'Over the Top'**

**Plan Bible Lesson
For Sunday Sermon**

A Bible lesson entitled "God's Protection of Man" will be presented at this Sunday's services in the First Church of Christ Scientist in Farmington.

The Responsive Reading includes this verse: "The Lord shall preserve them going out and coming in from this time forth and even for evermore" (Psa. 121:8).

Among selections from the Christian Science textbook will be this sentence: "Divine Love always has met and always will meet every human need" (Science and Health with Key to the Scriptures) by Mary Baker Eddy, p. 491.

This is truly indicative of a congregation which considers the importance of serving the poor, looking to the needs of the future, and of the spirit of fellowship.
