THANKSGIVING IS HERE

May we pause for a moment to meditate on family memories and traditions in this busy, fast, mad-mad world.

The real values and happiness of life are these: There is freedom of religion and government, freedom to gather around our family table where man is the head of the family and woman is its heart. We bow our head in Thanksgiving. God is our presence and our future.

**Women's Club Of Franklin Knolls Meets**

The Franklin Knolls Women's Club held a meeting November 7 which was most interesting. A talk and pictures showing the "four faces" of Camp Oakland were presented by Mrs. Keith Paulson, Child Welfare Worker.

Mr. Paulson works with the various groups at Camp Oakland and gave the club a very graphic word as well as visual impressions of the wonderful work done at Camp Oakland.

Since the Franklin Knolls Women's Club contributes to the Camp and not all of the members have taken advantage of the invitation to visit the Camp, the women were very impressed. Camp Oakland's program is very remarkable and any organization should feel a great sense of satisfaction in being a contributor.

Other business taken up by the club were plans for their "Getting to know You" party. This too, is something members should not have missed. It sounds like a real fun night. Aren't you curious yet? If so be sure to attend the December 5 meeting of the Franklin Knolls Women's Club. The program will be conducted by our Ann Leelle, Instructor on Holiday Artificial Flower Arrangements, at 12 noon, in St. Coleman Church Social Hall, Middlebelt Road between 14 Mile and Northwestern.
