A new baby boy was born to delighted parents, Leo and Marie Miller, on February 18 at Mt. Carmel Hospital. Little Matthew Leo Miller tipped the scales at 5 lbs. 5 oz. at birth. His "big" brother, Kevin, thinks he's just wonderful, too. Little Matthew was baptized at Our Lady of Sorrows Church recently, with John and Patricia Miller as Godparents. A very warm congratulations to you all.

Our Birthday roundup this week had quite a few participants. Heading the list is little Jamie Skaugen, daughter of Bobbie and Jack Skaugen, who celebrated her first birthday with her admiring family and friends. The Skaugen's oldest child, Jackie, celebrated her fourth birthday on March 3. On hand for these important events were Grandma, Mrs. Robert Rearic of Appolo Penn., and neighbors, Ray and Ruth Jones and their boys.

CHERYL MURRAY, daughter of Jack and Frances Murray of Laurelwood, received a surprize triple celebration for her "sweet sixteenth" birthday. First a dinner at the Murray home, followed by a slumber party at Janet Cartier's home. The following day the festivities continued when they went to see "How the West was Won".

Also celebrating birthdays this past week were daughter of Rev. and Mrs. Love of Larkspur, who was 11 years old; Stephan Friedman, four year old son of Ron and Joan Friedman of Larkspur; Elaine Flynn and Mary Lou Dinon. A very Happy Birthday to you all.

Ray and Bev Babik invited fifteen couples to their home to celebrate their newly finished "rec" room. Included in the party were Carl and Pat Jacobs, Bil and Lou Lombardi, Pat and Roland Clouse and Bill and Betty Raymond from the subdivision.

GRACE MITCHELL, hostess to Bridge Club No. 1 for March featured St. Patrick's day as the theme for their monthly get-together. Enjoying a vigorous game of bridge were Carol Knowlton, Sandy Schurr, Mary Lou Dinon, Polly Lawshe, Joyce Green, Irene Walker, and Hildegarde Black. High score winner for the evening was Sandy Schurr, second place was won by Irene Walker and receiving last honors was Joyce Green.

Enjoying a wonderful skiing weekend were Bill and Janet Streng of Robinwood and friends who share their love of the sport.

"Pooch Hass" took a flying "jet" trip to Pittsburg to see her ill sister last week.

Guest of Ginger and Bob Bergdahl of Laurelwood were Mrs. William Bergdahl, from the Michigan "Copper Country" and Bob's twin brother, William, and his wife from Ashland, Ohio. Mrs. Bergdahl, Sr. entered Ford Hospital for a thorough checkup on injuries received in a serious automobile accident several years ago. We hope she will be out soon, pronounced A-OK.

Our "aches and breaks" department, unfortunately, grows longer every week. Everyone wants to get in the act!

LITTLE KENNY Heverly, 3 year old son of Norm and Sue Heverly of Robinwood, was rushed to St. Mary's Hospital in Livonia for 10 stitches after running into a corner of a wall in his home. Brave little fellow is doing very well and his little white "skull cap" is every becoming to him. Chris Washburn, daughter of John and Lynn Washburn of Birchwood is sporting a fancy splint, due to a sprained finger. It hasn't hampered her school work, nor her fine stitches in sewing class, fortunately.

Mark Nutt, son of Donna and Tom Nutt of Robinwood, spent some time in St. Mary's Hospital for surgery. Mark's homecoming was saddened by the death of his dog, who had been shot by a "BB" gun in the acres following an anonymous phone call.

The ill of the subdivision were Margo McIntosh's baby, who caused mother to cancel the Women's Civic Association meeting when she contracted scarlet fever; Dick Dinon, who was tired of measles at his house and decided variety things by coming down with chicken pox; Sandy Inch, who suffered a severe case of Asian Flu; Bobby McCrirle, who thought this was an appropriate time to have a boot with "strep throat", and Noralee Stock, Karen Osborne, and half the Jacobs family, who were just plain sick.

We've decided to dust off our old "bravery medal" for Lori and George Bosse, who literally were two places at once last week. Their eight year old daughter, Deanne, was in St. Mary's Hospital for surgery due to a ruptured appendix while baby, Melanie, was being treated in "isolation" at Children's Hospital in Detroit for flu and a severe ear infection.

Meanwhile, back at the ranch, Blaine, Joe, and Grandma, who had come to help out during the confusion and caught the "bug"; suffered from the flu. At last report the girls were home from the hospital and things were getting rosier but for a while life was really rough in the Bosse household.

BOY SCOUTS Randy Black, Scott Strane and Doug Lawshe joined other area boy scouts in a camping weekend 200 miles away from home last weekend. Dennis Green, a "Weeblo", is now the proud possessor of the "Bear" Badge.

Many of our subdivision Brownies and Intermediate Girl Scouts attended the annual Juliet Lowe Birthday Party held at Farmington Junior High last week. Mrs. McBride and Mrs. Springmeier accompanied their Brownie troop, who set up a display there of handiwork they had accomplished this year. The girls swapped hand made articles with other Brownies during the "swap session" hour.

We wish to extend our deepest sympathy to Fred Morley of Birchwood upon the recent death of his mother, Mrs. Mary Morley of Detroit; and to Bob Laramie of Meadowlark who lost his dad, Clifford E. Laramie of Detroit, last week.

FLORAL PARK
E. R. PHILLIPS
GR. 4-6575

Mrs. Alice McCarthy of 23133 Lilac has been hospitalized since February 27. She has been a patient in the Redford Community Hospital. She has had surgery and is improving. We all have hopes that she will soon be back home again.

Mr. and Mrs. William Burke of 22716 Floral were pleased that their son, Michael, was able to spend a week end at home from his studies at Aquinas College in Grand Rapids. While he was home Michael managed to have a look at the Icecapades at Olympia. Meanwhile, another son of the Burke family, Kelly, has been a member of the "high flying" Our Lady of Sorrows Varsity Basketball team that managed to make the finals of the District Playoffs.

THEY HAD TO BEAT St. Michaels of Pontiac, in the semi-finals, but were beaten by St. Mary's of Royal Oak in the championship. The games were played at Pontiac High School. The O.L.S. Varsity did a good job, losing by a score of 43 to 24.

Mr. Burke just returned recently from trips to Milwaukee and Chatanooga where he was sent by his firm, The Michigan Hospital Service (Blue Cross), spending two days in each city. It was odd but both of his visits were marked by the cities being struck by heavy blizzards on the nights he arrived. It would not be too unusual for Milwaukee but for Chatanooga, Tennessee! It marks a new promotion for Mr. Burke. His duties are to furnish the hospitalization needs for Ford, General Motors, Chrysler and American Motors as well as the employees of the U.A.W. Congratulations, Mr. Burke.

THE RAY ESPER family of 22500 Violet and the Thomas Mahoney family of 22751 Lilac had a glorious day of tobogganing and sledding at Dodge Park near Milford a week or so ago. They took hot chocolate and coffee but even these body warmers, plus plenty of warm clothing, failed to keep them warm in the below-zero weather. In spite of the cold a real good time was had by all. Joann Le Bert, Mrs. Mahoney's niece, who enjoyed the outing with the party with Ray Esper and two or three others turned over on one of the rides. No one was hurt but the witnesses say all that could be seen was flying arms and legs and plowed snow.

One of the members of the party, Raymond Laurain, made his Confirmation on February 24. His father and mother and brother, Mr. and Mrs. Richard Laurain and William, witnessed the event.

The University of Michigan is studying the nation's changing patterns of hospital care and costs for the American Medical Association.

City of Farmington Council Proceedings

Meeting called to order by Mayor Pro Tem Brotherton at 8:00 p.m.

ROLL CALL: Councilmen Brotherton, Forrest, Peterson, Thayer, present. Lindbert, absent.

CITY OFFICIALS PRESENT: City Manager Dinan, Acting Clerk Buck, City Attorney Kelly, Lieut. Tully Dell.

Minutes of Previous Meeting

Motion by Peterson, supported by Thayer, that minutes of regular meeting held on February 18, 1963, be approved as printed. Motion carried, all ayes.

Public Hearing

A. Request for Rezoning North 122.59 Ft. Farmington Shopping Plaza From R-1-P, Residential One Family Parking, to C-2, General Commercial District.

Mayor Pro Tem Brotherton opened the Public Hearing at 8:04 p.m. by requesting opinions for or against the request for the proposed rezoning.

City Manager Dinan stated there was adequate parking for the proposed occupancy of Frank's Nursery Sales as presented on their plot plan.

Mr. V. O. Bates, 33113 Thomas, questioned the amount of land remaining to be developed, and type of store that would be open until 7:00 p.m. on Sunday.

Mr. Dinan stated development of this site would complete the Farmington Shopping Plaza and that no objections had been made by Lakeway residents. He stated this type of sales would stimulate sales in the entire shopping center.

Councilman Thayer stated he had attended the Planning Commission Public Hearing regarding this request for rezoning; he had heard no objections.

Councilman Forrest questioned open sales parking requirements, the basis parking spaces were figured and the possibility of a change of occupancy in one of the larger stores in the future.

Mr. Robert Kelly, City Attorney, stated that a small difference in the number of parking spaces would not keep a large store from operating in this area. A request for variance would be decided by the Zoning Board of Appeals.

Motion by Forrest, supported by Thayer, to close the Public Hearing. Motion carried, all ayes.

Minutes of Other Boards

A. Economic Development Committee Proceedings, February 21, 1963. Economic Development Committee Proceedings, February 21, 1963, were read, received and placed on file.

Petitions and Communications

A. Letter from Michigan Municipal League re: Resolution Supporting Proposed Constitution and Proclaiming "Know Your Constitution" Week, March 25 Thru March 31, 1963.

Councilman Forrest stated that he felt the City of Farmington was in a position to support the proposed Constitution inasmuch as it is a non partisan government.

Councilman Thayer objected to the Council going on record as being in favor of the proposed Constitution. He stated that each voter should study the proposed Constitution and vote according to their own judgment.

The Council mutually agreed to adopt two resolutions regarding this request.

Motion by Forrest, supported by Peterson, to adopt the following resolution:

WHEREAS, the time and energies of an outstanding group of citizens has been devoted to the careful drafting of a new Constitution for the State of Michigan; and

WHEREAS, the resulting document is a substantial improvement over the Constitution of 1908; and represents great progress towards a basic law which will permit the solution of many of the problems of today but the problems of the future, while strengthening the protection of individual rights; and

WHEREAS, through the provisions of the new Constitution and general framework of government in Michigan will operate more smoothly, with greater efficiency, and more in tune with the will of the people; and

WHEREAS, the provisions of the proposed Constitution will greatly strengthen local units of government;
