Kimberley Sub. Plans Clean-Up Special Ed to Be Topic Tonight

gaged in a hustle and bustle of clean-up activity this week as residents join the Farmington side campaign to Clean-Up, Paint-Up, and Fix-Up during the week of May 6th.
Kimberley will concentrate efforts on the "pick-up" aspect of the drive, and residents are urged to participate by general clean-up of empty lots, ravine areas, or the adjoining fields.
1959 PASSENGER Mercury station wagon. Excellent condition. Radio, heater, power, tinted glass, new tires. Mileage 19,800. Owner. GR. 60147. 33-1c

WILLIS station wagon, full condition. GR. 4-1156. 33-1c
MAY I HELP YOU SELECT THE NEW OR USED CAR OF YOUR CHOICE? I Will Do My Best to Secure a Price or Difference Figure to Your Liking!
HOWARD OTIS GR. 4-7500 or 685-2380

Residents are urged to place discards at the curb by Sunday night, May 12, in order to insure pick-up. Discards generally not accepted for trash collection will be picked-up at this time. This is an ideal opportunity to dispose of that old rusty tricycle, those dead trees, or any other bulky rubble that has accumulated for lack of a disposal method. A cleaner, neater subdivision is Kimberley's goal!
DAVE STADER of Pipers Lane, chairman for Kimberley during Clean-Up, Paint-Up, and Fix-Up Week, has made arrangements with the Willard Sanitation Service for pick-up of all subdivision discards during this special week.
Willard's, donating their service as a community contribution, will begin trash collections early on Monday, May 13, and will continue for as many days as necessary to complete collections in Kimberley and in other subdivisions in the area who have made similar arrangements.

Strict Ordinance On Loose Animals Owners of dogs in Farmington are again reminded that ordinances in both the City and Town forbid animals from being allowed to run loose. Residents of Quakerstown and Wood Creek Farms Village also come under similar ordinances.
Dr. John Tenny from the Wayne State University School of Education will be the speaker. Rated as a top speaker he has appeared before many groups in the Michigan area. In the 1950's he traveled to Russia with a team of educators for the purpose of analyzing the Russian educational system. In addition to the speech by Dr. Tenny, the business portion of the meeting will deal with the coming school election and there will be a discussion and vote on the proposed school re-arrangement policy.
