Diabetes Week Test Results Are Disclosed

Of the 2940 persons who received blood sugar screening tests for diabetes in the Diabetes Week Detection Program conducted at Northwood Center and Pontiac General Hospital in November, 151 were suspicious for diabetes, according to Dr. Henry D. Kaine of Detroit, detection chairman of the Michigan Diabetes Association. "These persons and their physicians were sent letters notifying them of the test results. The test used is not definite proof of diabetes, and the diagnosis must now be confirmed or denied in each case through further tests as decided by the personal physician," Dr. Kaine asserted.

LOCAL SPONSORS of the program were the Oakland County Medical Society and Department of Health, the Pontiac General Hospital, and the Oakland County Unit of the Michigan Diabetes Association, a Michigan United Fund Agency. Participating statewide agencies include the Diabetes Association, the Michigan State Medical Society and the Michigan Department of Health.

"It is most important that those with positive tests see their physicians as soon as possible," Dr. Edwin DeLongh, Chairman of the Oakland County Medical Society's Diabetes Detection Week Activity advised. "Any delay in diagnosing diabetes and getting it under control, can be dangerous. With prompt diagnosis and treatment, complications may be avoided and the new diabetic can almost always continue his job and live a perfectly normal, active life. In many cases hospitalization is not required."

FLORAL PARK
E. R. PHILLIPS
GR. 474-6675 between 4-6 p.m.

Twenty-one Boy Scouts from Troops No. 109 and No. 116, both of them from the Farmington area, are just about in the middle of a test for the Nature Merit Badge.

Mr. Hartley Thornton, of 23155 Violet in Floral Park, is their instructor and will monitor the test. They still have almost three months to go before everything will be completed. Two Floral Park brothers, Keith and Rick Collins, of 23057 Violet are among the 21 who are participating. They all meet the third Wednesday of each month for their instruction. They are given most of their instruction right on the spot so they can observe what they are learning in trips to the Proud Lake area.

THE NATURE COURSE includes bird study, insects, reptiles and bird nesting.

Mr. Thornton says that when the boys are through the training course they really are conversant with each subject as the on the spot instruction is accompanied with manual study.

If the course is completed in time they will witness the Migrating Birds at Pointe Pelee and their banding.

The course helps the boys immensely with their biology studies at school. They learn to recognize trees and plants by their different categories and the birds by their known habits.

Each instruction session is ended with question and answer periods so each boy is fully familiar with the days lesson. The final test is made up of about eighteen twenty questions, chosen at random from any part of the three manuals that have been selected.

Mr. Thornton says that by the time the boys have passed the test they have really earned the right to wear the Nature Merit Badge.

Twin Valley Views
MARIE BRAUER
476-3213

On Feb. 3, Kathy Doyle of Elizabeth Court celebrated her 12th birthday with a family dinner complete with birthday cake and all the trimmings. Also, the day before her mother and dad treated her to a shopping tour.

Wednesday evening, Feb. 6, on a Cub Scout outing to the Shrine Circus, Mr. and Mrs. William Carrier of Orchard Lake Rd. accompanied Den 9 Cub Scouts, Mark Carrier and Bruce Eddy of Twin Valley Ct. The boys received their biggest thrill of the evening when they were seated close to the Clyde Beatty act.

Mr. and Mrs. Hal Reigner of Elizabeth Court celebrated their twenty-first wedding anniversary on Feb. 7. Their plans for the evening included going to dinner and the theater.

At the Feb. 7, meeting of Our Lady of Sorrows Altar Society, the ticket chairmen were announced for the Pre-Lenten Card Party to be held in the Parish Hall on Tues., Feb. 19. For this information one can contact Joyce Hakemian (GR 4-3101) or Ann Hazen (GR 4-4071).

The Brauer Family of St. Mary Ct. attended the Piston-Syracuse Basketball game at Cobo Arena on Feb. 8. Betty Brauer invited Sharon Jansoon as her guest and Robert Chapman of Hillcrest Dr. and Michael Schiller of Glenview Dr. were Bobby's guests for the evening.

IF YOU HAVE a sliding glass door in your home, several mothers in Twin Valley have come up with the idea of putting a design in tape on the door or stretching a ribbon across it to prevent anyone from walking into it when it's closed.

The annual Girl Scout cookie sale will be in progress soon and we wish the Scouts great success in this project.

Motorists should maintain both tire and blood pressures at normal driving levels.

"HERE COMES THE DOCTOR"
Familiar words in times of illness. How relieved you are to know the friendly doctor is here at last. In most cases he will give you a prescription and you will hurry to your pharmacist. We know how important that piece of paper is to you. So, it gets top priority in this Rexall Drug Store. We want the sick to get well, too. We have loved ones and know just how you feel.

State's Oldest Antique Show

This is an antique show in which the show itself can also lay claim to antiquity. The Redford-Detroit Show will be held daily March 1-23, at Carpenter's Auditorium, 22521 Grand River Avenue. Hours will be 12:00 noon to 10:00 p.m. This showing is its 50th Semi-annual presentation, and is thereby recognized as the oldest show in the state.

MANY OF THE 20 exhibitors have shown here for years and have many friends among those who regularly attend this show. They are making a special effort to make this 50th show an outstanding one. Every item exhibited is for sale. Exhibits consist of small pieces of furniture, European china and French porcelain, early American glass and old paintings. Primitives of wood, tin, pewter and brass are shown. Stamps, coins, guns, toys and country store items will be on display. These interesting, old, unusual and sometimes rare articles make up a fascinating show.

Michigan State University was the nation's first agricultural college.

Lutherans to Hear Rev. Carl Mehl Speak

The Women's League of the Church of Peace Lutheran Church, Kendallwood Center, wishes to invite you to hear the Rev. Carl E. Mehl at their next meeting, Feb. 19, at 8 p.m. Rev. Mehl will speak on "The Development and Observance of Lent." Devotions will be led by Mrs. Donald Burrell.

22	23	24	25	26	27	28	22	23	24	25	26	27	28

WHEN YOU HEAT WITH NATURAL GAS IT'S HARD TO BELIEVE THAT January this year was one of the coldest we've had in many years

Throughout most of the month gas appliances worked harder than usual. Your gas furnace worked overtime-maintaining the steady, even, comfortable temperatures that you and your family have come to demand and enjoy. The gas water heater was busier too, because the water coming into the home was colder than normal. More hot meals and beverages were prepared for cold weather menus.

This helps explain why your gas bill for January was higher than usual. It really is easy to forget how cold it has been when you let automatic gas heat take over your heating worries.

COMPARED WITH OTHER LIVING COSTS, GAS IS ONE OF THE BIGGEST BARGAINS IN THE FAMILY BUDGET
