## Beechview PTA Plans Jan. 20 Buzz Session

The Beechview PTA will be in the new year with a "Buzz Session" at 8 p.m. on Monday night, January 20. The "buzz session" is an audience of parents divided into discussion groups, each with a different topic under consideration. A spokesman from each group presents a summation of his panel's conclusions to the assembly as a whole.

THE PTA WOULD read the parents of the school district for suggested topics to discuss, and have chosen the following for the January 20 session:

- 1.) Rewards and Incentives;
- 2.) Problems of Discipline;
- 3.) The Child Who Dislikes School;
- 4.) The Aggressive Child;
- 5.) The Unmotivated Child.

The program will be moderated by Dr. Sanford Bloomberg, MD, Psychiatrist, formerly the Director of Children's Service at Northville State Hospital. Dr. Bloomberg, a resident of Kimberley Subdivision in Farmington, is currently building a new home in the Highland Park school system. A question and answer period conducted by the Doctor will conclude the meeting.

The program promises to be a most outstanding one. The selection of topics encompasses a wide area in which any parent can find a problem in which he is particularly interested. This is an opportunity to exchange ideas and solutions with other parents, under the guidance of an expert. The Beechview PTA hopes that one of your New Year's resolutions will be to join them on January 20, 8 p.m. at Beechview School.

## Clarenceville School News

BY BILL HARRIS

Last week the Trojan basketball squad was in action twice and split with a victory on Tuesday and a defeat on Friday.

On Tuesday, Jan. 7, the Trojans took on Brighton on the opponent's court and scored an impressive 52-37 victory.

High scorers for the Trojans were Dave Graves and Gary Gearhart with 20 and 14 points, respectively.

Friday's game was an entirely different story with the Trojans being humbled badly by Clarkson, 42-23. During the first quarter the Trojans were able to hold on to the lead with a "keep away" offense and heavy fouling by the Clarkson players.

Clarkson began to cope with the Trojan offense in the second quarter and by half-time were leading 22-15.

In the second half, Clarkson walked away with the game. Dan Elfe and Dan Craver, with 15 and 14 points respectively, shared scoring honors for Clarkson. High scorer on the Trojan quintet was Gary Gearhart who was held to a meager eight points.

A dance was held following the home game, sponsored by the Girl's Athletic Association. All thoughts now on the part of students and teachers alike is the conclusion of the semester of studies and semester final exams coming up. The deadline for getting book reports and the like have now already passed.

The first semester officially ends on January 24.

Better to burn a candle at both ends and even in the middle than to put it in the closet and let the mice eat it.
