New Cadillac Appointment For W. Porman

The appointment of Ernest F. Yeager as superintendent of third shift operations at the Cadillac Motor Car Division is announced by Robert J. Ackerman, the division's general manufacturing manager.

At the same time, Mr. Ackerman said Walter W. Porman, who was responsible for the third shift is reassigned as superintendent in charge of second shift operations, replacing F. A. Keller who has retired under provisions of the General Motors retirement program.

Both moves are effective immediately.

Mr. PORMAN was born and raised on Detroit's west side. He first joined Cadillac as a material handling clerk in 1923. Throughout his Cadillac career he has been in the manufacturing division. He was promoted to superintendent of the third shift in 1956. Mr. Porman resides at 33208 Alta Drive in Farmington.

Mr. Yeager, who was born and educated in Birmingham, Mich., started his General Motors career with the Oakland Motor Car Company in 1921. In 1937 he transferred to Cadillac as foreman of the sheet metal press department. He was appointed assistant superintendent of that department in 1955, the position he held until his recent promotion.

Even smooth drivers often run into sudden trouble on a rough stretch of roadway.

USE YOUR HEAD—AND SAVE! Check State Farm's low insurance rates for cars and trucks—rates so low that one out of two may save important dollars. And check State Farm service—so good that people insure more cars with them than any one else. Call today!

JUDY BURNS

GR. 4-3112

Well, we're "sneaking up" on a swimming date according to Club president Don Howard, with opening day announced as August 31 at the Beechview Swim Club meeting on August 22. The fully paid membership roster at that time numbered 187 (including 50 from TB), and an appeal was made to the families who have indicated an interest in joining next year to lend their support now, when it is sorely needed, instead of waiting. The Club has developed a purchase agreement whereby payments, spread over a 24-month period, may be made directly to the treasurer, Dick Foran. This plan, which will be available only until the end of this season, allows the same privileges enjoyed by fully paid members. The membership fee increases next season, so why procrastinate?

THE CLUB HAS hired a full staff of lifeguards, 2 girls and 4 boys, including Wynne Moore, daughter of Lil and John Clark of Middlebelt. Wynne has her Water Safety Instructor's certificate, and is qualified to teach all swimming in addition to lifesaving.

The next Club meeting will be in October, and will be the annual meeting when elections occur. With this in mind a nominating committee was chosen at the August 22 meeting consisting of Bill May, Joe Emerson, Pat Hernandez, and Dave Stader, chairman.

Stasia suffered a lot of strained muscles and Duane a whip-lash in his neck, but they're both thankful it was no worse and that the children were not with them at the time. Let's hope this is the last of the Churchills' many summer emergencies that included a concussion and hospital stay for Duane, 3, and foot and arm stitches for David, 7.

THE KIMBERLEY Women's Bowling League needs 2 regular bowlers and more substitutes before they begin rolling on September 10. Lil Clark, GR. 3-3817, reminds bowlers that they must turn in their averages immediately to the league.

A house league for Kimberley men is organizing to bowl at Star on Monday nights at 9 p.m. beginning the 3rd week in September. The handicap for each five-man team starts at 75—call John Clark, GR. 6-3831 if interested.

Marge Stockell of Middlebelt is now representing Avon in Kimberley strictly on a you-caller basis—no door to door selling. Those of you who like the diaper through daddy Avon products will be glad to know they're now so easily accessible.

Sympathy is extended the Rader family of Pipers Lane who suffered the loss of June's mother, Margaret Graham of

There's still a lot of work to be done at the pool site, including some do-it-yourself sodding. Volunteer able-bodied middle-aged men will be appreciated over the Labor Day weekend!

Before I forget, let me extend again the "thanks" that we're red-penciled last week — to Lil for doing my column so diligently in my absence, and to Mike Davidson, son of Marge and Bob Kwyer of Killartan, for keeping Dino fat and sassy.

GLAD TO REPORT that the Churchills of Dundalk are doing so well after their accident on Saturday night, August 17. The Churchill's station wagon was struck from behind at the infamous intersection of 12 Mile and Middlebelt, doing extensive damage to their 3-month-old car.

Kimberley is honored to have such a special guest as Madame Cheville, who flew here from Paris, France last May to spend 6 months with her daughter at the Paus home on Westmeath. This is Madame's first visit to the United States, and her 2-hour Paris-to-Detroit non-stop trip was her first airplane flight. Denise, Toelies, son Eric, and his grandmother, Emily, returned from an extensive trip into Canada, where Madame especially enjoyed hearing her a lively tongue — particularly when she speaks no English.

The Paus are currently also hosting Paul Verrier of Paris, France, a family friend visiting them for the week.

OTHER VISITORS heretofore include Mr. and Mrs. Charles Peyton and their 5 children of Louisville, Kentucky, who spent the past week with Anne and Fritz Kalmey of Killartan. The Kalmey's, by the way, have 4 generations under their roof.

Louella, 7, Anne, her mother; Stella Evans, who makes her home with the Kalmey's; and Mrs. Evans' mother, Sallie Vandevanter of Louisville, Ky., a delightful 95 years young, is spending the summer at the Kalmey's.

Anne and Fritz and their children, Claude and Kevin, recently returned from a 2-week vacation trip. Formerly of New York, the Kalmey's wanted to get well acquainted with their new state and toured Michigan by car.

More nomadic Kimberleyites — the Kimbrough family of Greythorne has returned from 2 weeks at Torch Lake, and Mays of Pipers Lane are back from a camping trip to Waterloo Recreation Area near Jackson, Mich. The Mays' are Greythorne are home after several weeks in the Philadelphia area.

THE HITCHCOCKS of Fiddlers Green have returned to their 5-week absence. Jim, with Ford International, went to Germany, England and France on company business, so Janette packed clothes and kids and drove "home" to New York. She and the children, Johnny, 7, Betty, 5, and Sally, 3, visited friends and relatives in White Plains, Maine, Martha's Vineyard, and Washington, D.C., each leg of the journey accomplished with Janette at the wheel.

Congratulations are extended to Bob and Mary Throgmorton of Barwell, bursting buttons over their first grandson, born to Robert W. and Lois Ann Throgmorton on August 22 at Annapolis Hospital. The baby, 7 pounds and 6 1/2 ounces, has been named Robert Thomas. Congratulations!

Forest Park News
ALVIRA DALEY 476-3877

Forest Park once more acquired the most points in the swimming contest held last Friday evening, August 23, against Castle Gardens Pool in Livonia, at the latter's pool. This was the second meeting. The subdivision is proud of everyone who participated especially for their good sportsmanship and whole-hearted endeavors. A good many spectators attended, sending up loud cheers and urging the swimmers on to victory.

Don't forget the Aqua Antics this coming Saturday, August 24. Everyone is invited, so come and see a good show.

MR. VINCENT Howdin of S. Brandon had a cataract removed from his eye last Tuesday, August 20, at Providence Hospital. The operation was a complete success and he is back recovering nicely.

A precious bundle of joy, a baby girl, was born to Mr. and Mrs. Will Millman of S. Brandon, Sunday morning, August 18. She was born at William Beaumont Hospital in Troy at 9:00 a.m. and weighed 7 lbs., 8 ozs.

A farewell party was given by Dorothy Bathey and Anne Rodewig, of Orlaea, for Nancy Scharchberg, last Thursday afternoon, in Dorothy's back yard. Nancy is moving, very soon, to Cedar Falls, Iowa, where her husband, Dick, has accepted a teaching position at the State College of Iowa.

Refreshments were served of brownies, cookies, hot coffee, iced tea and fruit drink, and a pleasant and relaxing afternoon

Taylor, Michigan, unexpectedly last week. June would like to publicly thank her neighbors in Kimberley for being so understanding in many ways throughout the past week.

LUCILLE HACKER of Westmeath, mother of brand-new bride Dorothy Hacker Blue, invited neighbors for coffee and cake on the afternoon of August 20. Dorothy's many beautiful wedding gifts were on display, offered and asked by Del Sorenson, Mayetta Cymes, Rae McDade, Mary Jo Fezzy, Dee Imman, Nancy Bergstrom, Marlene Ansel, Joyce Pfeiffer, and Denise Paus and her mother, Madame Cheville.

Local Scoutmaster Attends Conference in New Mexico

Mr. George DeCourcy of 32710 Briarcrest, Farmington, of the Clinton Valley Council of the Boy Scouts of America, had the opportunity of attending the annual conference of the Boy Scouts of America to participate in the 1963 "Farm - City Scouting Conference" which was held at the Philmont Training Center, located on the 157,000-acre Philmont Scout Ranch, Cimarron, New Mexico. This personal tour, with mountain trails, hunting, and a fishing lodge, and a complete operating ranch was given to the Boy Scouts of America for a high adventure camping and training center, by Mr. Waite Phillips, now of Los Angeles, California.

GEORGE DeCOURCY

THE PURPOSE of this conference was to study the newest and most effective program ideas and outreach methods geared to the changing population patterns of our times.

Each of these Scout Leaders, who came from 32 different states, was selected on the basis of his outstanding services to youth and his community. His achievements were recognized with a "scholarship" award for himself and his wife, made available by the Sears-Roebuck Foundation and members of the National Rural Relations Council of the Boy Scouts of America.

Commenting on the conference, Joseph A. Brunton, Jr., Chief Scout Executive of the Boy Scouts of America, said, "A meeting of this kind brought an exchange of ideas which emphasized the importance to the Scoutmaster of being available to all farm, village, and city boys. The Scoutmaster's relationship to members of a troop can help them meet the challenges of today's rapidly moving world which he will be leading tomorrow."

MR. DeCOURCY has been active in Scouting for ten years and has served in his present capacity as Scoutmaster of Troop 116 for the last 10 years. Prior to that time he served as assistant Cubmaster.

He is a Boy Scout for about 35 years. Mr. DeCourcy is a member of the North Farmington Baptist Church and is a project engineer for the Michigan Bell Telephone Company.

He is an executive in the Detroit Baptist Laymen's League and is treasurer and purchasing agent for the North Farmington Baptist Church. He has been a member of the League for over 800 boys. Under his leadership, the troop participated weekly in a variety of special youth activities which include guest specialists in the fields of nature, first aid and citizenship.

He attends district and council camping events, the summer camping program each summer and regularly planned patrol camping with dads.

HE SERVED AS a governor's honor guard for one week in Mackinac Island in 1962 and repeated this again in 1963. Out-door program planned and scheduled with fees paid for two years ahead.

The troop's good turns include the National Get Out the Vote Program, worked with the Conservation Department on park improvement and each year selects an orphanage with which to do a good turn at Christmas time.

It is fitting that Mr. DeCourcy and his family, Carol, his wife, and children, Kim, 14; Debrah, 7; and Norman, 13; have had the opportunity of attending Philmont this summer.

Mr. DeCourcy and his family, Carol, his wife, and children, Kim, 14; Debrah, 7; and Norman, 13; have had the opportunity of attending Philmont this summer.

Grant Request by DeMolay for Car Wash

A request from the local chapter of DeMolay for permission to conduct a car wash at the northeast corner of the Downtown Farmington Shopping Center, located on the intersection of the City Council approval August 19. Use of a city fire hydrant for their water supply was also granted.
