

Forest Park News

ALVIRA DALEY 476-3877

The general meeting of the Forest Park Association of Farmington was held last Monday, April 29, at Boy's Republic Auditorium. A great many important issues were discussed and voted on, including the parks and boulevards recommendations.

THE WORK GROUP that showed up to clean the pool, last Saturday, should be praised for all the work they accomplished on the day. They cleaned up the bathrooms, installed hooks in the dressing rooms, drained the pool, cleaned out the debris in the bottom and swept up all the litter that had accumulated last winter. Bob Weirauch supplied a good hot fire, even though it was a warm day, by burning all the trash and useless old wood that had been cluttering up the place.

A MOST WELCOMED luncheon was served to the grateful workers by Florence Stark, Rene Calligaris and Shirley Ann Strey. Susan Faine of Ontaga celebrated her twelfth birthday with a party for 30 school friends last Friday. A birthday cake and refreshments were served with dancing in the backyard for entertainment.

NAVY STARK, daughter of Mr. and Mrs. Carl Stark of Tredwell, is enjoying a 22-day vacation in Europe, with a girl friend. They flew by jet from New York to Scotland, to London and on to Copenhagen, Denmark and on to Athens, Greece.

WORK WILL BEGIN shortly on a park in the area adjacent to the pool. It will consist of grass, shrubs, shade trees, walks and a focal point in the center of shrubs. The Garden Club will provide flowers for sidewalk and tree plantings. The boulevard will be enhanced by the addition of new trees and shrubs.

Several new features will be added for greater swimming enjoyment this summer. The fence on the west side of the pool will be enclosed by the addition of blue and white slats inter-

News From Briar Hill

FRANCES MANN MA. 6-5946

A special invitation has been extended to parents in Briar Hill who will have children attending Alameda next fall to attend the May 14 meeting of the Alameda P.T.A. A short business meeting will be held at 7 p.m. at which time officers will be installed for the 1963-64 year and Marian Palmer has been nominated for recording secretary. The Alameda band and orchestra will also provide musical entertainment.

Following the meeting, there is to be a Bake and Book Fair. Baked goods will be on sale and if anyone cares to contribute, please bring your baked items to the school in the morning or call 625-5123 for pick-up. Used children's books will also be offered for sale along with some excellent reference books, such as Epic of Man. Orders will be taken for the reference books and full payment must be made.

ALL BRIAR HILL parents are invited to their elementary school children. It will be an excellent opportunity for you to see the school and meet the principal, teachers and P.T.A. officers.

Last week brought a close to the 1962-63 season of the Briar Hill Morning Women's League. Top place was taken by the Birds of the Meadow, Lois Holmes, Conna Wimple, Ruth Adams and Joan Webber. They also captured Team #1 Series with 1745.

Team #1 Single was held by the very last of the high school girls in the standings - Ginny Bobb, Ethel Miller, Ruth Steiner and Carolyn Deans. And until the very last game was played, 221 and belonged to Kitty Jones but last week Grace MacLeod topped her with a game of 227.

Trophies will be handed out and election of officers held at the banquet on Thursday, May 9 at Redford Inn at noon.

The Evening Women's League bowled their last games last week. The team was assured to the Hi-Jo's - Marge Scott, Mary Hedges, Marie Arkesteyn and Nan Sheldon. Phyl Auman holds high honors with 221 and 521. An election of officers was held and 1963-64 officers are President - Marge Scott, Vice President - Joan DeLoock, Secretary - Kaye Britton and Treasurer - Etta Wichman. Their banquet is to be on May 15 at Kostore's in Detroit.

WITH THE LAST BALL rolled in the 1962-63 season of the Briar Hill Men's League, the championship was won for the Southern 544 team. Happy individual winners are Al Dunbar, Steve Arkesteyn, Jim Moore, Bill Nauman and Bob Scott. Runner-up was the Detroit Sterling team captained by Bob Schick in the first session. Teammates are Ross Below, Russ Reimer, Stan Steiner, Wilson, Dick Anderson and Tom Furlong.

Individual hit single is shared by Al Dunbar and Roy Schick with a score of 287. The banquet will be held Saturday, May 18, at 6:30 p.m. at Kostore's on W. Eight Mile.

Bob Scott was in Atlanta, Georgia on business and then met Marge and the children in Tampa, Florida arriving in a car piloted by Bob Schick of Old Bedford. The Scotts spent a week in Venice where Bob felt himself fortunate to find on the shore a fine prehistoric sharktooth about 4" long. Several days were also spent at Lauderdale-by-the-Sea before returning home. Before they left daughter Debbie had a strep throat and the day after their return, son Tommy came down with hard measles - that's what

you call timing.

A SURPRISE birthday party was given for Kathy Jajich by Debby Mann of Old Bedford. Other guests included Ann Wiles, Nancy Stephan, Mary Jo Hopkins and Pat Norton. Plans for the evening included going to a show, coming back for cake, ice cream and gifts and everyone spending the night but not doing much sleeping.

Pupils of Virginia Biehl of Banbury held their recital at Kings House of the First Presbyterian Church on Sunday afternoon. Playing selections were Gail Braham, Beverly Hatch, Kathy Jajich, Barbara Kleinhaus, Sally Martella, Kathy Nauman, Patricia Norton and Tracey Pratt. Punch and cookies were enjoyed by all.

May 5 was an important day in the lives of Tommy Furlong, Colleen Pattison, Dennis Wingfield and Debbie Wyman as they had their First Communion at Our Lady of Refuge on Orchard Lake.

Tommy's grandmother came from Cincinnati to be there and is now visiting the family for a few days.

Painting, weeding, fertilizing and moving were the orders for the day for members of the Westbrooke Swim Club last Saturday. Quite a few were on hand in preparation for the summer season and a lot was accomplished for which the officers want to thank all the hard workers.

Junior Leader Course Taken By Boy Scouts

Forty-six Boy Scouts of the Ottawa District recently spent a weekend taking a junior leader instructor training course at Grand Lake Nature Center. The boys, outstanding Scouts and leaders in their own troops took courses in first and second class Scouting skills such as: ideal campaigns, cooking and sanitation, pioneering, orienteering, hiking and hiking methods, ceremonies, and campfire programs. They will in their turn teach these skills to other boys in their units.

THE ENTIRE weekend program was conducted by the boys. Instructors were junior leaders Steve and John Sherick, Keith Swanson and Kenneth DeWaltze, Farmington, assistant Scoutmaster and counselor instructor; George DeCoursey, Farmington, Scoutmaster; Fred Monroe, Farmington, counselor instructor; Everett Strick, Orchard Lake, Scoutmaster; and Edward Goetz, district executive.

Slate Sermon For Christ. Sci.

Man's search for his real place in the universe will be taken up by the Christian Science churches this Sunday in a Bible Lesson entitled, "Adam and Fallen man."

Again theme of the Lesson will be presented in this verse from I Corinthians (15:22): "For as in Adam all die, even so in Christ shall all be made alive."

Related readings include this passage: "Christ presents the indestructible man, whom Spirit creates, constitutes, and governs. Christ illustrates that blending with God, his divine Principle, which gives man dominion over all the earth." (Scriptures and Health with Key to the Scriptures by Mary Baker Eddy, p. 316).

Frozen potatoes are the "hot potato" in the trade. They lead the sale of all frozen vegetables. French fries and crinkle cuts rate 90 percent of the frozen potato sales.

THE FOURTH Annual Student Art Exhibit, "An Eye for Art," was opened at Northland Student Center May 3, with Farmington School District art consultants offering some of their students' work. Farmington art consultant Robert Benjamin captured the scene above as an unidentified lady admired some of the paintings done by area students. The exhibit is being sponsored by the Oakland Art Education Association and will be open to the public in the Northland Geodesic Dome through May 15.

Farmington Oaks
EDNA MOSLEY 474-2410

This has been a busy week for few to do. We still have next Saturday for more people to come out and work before the truck pick-up on May 13th. Everyone who lives here should be interested in helping get this job done.

Kay's parents, Rev. and Mrs. E.V. Miller, live near Orlando, Florida. After their visit here with Harvey, Kay and the children they are driving to Iowa to visit their other daughter. We hope their visit here is most enjoyable.

ROBERT OLSON celebrated his 13th birthday on May 1 and then bid his grandparents farewell as they ended their visit here and returned to their home in Springfield, Mass.

Esther Olson is home from the hospital and is coming along nicely.

Carol Robertson entered the teen world on Monday, May 6. She became 13 years old also. This seems to be a popular age in the Oaks this year.

Also celebrating a birthday last week was Marie Ruyle, on May 4.

Saturday morning, Marty Stormont and Betty Robertson took the Campfire Girls to see Cinerama. Jane Carrarher, Carol Robertson, Cathy Ruyle and Nancy Stormont were the Campfire Girls in the sub who enjoyed the movie. Judy Stormont, though not yet a Campfire Girl, joined the group for the trip.

Also on the calendar for Saturday was the spring clean-up of the sub. Perhaps it was because of lack of publicity, rather than interest, that the turnout was so very poor. Of all the children in the sub, some gave a few minutes of their time and some put in several hours of real work gathering debris and stacking it to be burned or hauled away.

THE LACK OF ADULT participation was most disappointing. From our growing sub there were only six adults who gave any time at all. Marie Ruyle worked from the start to the disappointing finish. Ray Persia worked most of the time with Yvonne Smith, Inge Schaerer, and John and J. lending a hand. If more of the older children had turned out and enough adults to organize them into squads the sub could have been cleaned in a pretty fair fashion. The job was not finished because there was just too much for a
