

When your dealer tells you that you know

He may have cheaper wagons in stock, but he knows the Studebaker is the best.

And so do you.

He wants to give such good wagon value that you will come back and demand a buggy made by the same people.

Studebakers have been building wagons for sixty years and they have won the confidence of dealer and farmer by building—not the cheapest—but the best wagons.

Whether you live in city, town or country, there s a Studebaker to fit your needs. Farm wagons, trucks, business and "felivery wagons, surreys, buggies and runabouts, with harness for each of the same high quality as Studebaker vehicles.

Don't bother with tobacco, gasoline or other old fashloned disagreeable methods of treating stock for worms. Get a supply of "Sal-Vet," the wonder-ful medicated stock salt advertised in this issue, and let your farm animals run to it freely while they docto

There is no case on record of cough, cold or la grippe developing into bronchitis, pneumonia or consumption after Foley's Honey and Tar Compound has been taken. The genuine is in a yellow package. Refuse substitutes.—T. H. McGee.

Hog Cholera and swine plague which have been so disastrous in their attacks in many sections can best be prevented by keeping farm animals in a healthy, worm-free condition. "Sai-Vet" is recommended by prominent live stock authorities as the cheapest and best worm destroyer and disease preventive on the market.

A CARD.

This is to certify that all druggists are authorized to refund your mounty if Foley's Honey and Tar Compound fails to cure your cough or cold. John Bernet, Tell, Wis., states: "I used Foley's Honey and Tar Compound for five years, and it always gives the best of salisiaction and always cures a cough or cold." Refuse substitutes.—T. H. McGes.
