

News From Briar Hill

FRANCES MANN MA. 6-5916

Mr. and Mrs. Jack Edwards of Pombroke Street attended the funeral of their niece, who was killed in an automobile accident last week. She was the 3-year-old daughter of Mr. and Mrs. George Grim of Burt, Michigan.

MARK COPP's official tenth birthday was August 8 when he and his family were vacation-

ing at Wallon Lake. His birthday celebration was last Thursday with a surprise party. Punt put golf was played and then a picnic supper was enjoyed by Phillip Deats, John and Jim Macreed, Greg Stephan, Charlie O'Neil, Steven Ward, Dave Carroll, Kim Marzinske, a cousin, Martin Copp from Ferrisdale, and Mark's mother, Betty, and friend Steve Madigan. Erik Palmer and Bobby Roe's excuse for not being there was being away on vacation.

For those of you who might not have heard, Ted Harriman, formerly of Old Bedford, had a heart attack three weeks ago and is now recuperating at the hospital. He hopes to be home this weekend where he will be laid up for quite a few more weeks. For those wishing to send a card, his address is 7270 Cedarcroft, Birmingham.

YESTERDAY found the Wade Sloane saying goodbye to their son, Bill, as he left by jet to begin training in the Marine Corps at San Diego, California. Several farewell parties were held in his honor this past week. Brother, John, will be leaving for Eastern College in early September so the Sloane family will be small in number this winter.

A week at a cottage near Coldwater was spent by Al Duns and his family and their guests, our daughter, Gail. Visitors included the Harry Ramseys and Dorvil Robinsons and one day was spent at a 4th fair. Sunday, the day after their return, Debby Dunn had to go to the emergency ward at Beaumont Hospital as she had stepped on something in the gravel pit which went through her thongs and into her foot. Sunday seemed to be emergency hospital day in Briar Hill.

BILL AND FLO Nauman and family and Johnny Hopkins left on August 10 to drive to Ocoona on Lake Huron. They drove Bill's mother to Rogers City where she visited with friends for the week. It rained heavily for two days and the other days were not particularly hot for swimming. Bill was not able to enjoy the full week with the rest of them as he had to return to work Monday morning.

For the last two weeks the Jack Sheldon family of Briar Hill has been on a vacation in the St. Lawrence River. They were guests of Nan's parents, Mr. and Mrs. Lewis. Fishing, swimming, boating, hiking in the woods and loafing were on the agenda.

THE VIC PALMER family of Northwick hitched a trailer to their car and took off last week for a tour of the upper peninsula. They toured the copper mine country, rode over mountains, saw beautiful waterfalls, and only wished it were a little warmer for swimming. Erik was a little hampered as his activity as he had an accident on his bicycle before the trip and broke his collarbone.

Marge and Harve Ettig and children left Briar Hill at 11 a.m., July 20, with Ginny and Jim Robb standing on their porch waving goodbye. They took the northern route and through Sheridan, Wyoming, to have a breathtaking scenery. Then the lights at night at Las Vegas were a brilliant and dazzling sight to see. Their final destination was Monrovia, California to visit Harve's aunt and uncle.

The Furlong home on Northwick has been sold and the movers will be coming sometime next week. Tom is planning to go into business in the Chicago area and they will be renting a home in Clarendon Hills, Illinois. We hope they have nothing but happy memories of Briar Hill and wish them much luck and success.

Bill Says:

Taxes, touchdowns and textbooks all remind us that summer is almost over. We hope you have had a pleasant season and would take this opportunity to remind you that we are here to serve you and give your family security in every season. Keep us in mind — We're easy to find.
