The German Evangelical Church was on Sunday last the scene of an impressive service, when the Rev. C. Stange was formally installed by Rev. Despite the inclemency of the weather there was a gratifying number present at the service. Mr. Stange's introductory sermon was preached from the words in Cor. 1, 2nd chap., 1-5. In the afternoon the same service of installation was observed at Clarenceville. The sermon here was based on Romans 29-30, of the Epistle to the Romans, chap. 12. The theme of the Rev.
