

"In cold weather we advise a brief warm-up of your car's engine before making out into traffic," says Farmington Township Chief of Police Irving Yakes. "It's good for the car, and for preventing dangerous stalling. But don't let the engine idle for more than a few minutes, and NEVER in a closed garage."

Driving in difficult winter weather is a matter of survival of the fittest, says Farmington Township Chief of Police Irving Yakes. Don't be a winter misfit. Drive at reduced speed. Maintain your alertness. Don't let your car be a misfit, either. Keep it in good winter driving condition.

News from Kimberley

JUDY BURNS GR. 4-3112

Of particular importance this week is the meeting on Thursday night, November 14, of our safety committee with the Farmington Area Safety Committee regarding the problem of students walking to the East Junior High on Middlebelt. A detailed account of the business transacted at this meeting may be found elsewhere in the paper. Aldo Vagnozzi, head of our safety committee, hopes to have a report of the meeting mimeographed and sent to every Kimberley resident because of its importance. Aldo also relates that the petition that circulated the sub some weeks ago now contains some 100 signatures, and will be presented soon to Oakland County, Farmington Township, and the Board of Education.

The dance tickets are selling like the proverbial hotcakes. Limited to 200, it looks like a sell-out. Therefore, until the entire subdivision has been canvassed no tickets will be sold for guests.

John Matz states that the PTA sponsored men's night at the school will begin December 3 from 7:30 to 9:30 weekly, the first hour will be devoted to basketball and the second to volleyball. This program is open to any man in the Beechview School District. John Matz 476-3425, can answer any questions you might have.
