents, his concern was only with the coverage. He was grateful for having purchased the right insurance.

Unfortunately few of us can come up with as good a reason as a trip to Florida as Frances Murray did recently. Fran left husband, Jack, and the youngsters to the vicissitudes of a Michigan November while she drove to Fort Lauderdale, Florida for a nephew's wedding.

Our Indian Summer of the last few weeks may have somewhat reduced the envy of the family, but did nothing to spoil an enjoyable week for Fran.

The first holiday party of the season was held at various and sundry homes in the acres last Saturday night. A well planned progressive dinner was planned by the talented trio, Joan Friedman, Nan Held and Pat Thibodeau. Since this was their third annual progressive party, the affair is getting a very professional touch, and becomes more enjoyable every year.

PARTYGOERS with their fancy hats depicting song titles were Pat and Neil Thibodeau, Stan and Roz Karwanski, Arline and Dick Wolske, Barb and Adams, Barb.

and Elmer Blatz, Joan and Ron Friedman, Nan and Tom Held, Barb and Boudie, Ron and Donna Wellbaum, Janet and Bill Streng, Barb and Al Higgins, Bea and Don Holmes, Nicky and Dick Eansor, Pat Lisa home were Casey, Martha and Stewart. Congratulations to you all.

The party ended ensemble at the Burrell's home.

Our ills and Pills Department found Mimi McDougall in a star role this week. Mimi suffered a severe bout of bronchial pneumonia. This made our babysitting, always busy, grandma's ear most unhappy, as said Rambler is not used to sitting idly in the driveway. We are very happy to say she is on the mend, and will be hitting the highways soon.

LITTLE NORBERT Jankowski gave his mother quite a scare the other evening, and right before her guests were due for bridge was taken to St. Mary's Hospital. Fortunately, the little fellow was not as ill as feared, and he made a big hit on his return from the hospital as he was passed from arm to arm as the bridge game progressed.

Watch for further details on a pancake supper being sponsored by the Farmington Junior High School Student Council. With just a few more days left, (count them) 'til Christmas, a supper out may be very welcome to many of us.
