ALYRA DALEY 476-3877

MRS. DAVID KRINGS GR. 6-0441

from Farmington High School, with all A's and was awarded the Mary Goddard's National Science Honor Scholarship. SHE HAS JUST left by plane for a biking trip in Europe and is planning on spending a great deal of time in Germany.

The Cy Johnsons are elated over the arrival of their second grandchild in the month of June. Robert William arrived Monday, June 24, missing his parents' third anniversary by one day.

His young parents are Mr. and Mrs. Robert Johnson of Royal Oak.

Mr. and Mrs. Joseph Polgar of Shadyridge, together with their children, spent the weekend at Niagara Falls.

All nine members of the Ban-lam group of the Thursday Night Trimmers were present for a luncheon at the home of Mary Gregory last Wednesday, yours truly being one of the guests.

You may not see eye to eye with other motorists, but it certainly pays to keep them in sight.

Bill and Bonnie Woodward were visiting Bill's parents, the Henry Woodwards, this past week. They were home on special leave from Fort Bragg, North Carolina where Bill returned because of the serious illness of her mother.

Berry Beals and wife, spent a week visiting recently in Farmington from their home in the East. It gave Mrs. LaVerna Beals of Broadview an opportunity to get acquainted with her new grandson, Andrew Scott, who arrived last February.

Another family in the subdivision enjoying a visit with their grandchild was the Harry Lochs of Power Road. Their son, Donald, wife and baby were traveling from San Francisco to New Britain, Connecticut where Donald is taking a new job. They will make their home there.

Their daughter, Georgia, has just completed her junior year at Eastern Michigan University.

The weather has been sizzling hot but the pool has been delightfully cool, consequently every member, large or small, young and old, has been enjoying the refreshing water which is always at just the right temperature because of the pool heater.

Every afternoon and evening the pool has been filled, almost to capacity, with a throng of happy people getting some welcome relief from the sweltering heat by a dip in the pool.

A week ago last Monday, however, there was real sadness in the subdivision. The pumps were broken at the pool and the place had to be closed down for repairs but they were soon mended and joy reigned again.

AN UNFORTUNATE accident through no one's fault, occurred at the pool last Friday afternoon. Jennifer Holappa, of Maitch, was diving off the board and in some unexplainable way, on the way down after her first bounce, hit the side of the board with her leg, breaking both

bones below the knee. An ambulance was called, which carried her to Detroit Osteopathic Hospital where she will be for a few more days. Her leg is in a cast up to her hip and will be until September.

The surgeons at the hospital said the first-aid administered at the pool by the pool director, Roger Klein, and Lorraine Rybolt, a member of the subdivision who assisted him, was excellent.

How about some of you teenagers getting on the ball and attended.

sending some cards to Jennifer. Mr. and Mrs. Allen Schweizer announce the birth of a precious baby girl, Susan Lenore, on June 16, Father's Day, at Detroit Osteopathic Hospital. She weighed 9 lbs. 2 and was 20 1/2 inches long. Mrs. Schweizer, the daughter of Mr. and Mrs. Zimmerman of M'Gleiden, is a former resident of Forest Park.

Don't forget the hike parade on the Fourth of July, boys and girls! There will be prizes for the best decorated bikes and ice cream and cookies for all the kids.
