

Choose Fire-Safe Decorations

Use noncombustible decorations. If they have not been flameproofed, they may be hazardous.

Dispose of gift wrappings promptly and safely. Place them in a metal-covered trash container or burn them in an incinerator as soon as possible. The fireplace is not a safe place to burn them.

Don't use polystyrene foam for candle holders, or for table or mantle decorations where wax candles are also used.

Select Santa Claus masks, whiskers and costumes with care. If they have not been flameproofed, they may be hazardous.

Love is to the moral nature exactly what the sun is to the earth.

Telephone Lines

By HUGH BRONAUGH, Mgr.

MODERN ELECTRONIC MARVELS that help give you dependable telephone service are wonderful, but they'd be of little use without telephone people. For example, telephone engineers must plan the buildings and equipment to provide this service. Plant technicians install and maintain the equipment. When you call about your service, our Commercial personnel provides the information you need. Long Distance and Information operators help you with your calls. Accounting personnel prepare your bills and record payments. And our Marketing people keep your directories up to date and give business customers expert communications advice. All work together to make sure your telephone service meets your needs—24 hours a day, 365 days a year.

IT'S FOR YOU! IT'S CHRISTMAS!

Looking for a Christmas gift idea that's personal and different? One that's sure to be appreciated every day of the year? Look no further! Surprise your family with an extension phone. Practical extension phones make life brighter and easier for Mom in the kitchen, for Dad in the den, and for everyone in the family room. Step-saving, time-saving extension phones come in a wide choice of colors and styles. Just call our Business Office and we'll help you select your extension phone in time for Christmas.

CHRISTMAS JOY

...and the best to you in the New Year from all of us at Michigan Bell.

A Christmas Prayer

May the spirit of Christmas remain in all men's hearts so that hope and peace and love shall prevail over our land and all other lands on earth.

Serving on Carrier In Western Pacific

Gerald A. Badaluce, radarman third class, USN, son of Mr. and Mrs. Peter A. Badaluce of 24644 Springbrook, Farmington, is serving aboard the attack aircraft carrier USS Ranger operating in the Western Pacific with the Seventh Fleet.

The Ranger is part of American seapower abroad, an instrument of national policy and goodwill. The ship is scheduled to visit ports in Japan, Okinawa, the Philippines and the British Crown Colony of Hong Kong.

Papa Noel makes the Christmas Eve rounds in Brazil, in a radio-drawn sleigh. He trims the trees with popcorn and bits of cotton — to make up for the snow that never falls. Since Christmas weather in Brazil is summery, picnics and boating excursions are part of the celebration.
