Foreign Trade Degree Earned

Scott LeBlond Hammann, son of Mr. and Mrs. LeBlond Hammann, was graduated May 26 from the American Institute for Foreign Trade in Phoenix, Arizona. The postgraduate degree of Bachelor of Foreign Trade was conferred upon a graduating class of 170, including 22 wives of students.

Hammann specialized in technical, foreign-trade techniques, Spanish and Latin American Area Studies. The curriculum followed by Scott was an intensified course designed to prepare him for a career in business, government and other organizations operating abroad.

Hammann received a Bachelor of Science, Administration degree in 1962 from the University of Michigan, Dearborn.

Of the 3500 graduates of the institute, 1400 have been, or are now, stationed abroad and an additional 1200 are in training in the United States with business groups. In addition to the 1000 operations overseas, others are in government bureaus, "think-tanks", as the graduates of this institute are known, are now employed in more than 80 foreign nations.

Briar Hills

FRANCES MANN MA. 6-5946

The Briar Hill Subdivision Association, for its fifth annual Fourth of July observance, has planned a program of special significance this year which we hope may be of interest to your readers.

Briar Hill is a subdivision of approximately 150 homes developed by the Thompson-Brown Company on an 80-acre plot located just northwest of the intersection of 13 Mile and Farmington Roads in south Oakland County.

THE BRIAR HILL Association was first formed in 1958. Its most important activity, the Fourth of July observance, has grown in importance through the years. The upcoming program events include the following:

9 a.m. Flag Raising and Keynote Speech (home of G. W. Nauman — 32425 Northwick).

9 a.m. Picnic (located Bike Park, at the intersection of Raynacraft and Northwick to pumphouse lot).

10-11 a.m. Children's games and contests (pumphouse lot).

11-2 p.m. Hot Dog luncheon for Entire Subdivision (pumphouse lot).

3 p.m. Father-Son, Mother-Daughter Softball Games (North Farmington High School grounds).

7 p.m. Area Dinners - various locations in subdivision.

8 p.m. Teen Street Dance Old Bedford Road (adjacent to pumphouse lot).

As a special promotion this year, the association has arranged to have each house in the subdivision fly an American flag on the Fourth of July.

The Association believes this patriotic observance, as well as the other events of the day, has many of the characteristics of an old fashioned small-town Fourth of July observance.

Kingswood Diploma For Local Student

Ruth Ellen Chodorik, daughter of Mr. and Mrs. Seymour Chodorik, 32555 Tressany Avenue, Farmington, was one of 59 girls who graduated from Kingswood School Cranbrook.

Ruth was active in sports at Kingswood and attended the O. E. Duncel Junior High School Farmington before coming to Kingswood.

Graduates heard an address by Mrs. George Romney, wife of the governor.

A college preparatory school for girls, Kingswood offers a non-profit educational center occupying 300 wooded acres, 10 miles northwest of Detroit.

Opened to traffic in December of 1959, the \$11 million Portage Lake bridge, linking Houghton and Hancock in Michigan's Upper Peninsula, is the world's heaviest vertical lift bridge. Its center span weighs 4.5 million pounds.

WITH VACATIONS going to start and beautiful weather going to continue, it's time to hope all of you will be more careful in your driving, not only on your trips, but here in our own subdivision as well. School vacations start soon, too and many more youngsters will be playing outdoors all "day long."

As much as we parents keep our children not to run and play, we adults, especially young ones, have short memories; young ones have short memories, especially when having so much fun at play. Please slow down, our children can't repair quite as easily as those dummies shown in the films at the police

station.

As far as we parents keep after our children not to run and play, we adults, especially young ones, have short memories; young ones have short memories, especially when having so much fun at play. Please slow down, our children can't repair quite as easily as those dummies shown in the films at the police station.

THE THEME FOR the evening was a circus and each den presented their circus act. Den I began the show with the opening and a couple of parents. Den II followed with the sideshow with colorful circus posters and hall-props for sale. Den V presented some circus characters all dressed up for the midway. Den VII had magician, Jack Lohan and straight man, Mr. Lash. Den IV had a special performance of magical skill that caused lots of laughs.

Den IV closed the pack for the season with the singing of taps and the solemn bugle playing of Sweetheart of Alpha Tau Omega at Ohio State University. A 1962 graduate of Farmington Senior High, Miss Barger is affiliated with the Delta Gamma Sorority and is in her freshman year of studies working towards a degree in education. She plans to teach school after graduation from OSU.

Miss Sherry Lynn Barger, daughter of Mr. and Mrs. Leo G. Barger of 31827 Bella Vista Drive in Farmington, was recently chosen Sweetheart of Alpha Tau Omega at Ohio State University. A 1962 graduate of Farmington Senior High, Miss Barger is affiliated with the Delta Gamma Sorority and is in her freshman year of studies working towards a degree in education. She plans to teach school after graduation from OSU.
