Last week's issue of The Farmington Enterprise carried the announcement of the engagement of Miss Donna C. Campbell to Michael Martilla of Ravenscroft. No wedding date has been set as Mike will be attending the University of Michigan next month to begin his freshman college year.

Nancy Auman ended up with a broken thumb when she put her hand under a vehicle she was riding in and the wheel ran over it. Little Randy Moffitt made two trips to the doctor last week once for a cut head and next time to have stitches in a cut knee.

MARILYN AND Bill Kersh of Briarton sold their home and moved to vacate in seventeen days. The moving van arrived last week to take their furniture to their new home at 16244 White Street, Allen Park. When the Furlongs leave, there will be several new families coming to the northeast corner of the subdivision.

For one week Hazel and Robert Young of Briarton had the pleasure of their daughter and grandchildren's company. Then their son-in-law, came from Kalamazoo, Michigan to join them and they all enjoyed two more weeks together.

On August 21 Aubrey Crockett left for Chicago and accompanied him was a week-end at Oakwood Inn at Grand Bend, Ontario. While the men golfed, the women looked at antiques. A house guest at the Mooty home has been Mrs. Gloria Busby and her two daughters visiting from their home in Florida.

MICKEY AND RAY Mooney and Eloise and Jim Moreen left last Friday for a week-end at Oakwood Inn at Grand Bend, Ontario. While the men golfed, the women looked at antiques. A house guest at the Mooty home has been Mrs. Gloria Busby and her two daughters visiting from their home in Florida.

Five other couples—the Harry Ramsays, Al Dunn, Harold Holmes, Zeke Coops and Boyd Hills from Royal Oak—left Saturday morning and stopped at Grayling for a five hour canoe trip. The evening and next day were spent at Shanty Creek Lodge, a ski resort at Bellaire, Michigan. Their unanimous decision was that the Lodge is fabulous. Sunday night found them home again in Briar Hill.

His family and relatives joined in wishing Dennis Wingle a Happy Birthday when he turned eight on Sunday, August 25.

THE SEASON is almost upon us and a meeting of the Women's Morning Bowling Group is to be held on Thursday, September 5, 8 p.m., at the Norwest Lanes. The regular season will start Wednesday, September 11, at 9 a.m. There is a need for a few more regulars so won't you call Lois Holmes at 626-9060 and sign up?

While in California recently, Marge Ettig had lunch with Dorothy Sturge in her new home, complete with swimming pool. Dorothy sends her hello to all her friends and would be pleased to hear from them. The Ettigs also visited Virginia and Owen Morgan, formerly of Farmington. Jeff Morgan is due here for a visit with Gary and to see his former school friends.

DOROTHY AND BOB Roe and children spent three weeks at a cottage near St. Ignace with Bob's parents as neighbors and part-time baby sitters.

One weekend was spent by Dorothy and Bob at Mackinac Island with several other couples and they also met Ann and Ted Kleinhaus who were there with relatives.

Then for three days, Dorothy and Bob and children, Robin and Bobby, camped in a tent beside a trout stream and really roughed it—cooked over an open fire and such.

The three days were fun, but enough.

Drain Project Contract Let

A contract for the installation of two new culverts and repairs at the point where the River Rouge branch flows under the I-96 near Orchard Lake Road has been awarded to the Louis Garavaglia Construction Company of Warren, Michigan. The Garavaglia Co. bid of \$165,386 was lowest of six bids received and well below the state highway department's estimate of \$200,000 for the work. This improvement is expected to be very helpful in allowing a freer flow of water and preventing flooding or the chances of flooding in the nearby areas upstream.

The completion date on the project has been set for August of 1964.
